[3] OFFICER INVOLVED SHOOTING

Upon my arrival to the scene I parked my Squad facing west bound on 77th St E, just west of Chicago Ave S. I walked through the crime scene tape and met with an officer who was keeping a crime scene log. I gave him my business card with name, badge number, and agency name.

I was told to watch the crowd on the south west side of the crime scene and make sure the public did not enter the crime scene.

At one point I spoke with Family members who were gathering on the west side of the scene in the street. They asked if I could contact the lead investigator and let him know that they were separated from the main crowd and waiting to speak. I contacted the officer that was keeping track of entry personal who passed on the families message. No other contact with family members.

I was on scene until approximately 02:30 hours on 9/8/19. I checked out of the crime scene with another officer who was keeping the log.
