STATEMENT OF PROBABLE CAUSE

Complainant has investigated the facts and circumstances of this offense and believes the following establishes probable cause:

On April 11, 2023, Brooklyn Park Police Department officers responded to a shooting incident which occurred at approximately 4:34 pm in 3500 block of Brookdale Drive North, Brooklyn Park, Hennepin County, Minnesota. In investigating that shooting incident, officers went to an address of a potential witness to the incident to look for a red Ford sedan that was potentially involved. That address happened to be in a cul-de-sac and, as officers approached, they saw a dark gray 2016 Chevrolet Malibu with Minnesota license plates AGT145 leaving the cul-de-sac from the area of the given address. When the vehicle exited the cul-de-sac and passed in front of the officers' marked squad car, the officers got a good look at the driver, later identified as LEDALE JULIUS ROBINSON (DOB: 03/10/2002) and "Defendant" herein.

The officers turned around and caught up to the vehicle after they were unable to locate the red Ford sedan at the potential witness' address. In running the Chevrolet's plates, officers learned that it is also registered to the same residential address. In catching up to the Chevrolet, officers noted that it had turned northbound onto France Avenue North and was traveling at what appeared to be a moderate rate of speed.

Officers had to drive fast to catch up and noticed the Chevrolet turned west onto 83rd Avenue North which the officers found to be an odd route since a different turn onto June Avenue North would have led the Chevrolet to 83rd Avenue North quicker than the route they had taken. The vehicle continued and turned left into Halifax Court North, a dead end, and stopped in front of 8221 Halifax Court North before officers activated their lights.

Due to the suspicious driving behavior and the potential relationship to the earlier shooting, one officer exited the squad car and approached the rear driver's side trunk area and stopped there. The officer called out instructions to the driver to roll down the window in order to gauge the driver's cooperativeness. After the officer called out instructions a couple times, the Chevrolet began to drive away, making a U-turn to the left. The officer moved back to his squad car and got another good look at Defendant driving the car, airing Defendant's physical description over the radio.

At this point, the officer also noted that Defendant had a passenger in the car with him. However, as Defendant had a head start on the officer in departing the dead end, the officer lost visual contact with the Chevrolet. Another Brooklyn Park Police officer was nearby, though, and saw the vehicle turning eastbound onto Brookdale Drive from southbound France Avenue North. After confirming with dispatch that the vehicle bearing Minnesota plate AGT145 was the vehicle that had fled from the initial officer, this second officer activated his overhead emergency lights and sirens to stop the vehicle which was already driving over the posted speed limit.

This second officer followed Defendant eastbound on Brookdale Drive from Beard Avenue North at speeds of approximately 70 miles per hour (mph). After passing through Xerxes Avenue, the pursuit continued eastbound on Brookdale Drive and crossed Vincent Avenue North at speeds still at roughly 70 mph. On reaching Humboldt Avenue North, the officer noticed speeds were nearing approximately 80 mph. At Highway 252, there was a larger van that was merging to the right due to the officer's lights and sirens. As that vehicle merged to the right to get out of the way, Defendant attempted to pass it on the right and ultimately struck what appeared to be an orange construction sign, damaging the passenger side of Defendant's vehicle.

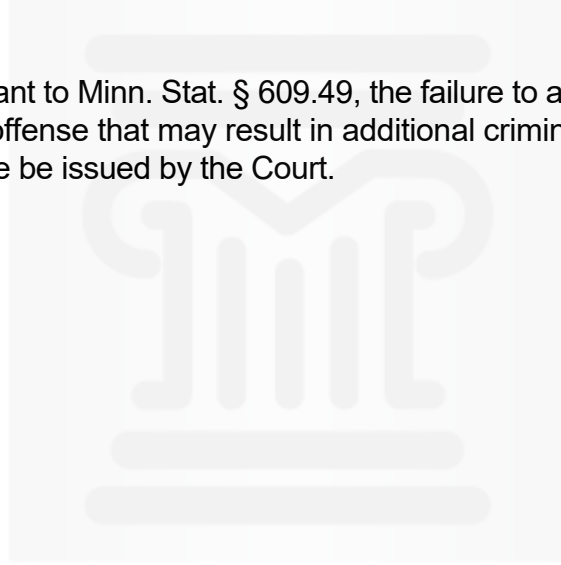

Defendant continued southbound on Highway 252 from Brookdale Drive and pulled over onto the shoulder.

Defendant got out of the vehicle and immediately placed his hands up in the air, stating he was scared. Defendant was then taken into custody without any further incident.

A subsequent search of the vehicle revealed that the passenger the first officer had seen in the vehicle, who officers believe was the individual they were looking to contact at the vehicle's registered address, was no longer with Defendant. Officers believe the passenger left Defendant's vehicle in the short period between the first officer losing visual contact with Defendant's vehicle and the second officer taking over pursuit.

Defendant currently remains in custody.

PLEASE TAKE NOTICE: Pursuant to Minn. Stat. § 609.49, the failure to appear for duly scheduled court appearances is itself a criminal offense that may result in additional criminal charges in addition to any arrest warrant that may otherwise be issued by the Court.
