## STATEMENT OF PROBABLE CAUSE

Complainant has investigated the facts and circumstances of this offense and believes the following establishes probable cause:

On June 2, 2019, Minneapolis Police officers were dispatched to a residence located on the 800 block of 5th Street SE in Minneapolis, Hennepin County, Minnesota on the report of an assault and burglary. Officers spoke with a known adult female, Victim herein, who lives at this residence.

Victim told officers that she fell asleep on her couch in the living room. She was awoken around 5:30 a.m. to an unknown intruder in her home. This intruder was subsequently identified as JORY DANIEL WIEBRAND, DEFENDANT herein. Victim stated that she woke up when she felt Defendant's hand over her mouth and a second hand around her neck. Victim struggled against her attacker until he ran out the front door of her residence. Victim reported that a black wallet containing a small amount of cash and credit cards was now missing from the apartment.

Police processed the scene and found a broken window and shattered glass in Victim's apartment, which Victim reported were not broken when she went to sleep. A garbage can was pushed up underneath the window allowing Defendant to climb into the apartment. The broken window frame and a piece of glass was collected and processed. A latent print suitable for comparison was located on the piece of the broken glass. This print was identified as matching the left ring finger of Defendant.

Defendant was placed under arrest and advised of his rights pursuant to Miranda. Defendant admitted that he burglarized Victim's residence but denied assaulting her.

Two months after this assault and on August 7, 2019, Defendant entered a home that was located only one-and one-half blocks from Victim's address. Defendant gained access to that residence by pushing a stack of plastic chairs under an unlatched window and climbing into the residence. The resident of this address, Victim Two herein, was attacked as she got out of the shower. Defendant grabbed Victim Two from behind putting a hand over her mouth and nose preventing her from breathing. Defendant threw Victim Two onto her bed and digitally penetrated her vagina with his fingers. Victim Two struggled against Defendant, kicked Defendant in the stomach, and was able to see his face. She described her attacker as a white male in his 30s with a shortly trimmed reddish brown beard with acne scars on his face. After Victim Two kicked Defendant, he sprayed her in the face with pepper spray. Victim Two continued to fight, and Defendant fled her apartment. Victim Two was taken to the hospital for a sexual assault exam. Swabbings taken from Victim Two's mons pubis and perineal swabs contained male DNA. Defendant could not be excluded as a contributor to the mixture of DNA on Victim Two's swabs; however, 99.9992% and 99.99998% of the population respectively are excluded. Defendant is charged in a separate complaint with this offense.

Defendant has been linked to nine other sexual assaults, assaults, and burglaries occurring between 2013 and 2020 in this same Minneapolis neighborhood and Anoka County. Additional charges are forthcoming.
