Supplement number: 2 CCN: MP-15-423384 Author: 002680 - David Hansen

Supplement of Sgt D.Hansen #002680 on 11/15/2015 04:03

On 11-15-2015 I was assigned to marked squad 506 as the 5th Pct Middlewatch supervisor. At approx. 0040 hrs, there as a citywide toned help call on the northside with the remarks that shots were fired and that officers need help.

Myself and my partner Sgt. Brown responded to the scene at 1611 Plymouth Av N. We assisted in helping secure an outer perimeter, using the responding citywide officers. Once the outer perimeter was secure, we assigned Ofc. Hedberg to start a crime scene log.

At that point we were instructed to monitor the responding personnel and monitor the precincts call load . We cleared from the scene and helped re-assign officers not needed on scene to help handle 911 calls in the 4th pct.

Supplement number: 3 CCN: MP-15-423384 Author: 005759 - Jonathon Pobuda

Supplement of Off J.Pobuda #005759 on 11/15/2015 04:04

On 11/15/2015, I was working uniformed patrol as assigned squad 132 (marked squad 134) with my partner Officer Moen. At 0057 hours, we self-assigned to respond to an OFFICER NEEDS HELP call, located at 1611 Plymouth Ave N. Upon arrival we assisted officers already on scene with crowd control. Once the crowd disbursed we assisted with setting up police tape on the northwest side of the ELKS CLUB parking lot. My partner and I remained on scene until 0014 hours.

Supplement number: 4 CCN: MP-15-423384 Author: 005183 - Michael Nordin

Supplement of Off M.Nordin #005183 on 11/15/2015 04:05

On 11/15/2015 I was working marked squad 430 with my partner Officer Rodin #6075. At the above time, we responded to the above area to assist Officers with this incident.

Upon arrival, I assisted by helping Officers clear a large crowd around the Elk's Lodge so crime scene tape could be put up. I was then assigned to the southwest parameter near Plymouth Ave and Knox Ave N and was there until released by supervisors.

Nothing further from this Officer.

Supplement number: 6 CCN: MP-15-423384 Author: 001573 - Joshua Domek

Supplement of Off J.Domek #001573 on 11/15/2015 04:08

On 11/15/2015 at approximately 0055 hours, while working marked squad 311 in full MPD uniform with my partner OFFICER BERGERSEN, we responded to 1611 Plymouth Avenue N for an officer needs help call.

Upon arrival to the aforementioned location, I observed a chaotic scene with bystanders yelling obscenities and threatening officers on scene. I assisted in clearing the parking lot of the Elks Club of these individuals in order for crime scene tape to be put up.

I stayed on scene for a brief time period after the perimeter had been established to assist with scene security.

Supplement number: 7 CCN: MP-15-423384 Author: 004832 - Adam Moen

Supplement of Off A.Moen #004832 on 11/15/2015 04:12

On 11/15/15 at 0151 hours, while working squad 132 with Officer Pobuda, we were advised that Officers needed help at the address of 1611 Plymouth Ave N regarding a shots fired call and there was a large unruly crowd.

Upon arriving, we responded to the building across the street from the address and assisted in crowd control where a large group was gathering and yelling and swearing at Officers. They were becoming larger and larger and were pushing against the crime scene tape that had been put up. We assisted in moving the crowd back and to their cars that were in the parking lot until the lot was cleared out and we were able to regain control of the area. Additional crime scene tape was put up and we were advised by Sgt Tucker that we could clear from this call and head back downtown.

Supplement number: 8 CCN: MP-15-423384 Author: 000563 - Christopher Bishop

Supplement of Off C.Bishop #000563 on 11/15/2015 04:12

On 11/15/15 I was on duty working uniform patrol while assigned to squad 120 with my partner Officer Ketchmark. At approximately 0050 hours on this date dispatched aired a HELP call for 1611 Plymouth Ave North. I drove to that location with lights and sirens activated. Upon arrival we were directed to the intersection of Plymouth Ave North at Knox Ave N. There we helped establish and maintain a perimeter of the scene until released. Signed crime scene log.

