Title: Apartment Cleaning and Key Return Chain of Custody 1-29-2019

Created By: Christofer

Nybeck

**HENNEPIN COUNTY SHERIFF'S OFFICE
INVESTIGATIVE REPORT**

SYNOPSIS:

This report pertains to the cleaning of 2760 Louisiana Ct #7 St. Louis Park, MN and the return of both keys for this apartment to Jacob Flaschenriem on 1-29-2019. Additionally this report details a follow up unrecorded phone conversation with Mylee Jane Workman DOB 7-8-1981 via cell phone number 763-219-2183 with Det. Nybeck after the apartment was cleaned. Refer to all reports and attachments in this case file for greater details.

OFFICERS INVOLVED:

From the Hennepin County Sheriff's Office Investigative Division: Det. Nybeck

NARRATIVE:

On 1-29-2019 and at approximately 8:44am Det. Nybeck met with Flaschenriem and took possession of a key fob that would allow access into 2760 Louisiana Ct. Det. Nybeck was advised by Det. Nestrud that Flaschenriem was the building manager for this apartment complex. At this time Det. Nybeck turned over one key that would allow building management access into apartment #7 (Workman's apartment) for this address. Flaschenriem subsequently signed the chain of custody form for this apartment key.

At approximately 8:45am Det. Nybeck met with Restoration Contractors. Det. Nybeck entered 2760 Louisiana Ct #7 with Restoration Contractors and escorted them to the left rear bedroom for this apartment. At this time Det. Nybeck showed Restoration Contractors what needed to be cleaned.

At approximately 9:15am Det. Nybeck was advised by Restoration Contractors that their work inside apartment #7 was completed and that they were ready for an inspection of their work. Det. Nybeck proceeded to enter and visually inspect apartment #7. Det. Nybeck observed that there did not appear to be any signs of damage or need for additional clean up in the left rear bedroom in apartment #7. Det. Nybeck observed a red stain on the floor in the left rear bedroom but was advised that this observed stain was between the wood and the floor's coating (pre-existing). Det. Nybeck further observed a red discoloration in the entry by the front door but was able to determine that it was not related to the incident from 1-19-2019.

After the inspection of apartment #7 Det. Nybeck locked the front door for the apartment and met again with Flaschenriem and turned over the second door key for apartment #7 to him. Flaschenriem again signed for the second door key for this apartment. Flaschenriem's signature is on the chain of custody form. The chain of custody form for both front door keys for apartment #7 is attached to this case file for evidentiary value.

At approximately 9:55am Det. Nybeck contacted Workman via cell phone 763-219-2183 and advised

her that she can enter apartment #7 at her convenience and take whatever possessions she chooses. Workman was advised that Flaschenriem has possession of both apartment keys and that she will need to contact him to arrange a time to take possession of one of the two apartment keys. Det. Nybeck provided Workman with Flaschenriem's name and contact number (763-221-4236).

Workman asked Det. Nybeck about specific details regarding the overall investigation. Workman was advised that by Det. Nybeck that he cannot speak about it in any detail. Det. Nybeck advised Workman that the investigation is still ongoing and that it will be reviewed by the Hennepin County Attorney's Office at a later time. Workman thanked Det. Nybeck for having apartment #7 cleaned and informing her that she could now enter the apartment. Workman stated that she will be discontinuing payment on her personal phone that is now in possession of Law Enforcement and that she wanted to let Det. Nybeck know this so that Law Enforcement does not think she is being "difficult". Workman further stated that "Matthew" (Matthew Neil Tuhkanen DOB 8-4-1983) often texted her personal phone from multiple phone numbers and that it may be difficult to discern which text messages came from him. Workman further stated that "Matt's" text messages may indicate that he was suffering from mental illness and psychological problems.

Workman acknowledged the red stain on the floor in the left rear bedroom and on the floor in the entry way. Workman stated that both stains were present when she initially began to rent to apartment and both stains were documented by management at that time.

Prior to the end of this phone call Det. Nybeck advised Workman to call him should she have any questions or issues when she returns to her apartment.

