[AUTOMATED VOICE: November 10, 2017, 5:06:30 p.m.]

DISPATCH: Police and Fire, 911.

KARI SNELL: Hi, I have to report an emergency at my parents' house.

DISPATCH: And what's the address?

KARI SNELL: 5128 Angeline Avenue West.

DISPATCH: What city is that in?

KARI SNELL: Crystal.

DISPATCH: 5128?

KARI SNELL: Yup.

DISPATCH: And what's going on there?

KARI SNELL: My um step-dad, he found his deceased brother on Monday night and he's been going back and forth to the hospital and he's kinda losing it, he's on the phone right now with his nurse telling the nurse to call 911 'cause he's got two guns up to his head and he's gonna shoot himself at his house...

DISPATCH: Okay, what's his name?

KARI SNELL: Ronald Klitzka.

DISPATCH: Spell that for me.

KARI SNELL: K-l-i-t-z-k-a.

DISPATCH: And you have him on the phone right now?

KARI SNELL: I don't, I was just on the phone with my mom who's in the house, I heard a bunch of stuff going on and I just told my mom, I said...

[Phone static]

KARI SNELL: Get in the car and leave.

DISPATCH: Okay. What's a num – phone number inside the house?

KARI SNELL: Inside the house?

DISPATCH: Yeah.

KARI SNELL: It's 763-421-6021.

DISPATCH: And is your mom outta there yet?
KARI SNELL: I just hung up from my cell phone, I told my mom I'm calling 911 and that I'm on my way there and I told my mom do not go back in the house until you see cop cars there. My mom's pretty shook up and I'm hoping she got out of the house.

DISPATCH: Okay, what – what is your name?
KARI SNELL: My name is Kari, K-a-r-i, last name is Snell, S-n...

DISPATCH: And give me a phone number you can be reached at?
KARI SNELL: My cell phone number is 612-296-3224.

DISPATCH: And what kind of guns does he have?
KARI SNELL: You know what, I have most of these guns in my house that I wanna say he has a revolver and I wanna say a 9-millimeter.

DISPATCH: So two revolvers?
KARI SNELL: Uh two guns. One I always call like a cowboy gun.

DISPATCH: Okay.
KARI SNELL: And he honestly told my mom – I didn't hear it, but my mom says he wants the cops to come there, he wants to just be shot. And, I mean, he knows a police officer from – well it's a childhood friend of mine, I don't know if Doug Leslin could call my step-dad on the phone. I think he's chief of Crystal.

DISPATCH: Okay, I'll send some people over – oh, what kind of car is your mother in?
KARI SNELL: My mom is gonna be most likely in her red Buick, it has personalized plates that say Klitzka. And she said she was gonna just pull out and go park about a block away.

DISPATCH: Did she say which direction she was going?
KARI SNELL: I...

DISPATCH: It's a cul-de-sac, isn't it?
KARI SNELL: Uh – huh?

DISPATCH: Is that a cul-de-sac?
KARI SNELL: Yes, that's...

DISPATCH: Okay.
KARI SNELL: A cul-de-sac, so she's just gonna go at the end. I drive a Ford Expedition and it's like sage color green with uh tan trim.

DISPATCH: Are you there?
KARI SNELL: No, I'm at home in Champlin right now, but...

DISPATCH: Okay.
KARI SNELL: I'm gonna leave here...

DISPATCH: I'll send some people over.
KARI SNELL: Okay, thank you.

DISPATCH: Yup, bye.
KARI SNELL: Bye.

[End of call]

DISPATCH: 911, what is the address of your emergency?
EPPD: Hi, it's Eden Prairie with a transfer...

EPPD: Um-hmm. Go ahead, ma'am.

CALLER: Hi, um I'm calling um – uh the address is 5128 Angeline Avenue, um Ronald um Klit – Klitza, he was a former hosp – hospice patient of mine, he called on-call, he says he has an arsenal of assault weapons and he wants to die today either by self-inflicted gunshot wounds or when the police come to his house. He's going to shoot and die by police fire.

DISPATCH: Okay.
CALLER: And I don't know this man, he was discharged from our hospice program a while back, but I've just been on the phone with him for quite a while trying to get the address from him and that's his – this is the address we found um in his old records.

DISPATCH: Okay.
CALLER: He sounds – he sounds not stable. I don't – he – at one point he told me his wife was in the house with him and then at one point he said no one, I – I'm not really sure exactly what's...