Supplement number: 9 CCN: MP-15-423384 Author: 006075 - Anthony Rodin

Supplement of Off A.Rodin #006075 on 11/15/2015 04:18

On 11/15/15 at 0056 hrs while working squad 430 with my partner Officer Nordin we self-assigned to an officer needs help call at 1611 Plymouth AV N.

When we arrived I saw a large crowd gathering I assisted other officers in moving the crowd back. I was approached by Sgt. Brown, #0824, and was instructed to keep a crime scene log of the officers that were on the scene. I walked the perimeter of the crime scene and approached all the officers I saw and added their names to the crime scene log.

I provided scene security at Plymouth AV N and James AV N. I was able to log personnel walking into the crime scene. Due to the minimum number of people that were providing security I was unable to track the time that people cleared the scene. Lt. Wheeler, #0711, instructed me to fill out a separate crime scene log for EMS that responded.

I property inventoried the 3 Crime Scene log pages and 1 crime scene log page for EMS in locker 48 at Property Inventory in MPLS City Hall.

Badowich

Supplement of Off B.Badowich #000251 on 11/15/2015 04:24

On 11/15/2015 I Officer Badowich was assigned to squad 411 along with my partner Officer Shanklin.

At approximately 0050 hours, Officer Shanklin and I were at the station on our lunch break. I heard over the radio, Squad 424 reported shots fired and need help.

Upon our arrival, I assisted other Officers on scene with setting up a crime scene perimeter. I put up crime scene tape from James Ave N along the south side of Plymouth Ave N. I then handed the crime scene tape to a Metro Transit Police Officer who finished putting up the rest of the block.

I saw the person that was shot (JAMAR ONEAL CLARK) was being put into the ambulance. I then got into the ambulance with HCMC paramedics. Due to the scene being very chaotic, the ambulance drove two blocks away so they could work on CLARK outside of the scene in a safe area. A short time later, they transported CLARK to HCMC hospital.

I remained with CLARK while he was at the hospital. One of the hospital staff gathered CLARK's property and packaged it up. She then handed me CLARK's property and I signed a property receipt.

CLARK was moved from the ER to a room on the 7th floor. I remained with CLARK and made sure no one touched him besides medical personal. I was advised by Deputy Chief Folkens that we could clear HCMC.

Officer Shanklin and I then drove to MPD headquarters and property inventoried CLARK's clothing in the blood room. I kept custody of CLARK's clothing the whole time until it was property inventoried.

Supplement number: 12 CCN: MP-15-423384 Author: 000824 - Kristopher Brown

Supplement of Sgt K.Brown #000824 on 11/15/2015 04:24

On 11-15-15, Sgt. Hansen and I were working Squad 506, 5th Precinct Patrol Supervisor, when a help call was toned over Channel 3. The aired remarks were that "shots were fired".

We responded and as we arrived officers were putting up the outter perimeter police tape. We then assisted with securing the outter perimeter and I assigned Officer Rodin to complete the Crime Scene Log.

After the scene was Code 4, we assisted in allocating squads to assist with the heavy call load in the 4th Pct and returned to the 5th Pct as the only supervisors available to monitor bar close and calls.

Supplement number: 13 CCN: MP-15-423384 Author: 004897 - Chou Moua

Supplement of Off C.Moua #004897 on 11/15/2015 04:25

On 11/15/2015 I was working Squad 149 (P#76721). At approximately 0057 hours I responded to an Officer Needs Help call at 1611 Plymouth Ave N.

Upon arrival I assisted with crowd control in an open lot across the street from the address. There was a large crowd that had gathered and was becoming unruly. Once the crowd dispersed and left the scene, I assisted with securing the perimeter at Irving Ave N and Plymouth Ave until crime scene tape was put up. I then left the scene and returned to my patrol downtown.