Title: Review of BCA Records of Officer Heffernan on 1-19-2019

Created By: Christofer Nybeck

**HENNEPIN COUNTY SHERIFF'S OFFICE
INVESTIGATIVE REPORT**

SYNOPSIS:

This report pertains to the review of BCA (Bureau of Criminal Apprehension) data for the MyBCA (DVS) search of "Matthew Neil Tuhkanen DOB 8-4-1983" by Officer Sam Heffernan on 1-19-2019. Refer to all reports and attachments in this case file for greater details.

OFFICERS INVOLVED:

From the Hennepin County Sheriff's Office Investigative Division: Det. Nybeck

NARRATIVE:

On 2-12-2019 Det. Nybeck requested all of the documented MyBCA searches for "Matthew Neil Tuhkanen DOB 8-4-1983" on 1-19-2019 from the BCA. Upon receipt of this requested data from the BCA Det. Nybeck could not identify who had searched for Tuhkanen on MyBCA on 1-19-2019 based upon the data provided by the BCA.

Det. Nybeck then requested via email that the BCA specifically identify if "Officer Sam Heffernan of the St. Louis Park PD" conducted any MyBCA searches for Tuhkanen on 1-19-2019. In a responding email from the BCA Det. Nybeck was informed that Officer Heffernan did not conduct any searches for Tuhkanen on 1-19-2019.

A copy of the email correspondences between the BCA and Det. Nybeck, along with the original data provided by the BCA to Det. Nybeck, are attached to the case file for evidentiary value.

I was able to run the subject's name in an offline search for the date requested, and 41 results were returned. It appears that the majority of the results back show the servers bouncing off of one another for information. It looks like St. Louis Park PD input the subject's information for a criminal history and a permit to carry query on 01/19/2019. Those queries appear to have been run by Operator #0272100JIM1 at their "SLR" device with St. Louis Park PD, per the offline results attached. I had our state program administrator search that specific operator number and the results are attached.

Created By: Christofer Nybeck

**HENNEPIN COUNTY SHERIFF'S OFFICE
INVESTIGATIVE REPORT**

SYNOPSIS:

This report pertains to the identification of the cell phone numbers used by Officer Heffernan of the St. Louis Park Police Department, Mylee Jane Workman DOB 7-8-1981 and Matthew Neil Tuhkanen DOB 8-4-1983. Signed subpoenas for Call Detail Records (CDRs) will be submitted to each respective cell phone carrier for the above listed individuals upon signature by the Hennepin County Attorney's Office. Refer to all reports and attachments in this case file for greater details.

OFFICERS INVOLVED:

From the Hennepin County Sheriff's Office Investigative Division: Det. Nybeck

NARRATIVE:

On 2-13-2019 Det. Nybeck learned from Jason Heilman from Computer Forensics Services that Workman's cell phone number is 763-237-4926 and on 2-14-2019 Det. Nybeck learned from Jason Heilman that Tuhkanen's cell phone number is 612-384-3350.

Title:Chain of Custody and Review of Phone Extraction Data on 3-21/3-22-2019

**HENNEPIN COUNTY SHERIFF'S OFFICE
INVESTIGATIVE REPORT**

SYNOPSIS:

This report pertains to the chain of custody for evidence items #29-31 and #6 on 3-21-2019 by Det. Nybeck. Additionally this report pertains to the review of phone extraction data for evidence items #29 and #30 by Det. Nybeck on 3-22-2019. Refer to all reports and attachments in this case file for greater details.

OFFICERS INVOLVED:

From the Hennepin County Sheriff's Office Investigative Division: Det. Nybeck

NARRATIVE:

On 3-21-2019 Det. Nybeck signed for and took possession of evidence items #29-31 and #6 from Computer Forensics Services (CFS) located at 601 Carlson Pkwy #1250 Minnetonka, MN. At this time Det. Nybeck was notified by Jason Heilman of CFS that they were not able to extract data on evidence items #6 and #31. Heilman stated that an extraction was successful on evidence item #29 (Mylee Workman's phone) and the SD card for evidence item #30 (from Officer Heffernan's work cellular phone). Heilman stated that the retrieved data from these two items are stored on the accompanying CDs (2x) provided to Det. Nybeck along with the evidence items. The two CDs are attached to the main case file for evidentiary value.