DISPATCH: I can take it...
CALLER: Going on.

DISPATCH: Okay. All right, what was your name?
CALLER: My name is Nicki.

CALLER: 720-0591.

DISPATCH: All right, we have...
CALLER: So I still...

DISPATCH: Help on the way out there.
CALLER: I still – I have him on the other line, should I – I – I don't really know what to say to him, I'm on a different phone right now, he's still on the line with me, should I stay on the line with him?

DISPATCH: Um yes, let me...
CALLER: Okay.

[Police radio chatter]

DISPATCH: One second, let me – I'm just gonna talk to my officers here.
CALLER: Okay.

[Police radio]: Why don't you just stay back and try to figure out what we got, we talked to the mom or the – the wife [inaudible] but we have officers on 53rd [inaudible] and then Angeline is gonna continue on the other side of the park to the left of the – go down Scott to 53rd and Angeline is in that area, we'll get everybody to the north and to the left, I'll be coming in from the east [inaudible] go from there...

CALLER: Ronald, are you still there?

DISPATCH: Is he still talking to you?
CALLER: Well something – my phone has gone black and I can hear him laughing in the background a little bit, but he's not responding to anything I'm saying, but...

DISPATCH: Okay.
CALLER: My screen is black, so I'm not even sure I'm – if I'm connected but I – every once in a while I think I hear him. Ronald, are you still there? No, I think I've lost him.

[Police radio chatter]

DISPATCH: Okay, one second.
CALLER: Um-hmm.

[Police radio chatter]

CALLER: Ronald?

DISPATCH: Mother is around or is it just his wife?
CALLER: He was just saying his wife – he was telling me...

[Police radio chatter]

CALLER: That he killed his brother, he killed his mother um he's just not – not rational,
and I – I don't know him.

DISPATCH: Okay.

CALLER: He said his wife was in the house at one point, but...

DISPATCH: Okay.

CALLER: She wasn't – she wasn't in the room with him. He said – he said she was in a
different room.

DISPATCH: Okay. Can you still hear him at all or no?

[Police radio chatter]

CALLER: I can't, no.

DISPATCH: Okay. All right, if he gets back on the phone with you, give us a call back...

CALLER: Yup.

DISPATCH: Here, okay?

CALLER: Okay, I will.

DISPATCH: All right, thank you.

CALLER: Okay, thank you.

DISPATCH: Yup, bye.

[End of call]

DISPATCH: Hennepin 911, what is the address of your emergency?

[Inaudible talking in background]

UNKNOWN: I'm calling with a request to transfer.

DISPATCH: Thanks. Can I help you?

CALLER: Hi, yeah, I just called about an emergency in Crystal, about a gentleman in his
home with guns and I – I have him back on the phone and they – they asked if
I would call back if I got him back on the phone, so I guess that's what I'm
doing.

DISPATCH: Okay. Are – is somebody speaking to him now or are you speaking to him
or...
CALLER: No, I – I mean it's me, I don't know, I think the police are on their way, but I
just have him on my other phone.

DISPATCH: Okay. Yup, the police are on their way there, um...
CALLER: Okay.

DISPATCH: So...
CALLER: Okay. Okay.

DISPATCH: Is he...
CALLER: I – I don't know...

DISPATCH: Saying anything new or...
CALLER: No, no, just that when the police come he's gonna – he's gonna shoot 'em
through the door and blow the whole house up. Ronald, the police are on their
way. So I – I don't know if I should stay on the line, if I should – I should...

DISPATCH: Yeah, if you can keep him on the line...
CALLER: [Inaudible-talkover]...

DISPATCH: And talking and – you know, and see if...
CALLER: Okay.

DISPATCH: Something set him off or, you know...
CALLER: Okay.

DISPATCH: What happened today that brought him to this point?
CALLER: Okay. Okay. Ronald – Ronald, what's going on? There's a lot of yelling.
Ronald, are you okay? Can you tell me what's going on? Ronald? I know
that you're up – I – I – and I know that you're up – yeah, yeah, did – did
something happen today? What happened today? You killed your brother a
couple days ago? How did that happen? He shot himself in the head with
your gun? Well I'm – I'm sorry to hear that, that's – that's very unfortunate.
So – what's that? Okay, well...

DISPATCH: Can you verify Ronald's phone number for me?
CALLER: Um yeah, I can...

DISPATCH: Is – is it the 421...
CALLER: I know, Ronald.