Supplement number: 14 **CCN:** MP-15-423384 **Author:** 006488 - Nicholas Shanklin

Supplement of Off N.Shanklin #006488 on 11/15/2015 04:26

On 11/15/15 at approximately 0050 hours while working marked Squad 411 (P# 76727) with my partner Officer Badowich I heard Squad 424 say over the radio, "shots fired, one down". My partner and I responded from the 4th Precinct to Squad 424 location at 1611 Plymouth Av N.

When I arrived on scene I saw a large group of people (50-60 ppl) on the North side of the street. I also saw a person, who was later ID'd as JAMAR CLARK, lying on the South side of the street on the ground in the grass between the sidewalk and the street.

I then saw a couple of people coming out from the 1611 Plymouth Av N apartment building and start running towards CLARK lying on the ground. So to secure the scene I had the people stay back toward the entry way of the building until we could get the crime scene tape up.

My partner Officer Badowich then informed me that he was going to ride with CLARK to the hospital in the ambulance. I followed the ambulance in my squad car to Hennepin County Medical Center.

After arriving at the hospital I was advised to transport one of the HCMC paramedics to Rm 108 in City Hall to be interviewed by investigators. After both HCMC paramedics were done being interviewed I transported them back to HCMC.

My partner and I then transported CLARK's clothing's to City Hall and property inventoried them into the blood room.

Supplement of Off G.Muvundamina #004907 on 11/15/2015 04:27

On 11/15/2015 at approximately 0140 hours while working Squad 510 with my partner, Officer Saint Jean, I was dispatched to assist on an Officer Needs Help call. I responded to NMMC and was instructed by Sgt. Campbell to guard HCMC ambulance rig 419. I was later told by Sgt. Campbell that the Ambulance would need to be towed to the forensics garage. I completed a tow sheet and spoke with the driver from the Miller Towing company informing him that the Ambulance was to be taken to the forensics garage.

As we were about to head to the forensics garage with the tow, and officer involved Squad accident with injury came out at 26th Ave N and Freemont Ave N. Due to the lack of resources from the Officer Needs Help call, we diverted to assist on the physical injury squad accident scene.

Supplement of Off P.Huynh #003198 on 11/15/2015 04:45

On 11/15/15 at approximately 0052hrs, I was working squad 121 with my partner Officer BEMAN when we were dispatched to an OFFICER HELP call at 1611 Plymouth Avenue North.

Upon arrival, I provided perimeter security on Plymouth Avenue North outside of the crime scene tape. There was a moderate size crowd of about 15-20 individuals standing around the squads on the sidewalk area. A few of these individuals were saying "fuck the police" and "you guys are dirty" over and over again.

We cleared the scene at approximately 0120hrs per Sgt. 105 to be downtown for bar close.

Supplement typed by SGT Rowe, badge 6179 on 11/15/15 at 0437 hours.

On 11/15/15 at 0050 hours I responded to an Officer Needs Help call in the Fourth Precinct at 1611 Plymouth Ave N. Remarks indicated that shots were fired. I arrived at the incident location. Squad 407 requested that I monitor 911 calls for service on the street in the Fourth Precinct. I notified dispatch on channel five. Squad 408 arrived and took over the role as the street supervisor. I then cleared the scene.

Supplement of Off C.Conner #001263 on 11/15/2015 04:49

On 11/15/2015 at 0050 hours, while driving squad 425 with Officer Sworski, I heard an officer air that shots were fired and they needed help at the location of 1611 Plymouth Ave N. We responded to their location and assisted.

Upon arrival, I observed squad 424 in front of 1611 Plymouth Ave N. I observed two Officers near a male who was down on the sidewalk. Paramedics were also on the sidewalk and appeared they were providing medical attention to the male who was down. There was a large unruly crowd that was gathering in front of the Elks Club on the North side of the street. I noticed there were two security guards who were standing on the sidewalk in front of the Elks Club. I also saw a group of people in the entryway of 1611 Plymouth who were screaming at officers. I heard that this was a officer involved shooting from the two officers involved. I got crime scene tape from my squad and assisted in setting up a perimeter and crowd control.