Det. Nybeck transported the above listed items of evidence directly to the locked and secured Hennepin County Sheriff's Office Crime Lab for permanent storage. A copy of CFS' chain of custody form and Hennepin County Sheriff's Office Crime Lab forms are attached to the main case file for evidentiary value.

On 3-22-2019 Det. Nybeck reviewed the CDs provided by CFS. Both CDs are identical. In review of the data from Officer Heffernan's SD card from his work cellular phone Det. Nybeck did not observe any data (calls, text messages, emails, pictures, etcetera) from 2019. The data observed related to Officer Heffernan was for pictures of the a female, random pictures with humorous captions (work and social) and the posting of items for sale.

In review of Workman's data included on the same CD Det. Nybeck observed random pictures of Matthew Neil Tuhkanen DOB 8-4-1983 and a young child in what appeared to be Workman's apartment located at 2760 Louisiana Ct #7 St Louis Park, MN. These pictures were dated 1-6-2019 and 1-17-2019. Det. Nybeck was able to review the call log of Workman's cellular phone on 1-19-2019 and observed that Workman was in repeated contact with a phone number she identified as "Tuhkanen" beginning on 1-18-2019 at approximately 7:03pm to 5:53pm on 1-19-2019. Additionally Workman's cellular phone called Emergency 911 at 5:02pm and 5:09pm on 1-19-2019. After these

Title: Summary report of investigative measures taken during this investigation

HENNEPIN COUNTY SHERIFF'S OFFICE INVESTIGATIVE REPORT

SYNOPSIS:

This report is a summary report of all investigative measures taken by the Hennepin County Sheriff's Office Investigative Division as a result of the investigation for the death of Matthew Neil Tuhkanen DOB 8-4-1983 at 2760 Louisiana Ct #7 St. Louis Park, MN on 1-19-2019. Additionally this report will summarize the facts and action of responding Law Enforcement Officers prior to the death of Tuhkanen. Refer to all reports and attachments in this case file for greater details.

OFFICERS INVOLVED:

From the Hennepin County Sheriff's Office Investigative Division: Det. Nybeck

NARRATIVE:

On 1-19-2019 the St. Louis Park Police Department received an emergency 911 call from Mylee Jane Workman DOB 7-8-1981 regarding a verbal domestic she was currently having with her boyfriend Matthew Neil Tuhkanen DOB 8-4-1983 while inside her apartment 2760 Louisiana Ct. #7. As a result of Workman's 911 call multiple Officers of the St. Louis Park Police Department arrived at this address to handle this call. Responding Officers were unsuccessful in finding Tuhkanen since he had departed Workman's apartment and hid from Officers prior to their arrival.

Shortly after the initial Officers departed Workman's residence and apartment building, the St. Louis Park Police Department received a second emergency 911 call from Jessica Marie Stillday DOB 3-7-1981. Stillday is also a resident at 2760 Louisiana Ct. but in apartment #8 which is directly across the hall from Workman's apartment. Stillday had informed the St. Louis Park Police Department that Tuhkanen had returned to Workman's apartment, was currently inside arguing with Workman again and that he had active arrest warrants. Based upon this information Officers returned to Workman's apartment. Officers were aware of the previous call by Workman less than an hour earlier regarding Tuhkanen, Tuhkanen's noted mental health issues and Tuhkanen's active arrest warrants.

Officers arrived for the second emergency 911 call and initially spoke to Workman. At this time Workman advised Officers that Tuhkanen was in the back bedroom of her apartment. The Officers that then entered Workman's apartment were Officers Peek, Smith, Pacholke and Heffernan. These Officers conducted a systematic search of Workman's apartment for Tuhkanen beginning at the apartment's front door and ending at the back northeast bedroom where they encountered Tuhkanen. As Officers were making their way through Workman's apartment they were verbally identifying themselves and their intentions.

