STATEMENT OF PROBABLE CAUSE

Complainant has investigated the facts and circumstances of this offense and believes the following establishes probable cause:

That on October 5, 2018, at approximately 11:40 p.m., officers were dispatched to the area of 4th Street NE and 22nd Avenue NE in Minneapolis, Hennepin County, Minnesota, to investigate an armed robbery. Upon arrival, officers spoke with the victims, an identified adult male and an identified adult female (hereafter Victim #1 and Victim #2 respectively).

Victim #1 and Victim #2 reported they were walking in the area when a white 4-door SUV pulled up near them and a black male, subsequently identified as JONELL BUTLER, hereafter defendant, exited the vehicle on the passenger side and confronted them. Defendant presented a handgun and demanded the victims provide personal property. Victim #2 turned over her purse and defendant took it. Defendant then turned the gun on Victim #1 and demanded money. Victim #1 turned over his wallet. The victims reported defendant then entered the passenger side of the white SUV and the vehicle fled the area.

Officers would later learn two other robberies occurred close in time that night in northeast Minneapolis involving the same suspect vehicle description, the same suspect description, and the same general behavior. In one of these other robberies, the victim was shot in the abdomen after being robbed at gunpoint. In all cases, the victims were robbed of either money and/or cell phones. (These other cases are being charged out separately).

Officers pinged a victim cell phone to 44th and Nicollet Avenue South. Once there, officers located an abandoned white SUV that matched the suspect vehicle description. Officers looked inside the vehicle and, in plain view, observed a number of cell phones, purses, and cash. The vehicle was secured, towed, and later searched pursuant to search warrant. Inside this vehicle, officers located personal property belonging to the victims of the above-mentioned three separate robberies, including Victim #1 and Victim #2 in the present case.

The recovered white SUV was registered to an adult female who, in turn, was identified as the mother of NATALIE BOX. NATALIE BOX was known to be defendant's girlfriend. Defendant was arrested on October 9, 2016 on a separate, fourth aggravated robbery committed in northeast Minneapolis on September 8, 2018 (see MNCIS File No.: 27-CR-18-25320, filed October 11, 2018, charging Aggravated Robbery in the First Degree) NATALIE BOX was with defendant when he was arrested. NATALIE BOX was found to have an outstanding warrant and was arrested. NATALIE BOX was in possession of a cell phone and a warrant was obtained to search the phone. Cell tower location data placed NATALIE BOX'S cell phone at all three above-described robberies that occurred in sequence in northeast Minneapolis on October 5, 2018, and showed movement from one robbery to the next and to the next. In addition, officers discovered an "open line" recording on NATALIE BOX'S cell phone where one of the robberies is audio recorded. Officers formed the belief that NATALIE BOX was defendant's driver during the three sequential robberies on October 5, 2018. Officers attempted to speak with NATALIE BOX but she refused to provide a statement.

Officers spoke with defendant about the four robberies. Defendant admitted to committing the robbery on September 8, 2018 (again, reference MNCIS File No.: 27-CR-18-25320). When asked about his involvement in the other three robberies from October 5, 2018, defendant stated "No, I don't even have a gun." Officers noted they had not even mentioned the other robberies were committed with a gun.

Thereafter, defendant provided several explanations about the robberies:

In his first version, defendant claimed he was with NATALIE BOX when they were held at gunpoint and

kidnapped by two males. Defendant insisted these two males committed the robberies and then made him touch the proceeds, thus explaining why his fingerprints and/or DNA would be present on recovered victim property.

In his second version, defendant now claimed he had no recollection of the kidnapping but was informed of this by NATALIE BOX after the fact. Defendant acknowledged he "could have" committed the robberies but was unsure due to narcotics use.

In his third version, defendant admitted that on October 5, 2018, he was a passenger in the white SUV, that NATALIE BOX was driving and that they drove around Northeast Minneapolis, made many stops, but did not commit any robberies. In this version, he did not claim that he and NATALIE BOX were kidnapped at gunpoint by two males or that he was forced to touch robbery proceeds.

Officers obtained a search warrant for a buccal swab from defendant. DNA testing is pending on several items, including swabs taken from the recovered white SUV and from the recovered robbery proceeds located inside the vehicle.

At present, defendant is in custody on the other above-referenced charged robbery case. Accordingly, your complainant hereby requests this complaint issue by warrant rather than by summons.