I also assisted in casing 1611 Plymouth Ave N. I did not speak with anyone who witnessed the incident inside the building. I did speak with two individuals in front of the apartment building who claimed they witnessed the incident but refused to provide a statement. They were upset and were uncooperative. They refused to provide me with their names. I reminded them several times that if they wanted to give a statement that homicide investigator would be here and they may speak with them. I also provided them with the opportunity to go to room 108 to give a statement but they refused. I did not detain them due to their aggressive behavior towards the police and it would have likely turned into a physical altercation. I specifically remember upon arrival a older female approximately 50-60 years old. She was attempting to run to the male who was down on the sidewalk but someone was holding her back.

I also assisted in dealing with the Elks Club management to provide surveillance video. I stayed on scene for scene security until the scene investigation was finished.

Supplement of Sgt T.Campbell #000958 on 11/15/2015 04:52

On 11/15/2015 I was working squad 105 as the 1st Precinct Dogwatch supervisor. At approx. 0050 hours dispatch aired an Officer needs help call at 1611 Plymouth Ave. Additional remarks from dispatch were that shots had been fired. I immediately headed to this location to assist.

As I arrived on scene at approx. 0054 hours I noticed extremely large crowds on both the north and south sidewalks of Plymouth Ave. I noted that the crowd was very agitated by their screaming, and their hand and arm gestures that were being thrown into the air.

At this time I asked dispatch who the incident commander was, and was informed that squad 407 had command. I located 407 and discussed my responsibilities for the incident.

First, I assisted Officers with moving a large hostile group of on-lookers from the north side sidewalk area. Once this was completed I instructed several Officers to tape off the area, and to maintain a secure perimeter. These Officers were instructed to hold this perimeter until instructed otherwise.

Secondly, I along with several other Officers went to NMMC to secure the original 911 caller/assault victim (Rayanne), and the two witness paramedics. Once there, I had one Officer stay with Rayanne the entire time, until relieved by an investigator. Next, I had two separate squads transport the Hennepin County paramedics to room 108 for interviews.

Lastly, I had squad 510 tow the HCMC ambulance to the MPLS Impound lot forensic garage for processing.

After clearing the hospital I returned to the scene on Plymouth Ave and was released soon after by IC Sgt. McBride.

It should be noted in the background of the radio transmissions from SQD 424, there was a lot of commotion in the background. My partner and I responded to the location in an expeditious manner.

Upon arrival I observed that there were around 100 people on the sidewalk on the north side of Plymouth Av, in front of the Elks Club (1614 Plymouth Av N). I also observed that Officer Schwarze and Ringgenberg were on the south side of the street. There were other officers that had arrived before us assisting with that scene.

At that time, I began to keep the crowd back from where the officers were dealing with the gun shot victim. The crowd kept trying to advance into the street towards the officers. I called out on the radio that we needed more officers for crowd control, and also that we needed to close traffic on Plymouth Av.

Officers were eventually able to make a line of officers and contain the crowd to the sidewalk. Crime scene tape was then put up. Officers then directed everyone from in front of the Elks club to leave the area. It should be noted that there were several uncooperative people in the crowd. Also several people in the crowd were video taping the situation.

Once the area on the north side of scene was secure, I went to the south side which had fewer officers to secure the area. There were numerous people in the doorways and balconies of the apartment building on the south side of the street that were yelling at officers and very upset. Crime scene tape was put up at this location also.

I stood by near Plymouth and Knox and secured the perimeter at this location for the remainder of the time on scene.

When told to secure by SGT McBride, I took down crime scene tape and left the area.

My partner and I went to assist squad 424. Upon arrival at the scene there were about two hundred people across the street at the ELKS club yelling at officers. The crowd was very hostile towards officers. The crowd was in the street and moving toward officers. There was another crowd coming out of the apartment building and this crowd was about forty people and they also were hostile towards officers.

I helped other officers move the crowd that was in front of the ELKS club to the back of the club and told the people to leave the area. I then stayed at the scene for scene security. I stayed there till I was told to drive squad 424 back to the PCT.