Officers then entered the rear northeast bedroom with Officer Peek entering first followed by Officer Heffernan, Pacholke and then Smith. Officer Peek first observed Tuhkanen in the rear southeast corner of this bedroom behind a dresser that ran along the south wall of this room and to the south of a bed that ran along the east side of the room's wall. Officers were staged diagonally, and at time in a

half moon circle, in this bedroom in an attempt to keep Tuhkanen in this area so he could be controlled and taken into custody. Upon entry all Officers had their assigned Tasers out, activated and pointed at Tuhkanen with the exception of Officer Heffernan who had his assigned firearm out and pointed at Tuhkanen. At some point in Law Enforcement's encounter, Officer Pacholke holstered his Taser and was ready to engage Tuhkanen with his hands if needed. Officers stated they did not engage Tuhkanen with their Tasers because of the clothing he was wearing. Tuhkanen was wearing loose fitting heavy clothing that would not allow for successful Taser deployment.

Because of Tuhkanen's location in this room and that the dresser and bed blocked their complete view of Tuhkanen, Officers could not see what was to Tuhkanen's left side and what was below his mid thigh area. Officers observed that Tuhkanen was in an emotionally volatile state, spoke in a loud aggressive tone, moved his body randomly and quickly and did not listen to Officers commands. Officers stated they repeatedly provided Tuhkanen with explanations as to why there were there (arrest warrants) and what they expected him to do (comply with his arrest). Officers stated that Tuhkanen repeatedly moved his hands over and under his clothing despite Officers commands to comply with their orders. Tuhkanen was informed that if he does not show his hands he would be shot. Shortly after this statement to Tuhkanen was made, Officers stated that Tuhkanen quickly reached down and to his left, which was out of view of all Officers present, and was shot three times by Officer Heffernan. Officers stated they were between 4-10ft from Tuhkanen while in this bedroom.

After Officer Heffernan fired his service weapon Officers immediately notified emergency 911 what had occurred and requested medical assistance. Officers also proceeded to administer life saving techniques until EMS could arrive. Shortly after EMS arrived Tuhkanen was pronounced dead.

Officers Peak, Heffernan, Pacholke and Smith were escorted back to the St. Louis Park Police Department with escort Officers. The Hennepin County Sheriff's Office Detective Unit and Crime Lab responded to 2760 Louisiana Ct. #7 and the St. Louis Park Police Department. A search warrant was drafted for this address by the Detective Unit and Crime Lab. As the execution of the search warrant was occurring other Detectives conducted digitally recorded interviews of Workman and Officers Smith and Pacholke at the St Louis Park Police Department. Officer Peek provided a follow up digitally recorded interview with Detectives on 1-22-2019. Officers Peek, Pacholke and Smith provided follow up digitally recorded interviews on 2-21-2019 and 2-15-2019 (Smith and Pacholke) respectively. Officer Heffernan provided a written and follow up statements to Detectives on 2-5-2019 and 2-14-2019.

Detectives conducted digitally recorded interviews with all tenants of 2760 Louisiana Ct who were present on 1-19-2019 and a tenant of 2759 Louisiana Ct on 1-30-2019.

Included in this case file is the outdoor video surveillance for 2760 Louisiana Ct on 1-19-2019, all responding Law Enforcement agency reports and CAD notes, St. Louis Park Police Department Use of Force policies and training files for Officers, documented medical and incarceration histories for Tuhkanen and phone reports for the cell phones of Workman, Tuhkanen and Officer Heffernan.

All of the above listed interviews, reports and collected evidence are attached to this case file for evidentiary value and can be reviewed based upon the table of contents.

Title: Assisting officer report - S. Tomasko #613 20190123

Created By: Steven Tomasko

I, Deputy S. Tomasko #613 was assigned to the Hennepin County ESD (Patrol) Division on 01-19-2019 from 1800-0600.

