Minimum Sentence: 3 YEARS

## STATEMENT OF PROBABLE CAUSE

Complainant has investigated the facts and circumstances of this offense and believes the following establishes probable cause:

On July 19, 2019, at approximately 5:30 p.m., Minneapolis police officers were dispatched to a report of shots fired in the area of Colfax Avenue N and 30th Avenue N, in Minneapolis, County of Hennepin. While en route, the call was upgraded to an actual shooting.

Upon arrival, officers noticed a white in color Chevrolet Tahoe facing southbound Colfax Avenue N, in front of 2955 Colfax Avenue N. Standing in the front yard of the address was an identified female, who was visibly emotional, crying, and screaming. She pointed to the white Tahoe and stated, "That boy is shot!"

Police observed a subsequently identified juvenile male, hereinafter referred to as "Victim," laying on the street, right next to the passenger side of the Tahoe. Victim had blood coming out of his head, and appeared unresponsive. Officers radioed for EMS and FIRE to respond to the scene.

While waiting for medical to arrive, officers placed Victim onto the grass from the street, and began CPR. Shortly after, Minneapolis Fire Department arrived and provided medical attention. Victim was transported to North Memorial Medical Center where was pronounced dead at 6:55 p.m.

First responding officers met with some identified females at the scene, who described two shooters who were riding bicycles. An identified male (hereinafter "Witness 1"), who lived near the location, stated he was inside his residence when he heard multiple gunshots. He looked outside and saw a black male who appeared to be in his late teens, riding a bike southbound on the sidewalk on the west side of Colfax Avenue N.

Witness 1 saw the male holding a gun and pointing it east across Colfax Avenue North. He stated this suspect never got off his bicycle but, stopped and put his feet down onto the ground when he shot Victim. After shooting the victim, Witness 1 watched the suspect began to bike away from the scene almost "nonchalantly." Witness 1 described a black male, about 6'0 feet tall, slim/toned build, wearing no shirt, white 'do-rag, black shorts, and long, black dreadlocks.

On August 6, 2019, Witness 1 was shown a six person sequential lineup, and identified SHANNON LAVELLE BLACKMAN, DOB 3/20/1996, as the individual he watched shoot Victim.

Once the scene was secure, officers began canvassing the area for any potential witnesses or for anything of evidentiary value. They located numerous discharged cartridge casings (DCC's) laying in the street on the 2900 Block of Colfax Avenue N. Numerous attempts were made to contact residents in the surrounding area, but no one answered their doors.

While canvassing the area, police noticed numerous bullet-holes on the outside of one specific residence on the 2900 block of Colfax Ave N.

Subsequent investigation revealed that the murder was captured on a dash camera video on a vehicle parked down the street. The video captured the shooting from the south. On the video there are two suspects captured on bicycles that go south from 30th Avenue N on Colfax Avenue N. One of the bicycles is in the street. The second bicycle follows south bound on the sidewalk about 10 seconds afterwards. Prior to the bicycles coming southbound, two people can be seen moving around a little north of 2947 Colfax Avenue N.

Through investigation, police were able to identify the two people near 2947 Colfax Avenue N as the victim, and a friend of his, hereinafter referred to as "Witness 2."

Police spoke with Witness 2, who admitted knowing the two shooters on the bicycles. Witness 2 identified one of the shooters as a male known to him as "Suspect," later determined to be ANDRE NMN OWNES, DOB 02/07/99. Witness 2 confirmed knowing OWENS both through OWENS' Facebook page as well as a booking photo. Witness 2 said that he did not see the gun directly but saw OWENS on the bicycle with a fanny pack around his shoulder and he was reaching into the fanny pack just before the shooting.

Witness 2 also said that "Shannon," was the second shooter on the bicycle. Witness 2 identified "Shannon," by pulling up a Facebook account for SHANNON LAVELLE BLACKMAN. Witness 2 said that he saw a gun in BLACKMAN's right hand resting on the handlebars of the bicycle.

The aforementioned dash camera video supported the description of events as provided by Witness 2.

Investigators learned that another similar shooting had been reported at 3:23 p.m. on July 19, 2019, just prior to this murder. No one had been hit, but responding officers spoke with the individuals who claimed to have been the targets of the shooting. They said that they were shot at by two people riding bikes, and identified one of them as someone they knew by his street name, "Suspect" (ANDRE OWENS).

The DCC's from the 3:23 p.m. shooting have been confirmed to have been fired by the same 40 caliber handgun that left the DCC's at the scene of victim's murder. The 40 caliber DCC's from this scene were in the area that OWENS rode his bicycle through.

BLACKMAN has a substantial criminal history, including crimes of violence. He was convicted of Burglary, Second Degree on May 20, 2017 (MNCIS No. 10-CR-18-64), and as such is prohibited from possessing firearms. He has a prior conviction for possessing a firearm from July 14, 2014 (MNCIS No. 27-CR-14-19221).

OWENS also has a substantial criminal history, including an adjudication for Aggravated Robbery, First Degree from January 6, 2016 (MNCIS No. 27-CR-16-146). As such, he is prohibited from using or possessing firearms.

OWENS was arrested on Thursday, August 15, 2019. In a post-Miranda, recorded interview, he admitted to being one of the individuals who was shooting at the victim. He would only identify the other shooter as, "Shannon," and would not state his last name.

OWENS is currently in custody.