On 11/15/15 I was working squad 162A. I was in full MPD uniform and driving a City of Minneapolis marked squad car. At approximately 0051 hours, I responded to an Officers needed help call at 1611 Plymouth Ave N. Further info was given that shots were fired call and there was a large unruly crowd.

Upon arriving, I provided security for the Paramedics as they treated the suspect. I could see Officers already dealing with large groups that were yelling and screaming. Many of them were yelling racially charged slurs at the officers on scene. The suspect was transported a short time later and I began providing scene security at Knox Av N and Plymouth Av N.

Sgt Campbell requested several squads to assist at North Memorial Hospital and I responded. When I arrived at North, I obtained info from the original Paramedics (W/1 and W/2) that had arrived on an Assault call at 1611 Plymouth Av N. They said that their run number is 15076386 and responded to apartment #204.

I then transported one of the witnesses to room 108. After these paramedics were done giving their statements, I transported them to HCMC.

On the listed date and time, while working marked squad 421 with my partner Officer Ledman, we responded to a help call at 1611 Plymouth Ave N.

Upon arrival I assisted in securing the scene. Once the scene was secured, per Sgt. Brown, I entered the mentioned building with other officers to interview any possible witnesses. I knocked on units 301, 302, 303, and 304. I made contact with tenants in 302 and 304 and asked them if they saw or heard anything. Neither of the tenants in 302 and 304 saw or heard anything. I then returned to the perimeter of the scene.

While outside a large crowd formed on the southwest corner of Plymouth Ave N and James Ave N. The crowd was shouting and becoming verbally aggressive. The crowd proceeded to breach the crime scene perimeter. Per Sgt. Brown, I positioned my squad facing the crowd with all lights on and squad MVR activated P#76629. I then assisted other officers resecure the scene perimeter.

After Car 21 processed the scene, per Sgt. McBride, I moved and parked the HCMC car back in the 4th precinct lot.

I was then released from the scene.

On above date and time I was working with my partner (Conner) on squad #425. Officers were on the way to a SHOTS call when we heard squad #424 air that shots had been fired. Officers then diverted and responded as the call was toned as a, "HELP CALL."

As we arrived with other squads, I immediately spotted Officer Ringgenberg and walked up to him asking if this was an officer involved and he said yes. I then spotted Officer Ringgenberg's partner (Officer Schwarze) standing by a male down on the sidewalk with his duty weapon drawn. I walked over to Officer Schwarze and escorted him to my squad where he sat in the front seat. I then drove over to Officer Ringgenberg where he sat in the rear of my squad. I drove them directly to the rear parking lot of the station where I attempted to get a hold of a supervisor to let them know where I and the officers were. Due to the air traffic and scene activity, I was unable to do so but saw Sgt. Lynch walk out of the station and informed him that I had both officers. Sgt. Lynch and myself walked with both Officers Ringgenberg and Schwarze into the station to wait for further instruction and a Federation Rep. It should be noted that I did not question the officers or did they talk about what had happened. I only asked them if they were ok and needed anything.

Once Sgt. Suker arrived for the 2nd escort I cleared the station and returned to the scene. Once back at the scene I observed a camera on the east side of the Elks Club that had a camera that was facing Plymouth Avenue. I then observed 1-2 males standing inside the closed business. Sgt. Green was standing by and we walked to the door and made contact with the two. Sgt. Green talked to them as I stood by. It was determined that this camera possibly captured the scene and I stood by as security until Sgt. Green was done. Afterwards, I exited the Elks Club and remained on scene security until Car #21 was done and the tape was taken down. Officers then cleared. It should be noted that I did not make contact with any witnesses.

On 11/15/2015, I was working uniform patrol in marked squad 410. At approximately 0050 hours, I was at the 4th Precinct. I heard squad 424 air "shots fired" followed by a toned HELP CALL for 1611 Plymouth Av N. Officer R. Moua got into the passenger seat of my squad to go to the help call with me.