At approximately 1815 I responded to an officer involved shooting at 2760 Louisiana Court in St. Louis Park MN.

Upon arrival I assisted with monitoring the rear entrance for building 2760 Louisiana Court. While assigned to the rear door of the building no persons made entrance to the building or exited the building through the door.

At 1910 I was asked by SLP Sgt. Nadam if I could take over the sign in sheet for apartment #7. I maintained the log for apartment #7 from 1910-1954. During my time at the door for apartment #7 I checked in one officer, Sgt. B. Lusignan from the Hennepin County Crime lab at 19:27.

At 1954 I was relieved of my duties from apartment #7 by a SLP Officer. I then cleared from the scene of the officer involved shooting.

Title: Securing of Residence and response to incident scene Sgt Gottwaldt

Created By: Nabil

Gottwaldt

**HENNEPIN COUNTY SHERIFF'S OFFICE
SUPPLEMENTAL REPORT**

SYNOPSIS:

Securing the residence and scene at 2760 Louisiana Court, #7, and response to the incident scene.

NARRATIVE:

On 01/19/2018, I, Sgt. Bill Gottwaldt responded to the above residence to assist in the Death Investigation and Officer Involved Shooting, arriving a few minutes before 8:00 PM. I met at the scene with St. Louis Park Lt. Mikael Garland and Sergeant Balvin. I learned the shooting occurred around 6:16 PM, and their officers had been called twice that night, initially for a Domestic, and then returned after a neighbor reported the male suspect, later identified as the decedent Matthew Neil Tuhkanen, DOB 08/041983, had returned to the residence. Lt. Garland provided me a copy of their call history for that evening related to the call. (Refer to the attached for further details.)

I learned the involved officer who reportedly fired his service weapon along with three witness officers were already at St. Louis Park PD. I learned the woman and initial reporting party that lived at the residence were also at their police department. I learned that a neighbor who had called in to police to report that (Tuhkanen) had returned to apartment #7 is likely still in her apartment across the hall. I learned that officers have been keeping a log and controlling access into the apartment and later received the two original Crime Scene Logs.

I had HCSO detectives interview the neighbor who had called police and canvass and interview everyone in the apartments in the building. See the Detective reports for further details.

A search warrant was obtained for the residence, and the scene was processed by HCSO Detective, HCSO Crime Lab Investigators, and the Hennepin County Medical Examiners, and evidence was collected. See other reports for further details.

With the assistance with HCSO Crime Lab Investigators, they closed and with evidence tape sealed the bedroom in the apartment where the deceased had been located.

St. Louis Park Officer A. Forsman, who had been keeping the Crime Scene Log while I was there cleared at 1:31 AM when Crime Lab Investigators, and other detectives and myself were done in the residence. Officer Forsman turned over the logs to me. It appears an earlier log was begun by Officer Tim Olson of Minnetonka PD, until the log was transferred to Officer Forsman. It should be noted that Officer Forsman was writing down people allowed into the hallway outside of the apartment while also documenting who actually entered apartment #7 or the scene. (See attached)

Through assistance with St. Louis Park PD, I previously was able to contact Jacob Flaschenriem, a manager of the apartments for Perspective, Inc. I advised him we needed to secure the residence and change the locks to control access after we leave the scene. He identified himself to me as Louis Jacob Flaschenriem, DOB 05/25/1975, of 3381 Gorham Avenue, St. Louis Park, MN 55426, phone # 763-221-4236. He assisted in arranging for Floyd Security to come out and change the locks on the

apartment.

I met the locksmith from Floyd, Craig Deforge at the residence at approximately 1:40 AM. After about 10 minutes he changed the apartment lock, and provided me both keys for the lock, and the old lock. I locked the residence, and placed evidence tap in the upper left-hand corner of the door. Later that night/morning I turned over the keys and the old lock to Detective Nybeck.

