PROBABLE CAUSE STATEMENT

Your Petitioner is an Assistant County Attorney. In that capacity, Petitioner believes the facts and circumstances recited below establish probable cause:

On November 17, 2020 at approximately 9:21 p.m. Champlin police were dispatched to 11430 Jefferson Court North in the city of Champlin, Hennepin County, Minnesota on a call of a robbery of the Holiday gas station. Upon arrival, officers spoke with victim J.G., an employee who stated that he was robbed by 4 black males.

J.G. reported that one of the suspects came up to the counter and asked about tobacco products. At the same time, a second male walked behind the counter and held a gun to him and demanded he open the register. J.G. reported that four males were involved and two had guns. J.G. reported that the suspects took money as well as tobacco products before leaving. The store manager reported that the suspects took a total of \$217.07 in cash and tobacco products.

Officers were able to watch video surveillance of the robbery and observed four male suspects. The video shows the first suspect walk behind the counter and produce a handgun as two other suspects also come behind the counter. The fourth male stays in front of the counter but all four reach into the cash drawer to grab money. Two males also take tobacco products before they leave.

Investigators reviewed the video to identify the suspects. The first male was wearing a black jacket and black sweatpants with a shark mouth on the front. This male can be seen walking behind the counter and pointing a handgun at J.G. The male was later identified as Rashad Odell Collins, Respondent herein. The second male was wearing a black jacket, red sweatshirt, black hat and blue jeans with a retractable keychain lighter. The male can be seen putting a gun into his pocket. This male was later identified as E.W. The third male was wearing a dark puffy jacket, grey sweatshirt, blue jeans and black shoes. This male was later identified as A.K. The fourth male was wearing a black jacket with white stripes on the arms, black pants and black shoes. This male was later identified as Q.T.

Investigators reviewed surveillance video from several nearby businesses. Video surveillance from the Mann Theatre shows a gold colored van drive toward the gas station a few minutes before the robbery, and then away after. A license plate cannot be seen on the van. Investigators determined that a gold Toyota Sienna with Minnesota plate MLH958 had been stolen from Brooklyn Center in the morning of November 17, 2020. The van was later located at 3601 Upton Avenue. The van was processed and one latent print from the driver's side interior door matched E.W. A second latent print from the rear-view mirror of the van matched Q.T. A black face mask with a red broken heart was found in the van.

Investigators were aware of a rash of gas station robberies in the area with a similar pattern involving young black male suspects wearing the same clothing. On November 17, 2020 at approximately 10:15 p.m. three suspects robbed a Speedway gas station in Brooklyn Park. On November 18, 2020 at 10:30 p.m. three suspects robbed a Holiday store in Brooklyn Park in which the suspects shot a clerk. On November 19, 2020 at approximately 12:10 a.m. a gas station was robbed at gunpoint in White Bear Lake. On November 19, 2020 at approximately 2:45 a.m. three suspects robbed a Holiday gas station in Golden Valley. The countertop of the Holiday store in Golden Valley was processed and a latent print on the counter next to the register matched Respondent.

Investigators reviewed social media including Facebook and located several accounts showing possible suspects. Investigators observed in the social media posts photographs of the suspects in the robberies wearing some of the same clothing observed in the surveillance videos including pants with a shark mouth and a face mask with a broken red heart on a page for Respondent. Investigators simultaneously requested warrants to trace social media and cell phone numbers associated with the suspects.

Based on the investigation results, investigators from several law enforcement agencies executed search warrants at three homes on December 17, 2020. When the search warrant was executed at 36XX Queen Avenue North officers found Respondent and Q.T. Officers located items of interest, including a pair of black Nike shoes with colors fading orange to yellow/green, jeans with colorful patches, a black Nike jacket with reflective stripes around the biceps, a blue jacket with red and white USA, black Nike shoes with white bottoms, a .38 Taurus revolver, a BB gun that looked like a real gun, and ammunition.

During the search of 55XX 32nd Avenue North officers located E.W. Items of interest were collected including a black jacket with blue lapels, red hooded sweatshirt, two BB guns and several bullets. During the search warrant at 35XX Thomas Avenue North officers found A.K. Items of interest were collected including loose ammunition, a BB gun, and both the license plates MLH958 for the stolen van.

Investigators interviewed the three arrested suspects. In a post-Miranda interview, E.W. admitted his involvement in 5 different robberies, including the one on November 17, 2020 at the Holiday station in Champlin. Officers showed E.W. images from the Champlin robbery and E.W. identified himself as the male in the black jacket with the red hooded sweatshirt, Q.T. as the male in the black Nike jacket with white stripes on the biceps. E.W. identified Respondent as the male in the black puffy coat with the shark pants, and A.K. as the male in the dark coat with grey hoodie. E.W. stated that the gun he used in the robberies was provided by Respondent. E.W. admitted to being in the stolen van when it was pursued by officers and stated that Q.T. was driving. E.W. stated that Q.T. was the one who shot the clerk in Brooklyn Park. E.W. stated he did not intend for anyone to get hurt in the robberies.

In a post-Miranda interview, Q.T. admitted that he lives at 36XX Queen Avenue North and that he stays in two bedrooms. Q.T. acknowledged a photograph from Facebook is him in the USA jacket. Q.T. stated he shares clothes with friends.

The offense enumerated in Count 1 is a presumptive prison offense.

PURSUANT TO M.S. 260B.125, THE STATE IS MOVING, BY SEPARATE MOTION, THAT THIS PROCEEDING BE CERTIFIED TO THE DISTRICT COURT FOR ACTION UNDER THE CRIMINAL LAWS.