DISPATCH: Is it the 421...
CALLER: I know, Ronald, hang on.

DISPATCH: 6021?
CALLER: Uh I gotta run downstairs. [Inaudible] I have a number of 763-537-2722.

DISPATCH: Okay, and that's what's on Caller ID.
CALLER: Uh nope, that was – um one of my nurses looked in our – uh in our computer system and found that phone number 'cause I'm connected with him through our on-call hospice company...

DISPATCH: Oh gotcha.
CALLER: Or on-call [inaudible], so I don't have a...

DISPATCH: Yeah, okay. Okay.
CALLER: Nope, Ronald, hang – hang on there, hang on there with me. We've been – we've been talking for a while so let's keep talking. Okay? Is anyone in the house with you, Ronald? Was – your wife was in the house with you, she's not anymore? She's not answering, is she in a different part of the house or do you think she left? The house is small so – okay, I know and I – I'm trying to get a hold of Jacob um and I know that's who you have a relationship with so we're – we're working on that. Well, I'm – I – I'm so sorry you feel that way. Well...

[Inaudible talking in background]

CALLER: I – well I'd uh – what – say that again.

[Inaudible talking in background]

CALLER: Don't plan on answering the door or talking to the police when they get there? [Inaudible]. You – you want a western shoot-out with the police? All right, well it sounds like it's been – I – you didn't – it sounds like it's been a hard – a hard time for you lately. Yeah. Yeah, I – I – I – I can't even imagine. You – you have a what? You're – you're drinking too? Okay. Okay. Well, was um – can you tell me why you're yelling? Okay Ronald, you killed – how did you – what's your – hmm, what happened to your mother? I'm – I'm very sorry, that – that must be hard to, hard to – to talk of. Gonna fight till the end?

[Inaudible talking in background]

CALLER: You've got an automatic gun, a 9-millimeter and a 45 Colt? Oh. You have an M14? 308 caliber? Okay. I'm not – I'm not familiar with guns so I – I don't really know what any of that means, but it sounds – sounds like a lot. No, no, you – you – I know you don't wanna hurt people and we don't want you to get hurt either. And you said you – you haven't heard from your wife lately? Is – is she there? She doesn't answer because she knows you? 'Cause she knows you have all those guns with you? She does? Okay. Okay. I – I – I can under...

[Inaudible talking in background]

CALLER: I – well, nobody wants you to do that, Ronald we want you just to hang in there so we can help you.

[Inaudible talking in background]

CALLER: I know – I – we, well – yeah, I – it's – yeah. Oh Ronald, I'm so sorry that happened. How old was your brother?

[Inaudible talking in background]

CALLER: Okay, well that was – that was his choice, that wasn't your fault, Ronald. Yeah. Okay.

[Inaudible talking in background]

CALLER: Okay, well I – I don't want you to – I don't want you to shoot those guns at any point. They're – they're coming to help you. That's not what they're coming for, they – they wanna come and help you so that we can help get this situation...

[Inaudible talking in background]

CALLER: Well and I – you don't – I don't want you to get that kind of courage, I want you to stay on the phone with me until we can get you the help. Um no, then you've got – you've got a wife to think about. She doesn't – I'm sure she doesn't want that to happen.

[Inaudible talking in background]

CALLER: There's a back window? What – where – what – what – tell me about the back window. That's the only way they can get in? Well what...

[Inaudible talking in background]

CALLER: You have no lights on in the house at all? None in your room? How many rooms are there in the house?

[Inaudible talking in background]

CALLER: The last window on the back side of the house that's where you are? Okay. Where's the...

[Inaudible talking in background]

CALLER: Because – I didn't catch that.

[Inaudible talking in background]

CALLER: Oh you have more power than they do? Oh as far as guns? Okay.

[Inaudible talking in background]

CALLER: Well we don't – we don't want this to be a slaughterhouse, that's – that's not the – that's not the goal here.

[Inaudible talking in background]

CALLER: I – I understand that, I – I can understand why you feel that way, you've been through a lot in the last couple days. Um-hmm.

[Inaudible talking in background]

CALLER: Well I – I don't want you to hang up, Ronald, let's keep talking, we've been on the phone for a while now, we can still keep talking. Oh – he hung up.

DISPATCH: Okay.

CALLER: Oh my, gosh, I don't – I...

DISPATCH: Okay. Okay, yup, if he calls back go ahead and – and give us a call back. Thank you for relaying...