The facts establishing the grounds for issuance of a search warrant are as follows:

Your affiant, Detective Christofer Nybeck, is a licensed law enforcement Detective with the Hennepin County Sheriff's Office and has been a licensed law enforcement officer since 2002. Your affiant has been assigned as an investigator within the Hennepin County Sheriff's

Application Page 2 - 4

Office continuously since September of 2005. While in the capacity of an investigator, your affiant has investigated numerous crimes that have led to the arrest and convictions of numerous suspects at the State and Federal levels in the Criminal Justice System. Additionally, your affiant has continuously attended and successfully passed numerous law enforcement schools designed for investigators since 2005.

Your affiant was assigned as the on call Detective in Hennepin County on 1-19-2019. While in this capacity your affiant has been assigned the death investigation of Matthew Neil Tuhkanen DOB 8-3-1984 on this above listed date.

Your affiant has learned the following from speaking with law enforcement officers. This affidavit does not contain all known facts related to this investigation. This affidavit contains a summary of the known facts related to the application of this affidavit.

At approximately 5:03pm on 1-19-2019 Law Enforcement Officers were dispatched to 2760 Louisiana Court apartment #7 in relation to an Emergency 911 call for a verbal domestic. Law Enforcement Officers were familiar with this address and were aware that Matthew Neil Tuhkanen DOB 8-4-1983 resided at this address through previous Law Enforcement contacts. Additionally, Law Enforcement was aware that Tuhkanen had two outstanding misdemeanor arrest warrants. Law Enforcement Officers were further aware that Tuhkanen has a history of violent behavior and mental illness(es).

Upon arrival at this address Tuhkanen fled the apartment and Law Enforcement Officers to an unknown location inside the apartment complex for 2760 Louisiana Court. Law Enforcement Officers were not able to locate Tuhkanen for approximately 39 minutes and subsequently departed the address without contacting Tuhkanen.

At approximately 5:57pm on the same date Law Enforcement Officers received a second Emergency 911 call for 2760 Louisiana Court apartment #7 related to a possible domestic assault in progress.

At approximately 6:12pm Law Enforcement Officers arrived at this address and encountered Tuhkanen inside apartment #7. At this time Law Enforcement aird to Dispatch that Tuhkanen was non compliant.

At approximately 6:16pm Law Enforcement aird "shots fired" to Dispatch. Law Enforcement subsequently requested Emergency Medical Services to this address.

At approximately 7:22 pm your affiant arrived at 2760 Louisiana Court apartment #7. Your affiant subsequently entered apartment #7 and viewed the inside of this apartment to include the back left bedroom. In the back left bedroom your affiant observed a white male identified as Matthew Neil Tuhkanen DOB 8-3-1984 laying on his back with what appears to be two gunshot wounds to his abdomen. Additionally your affiant was able to observe in

Application Page 3 - 4

plain view two spent firearm casings.

Your affiant subsequently learned that one Law Enforcement Officer had fired their service weapon inside apartment #7 during their encounter with Tuhkanen.

Your affiant has subsequently learned from assisting Law Enforcement Officers that a witness overheard Tuhkanen and another occupant of apartment #7 discussing the possession of methamphetamine inside apartment #7 prior to the second arrival of Law Enforcement earlier today.

In order to process, document and investigate Tuhkansen's death scene your affiant is requesting a nighttime search warrant be issued for 2760 Louisiana Court apartment #7 St. Louis Park, MN and for the body of Matthew Neil Tuhkanen DOB 8-4-1983 to search for all items listed within the scope of this search warrant.

Title: Heffernan phones - 013019 - Detective S. D. Braun #151

Created By: Stacy Braun

**HENNEPIN COUNTY SHERIFF'S OFFICE
INVESTIGATIVE REPORT**

SYNOPSIS:

Death investigation in the City of St. Louis Park.

OFFICERS INVOLVED:

Detective Stacy D. Braun #151, Hennepin County Sheriff's Office Investigative Division.

NARRATIVE:

On 011919, I, Detective S. D. Braun #151, was tasked with retrieving the work and personal cellular telephones from Heffernan, Sam at his residence. I rode with Officer Erickson, Jacob of the St. Louis Park Police Department to Heffernan's residence. I was told that arrangements were made for Heffernan to transfer custody of the phones to me.

Officer Erickson and I arrived at Heffernan's residence. Erickson contacted Heffernan and informed him that we were there. The garage door to Heffernan's residence opened. I exited Erickson's squad and met Heffernan in the garage. Heffernan had two phones in his hands. I asked Heffernan if he would like a receipt for his phones and he stated that he did. Heffernan handed me the phones. I was able to identify one phone as an iPhone and the other as an Android phone. I asked Heffernan if there were passcodes for the phones. Heffernan stated that the passcode for the iPhone, his departmental issued phone, was 286286. Heffernan went on to say that the Android phone, later identified as a Samsung Galaxy S8 plus and his personal phone, was a pattern. Heffernan showed me on the screen what the pattern was. I documented the pattern on a blank consent to search form that I was going to complete for Heffernan to sign. Heffernan asked if he could call his attorney and I responded in the affirmative. Heffernan took his phones, which were on the trunk lid of a car, and walked to the interior of the garage. Heffernan was on the phone within view of me, but I was not able to hear his conversation. Heffernan returned to the front of the garage where I was and indicated that under the advice of his attorney, he was not going to surrender either his departmental issued phone or his personal phone.

I contacted Lieutenant Lunde of the Hennepin County Sheriff's Office and informed him of the situation. Lunde stated that he would pass the information on and get back to me. I told Heffernan that I would be waiting for direction from my supervisors. Heffernan acknowledged my statement. I instructed Heffernan not to erase anything from either phone and that I would be awaiting instructions. Heffernan stated that he would wait in his house and that he would not erase anything from either phone. I retreated to the St. Louis Park squad with Erickson.

After a period of time, I was told that our office was working on securing a search warrant for Heffernan's personal phone and that Heffernan was going to surrender his departmental issued phone to Erickson. Erickson did retrieve Heffernan's work phone.

Detective McLouden arrived at Heffernan's residence. I exited Erickson's squad and entered McLouden's squad.

I was told a search warrant had been secured and that Detective Nestrud would be delivering it. I

contacted Heffernan's attorney and asked him to alert Heffernan that a search warrant had been secured for his personal phone and when the search warrant physically arrived I would be coming to his door to secure his personal phone. Detective Nestrud arrived with the search warrant. Nestrud, McLouden and I went to the door of Heffernan. Heffernan answered the door, was given a copy to the search warrant and surrendered his personal phone. Nestrud, McLouden and I cleared ourselves from the Heffernan residence.

**HENNEPIN COUNTY SHERIFF'S OFFICE
INVESTIGATIVE REPORT**

SYNOPSIS:

This incident pertains to a death investigation in the city of St. Louis Park.

NARRATIVE:

On January 19, 2019, I, Det. Diane Nelson, interviewed Mylee Workman regarding an officer involved shooting in the city of St. Louis Park. Workman said that she had been texting with Matthew Tuhkanen throughout the day. I asked Workman if she would voluntarily give me her phone so that it could be forensically examined. She said that we could "absolutely" take her phone if it would help the investigation.

I received the cell phone from her and turned it to "airplane mode". The cell phone was a silver-colored LG phone with a cracked screen. Workman said that the code for the phone was 2422. Title: Evidence Report - Detective Hopkins

Created By: Michael Hopkins

**HENNEPIN COUNTY SHERIFF'S OFFICE
INVESTIGATIVE REPORT**

SYNOPSIS:

This report pertains to the evidence chain of custody of a cell phone belonging to Mylee Workman

OFFICERS INVOLVED:

Detective Hopkins

NARRATIVE:

On 01/20/2019 I, Detective Hopkins, took possession of a cell phone, described as a silver LG smartphone (**item #29**), from Detective Nelson at approximately 0045 hours at the Saint Louis Park PD. The cell phone owner, identified as **Mylee Jane Workman DOB 07/08/1981**, voluntarily gave the cell phone to Detective Nelson.

At approximately 0115 hours, I left the Saint Louis Park PD headquarters and drove to the locked and secured HCSO Investigative Division Headquarters. At approximately 0130 hours I placed the phone inside a locked digital evidence processing room within the Investigative Division to be stored pending a search warrant.

On 01/23/2019 at approximately 0900 hours, I retrieved a cell phone, (**item #6**), from the HCSO Crime Lab Unit. This cell phone was found in the bathroom of 2760 Louisiana Court unit #7 pursuant to a search warrant. I transported the cell phone to the HCSO Investigative Division. I opened the evidence bag to inspect the phone for make and model information to assist in drafting a search warrant. I discovered the cell phone was a silver and black ANS smartphone. I repackaged the item and placed it in a temporary storage locker within the locked and secured evidence room pending a search warrant.

On 01/29/2019 I transported the following items to Computer Forensic Services (CFS) located at 601 Carlson Parkway Suite 1250:

Item 6: ANS Smartphone found at 2760 Louisiana Court #7

Item 29: LG MP450 Smartphone

Item 30: SLPPD Department issued Apple iPhone

Item 31: Samsung Galaxy S8+ smartphone

At approximately 1245 hours, I transferred custody of the evidence items to CFS employee Bill Michael. I uploaded the CFS Evidence Receipt and evidence chain of custody forms to the case file.

Prior to transporting the items to CFS I attempted to confirm that the password or passcode patterns for items 30 and 31 were correct. I learned from Detective Braun that Officer Heffernan supplied him with a password or passcode pattern for each phone. I tried the passcode supplied by Officer Heffernan, 286286, on the SLPPD department issued iPhone (**item #30**) but the password was incorrect. I attempted the passcode pattern supplied by Officer Heffernan on the Samsung Galaxy S8+ smartphone (**item #31**), but the device prompted me to enter a number password rather than a

pattern.

Title: Video Collection and Review Apartment Bldg - Nestrud

Created By: Aaron Nestrud

**HENNEPIN COUNTY SHERIFF'S OFFICE
INVESTIGATIVE REPORT**

SYNOPSIS:

This report pertains to the collection and review of video from the apartment building located at 2760 Louisiana Court #7, St. Louis Park, MN.

OFFICERS INVOLVED:

From the Hennepin County Sheriff's Office Investigative Division: Det. Nestrud

NARRATIVE:

On 1-22-2019 I, Det. Nestrud was tasked with contacting Perspectives. Perspectives is the management company for the apartment building located at 2760 Louisiana Court. I contacted Cheryl Cochrane, the Chief Financial Officer for Perspectives who advised me that the above address does have video showing both entrances. On 1-22-2019 I made arrangements with Cochrane and she advised me that they could download the video surrounding the time frame this investigation covers if I could provided them with a USB drive. I drove to Perspectives address located at 3381 Gorham Avenue, St. Louis Park and dropped off a USB drive with Cochrane. Cochrane advised me that the video would be downloaded and she would advise when it could be picked up.

On 1-23-2019 I was contacted by Cochrane who confirmed the video was successfully downloaded to the USB drive and was available for pickup. I drove to Perspectives address and took control of the USB drive with the video. I brought the USB drive back to the locked and secure storage of the Hennepin County Sheriff Investigative Offices located at 701 4th Ave S, Minneapolis.

On 1-23-2019 I began a review of the contents of the USB drive. The USB drive contained two video files and were labeled as follows 1) 2760 Back Door_20190119_160000 & 2) 2760 Front Door_20190119_160000. After reviewing the video no date or times were noted on the video. I then contacted Perspectives again and requested they check and see if they could download the video with date and times. On 1-29-2019 I was once again contacted by Cochrane who advised that they were able to download a video showing the date and time. The files were then downloaded to the USB drive. This time the USB drive contained 5 files.

The file names are as follows:

1. 2760 Front Door_20190119_160012
2. 2760 Back Door_20190119_160000
3. S2NetVRPlayer
4. 2760 back door log