As we arrived, it was a very chaotic scene in front of the address by the sidewalk. I saw an HCMC ambulance pulling away from the scene as we arrived. There was a large group of people who were acting extremely hostile towards Officers on scene, yelling "FUCK THE POLICE" and other obscenities. Once on scene, I learned this was an officer involved shooting. Squad 424, Officer's Schwarze and Ringgenberg were standing by a male who was down on the ground. The crowd was starting to surround them, myself, and other officers.

We started to tell the crowd to backup, so we could start hanging up crime scene tape. The crowd continued to act hostile towards us and many of them refused to move back. It was important to get the crowd away from the crime scene to preserve evidence. At one point, I used a burst of chemical irritant on unidentified people in the crowd to get them out of the crime scene as we attempted to secure it.

I assisted with crime scene security, until I was directed by Sgt. McBride to canvas the apartment units of 1611 Plymouth Av N. Myself and other officers went into the apartment, and started knocking on doors. I knocked on the apartments 201, 202, 203, and 204. Nobody answered at any of these apartments. I then knocked on apartments 301, 302, and 304 and nobody answered. When I knocked on apartment 303, a black male, approximately 50-60 years of age answered the door. I asked him if he saw or heard anything. He told me that he was sleeping, and he didn't see or hear anything until he woke up to the sounds of sirens and yelling. He said that when he looked outside there were several police officers already on scene. This male refused to identify himself.

I then went back outside and continued to maintain crime scene security. I was instructed by Sgt. McBride to bring HCMC EMS Supervisor, Mike Tullinger down to Room 108. Once I transported him to Room 108, I returned to the scene and continued to maintain crime scene security. Car 21 responded to process the scene. Once they were done, I was secured by Sgt. McBride.

Supplement of Sgt G.Suker #007004 on 11/15/2015 05:49
Statement of Sgt Suker typed on 11/15/15 at 0445 hours

I was working as the Sergeant for the Gang Interdiction Team, in a tactical raid vest with Police markings on the front and back. I was driving a flat top crown Victoria with internal police lights, when I heard officers ask for help at 1611 Plymouth Av N. Squad 424 informed dispatch that they needed help and there was a large group of people gathering.

I immediately drove to the area of 1611 Plymouth Av N, to assist officers on the scene. We were informed that they needed the street of Plymouth blocked, because of the large group and need some officers to the north of Plymouth Av. I arrived on the scene and parked just north of Plymouth Av on Knox. I then exited my squad, and went up to the scene to see where they needed help for the event. I was asked to assist with dispersing the crowd of well over a hundred plus people, and direct them north away from Plymouth and away from the scene. As this was being done, I was then asked by Sgt McBride to transport two officers to the 4th Pct. This was now a Critical Incident, and they needed a Sergeant to be an escort officer and transport the involved officers to the 4th Pct. I went to locate the involved officers, but they were already transported away from the hostile scene by Off Sworski for their safety.

I drove to the 4th Pct to check on the Involved officers, and was asked by Sgt McBride to assist him by gathering a public Safety statement from these officers. When I arrived, I spoke with Off Schwarze and asked him if there were any outstanding suspects? Off Schwarze informed me there were not and we had the only party in custody. I then asked, if there were any weapons we needed to locate or vehicles to worry about? Off Schwarze told me no. I asked where he was when the round was fired, and what direction he fired? Off Schwarze informed me he was south of Plymouth Av N, in front of the townhouses and he fired one shot which hit the suspect and went into the ground. I then asked Off Schwarze if there were any weapons that we needed to locate, which the suspect may have had? Off Schwarze told me, "No but I'm missing my handcuffs."

I then spoke with Off Ringgenberg, and asked him if there were any outstanding suspects? Off Ringgenberg informed me there were no outstanding suspects. I then asked him, if there were any weapons we needed to locate from the suspect possibly on the scene? Off Ringgenberg told me, "No, but I lost my squad key." Off Ringgenberg was concerned that someone else would find the key and possibly take a squad car. I asked Off Ringgenberg if he fired any shots, and he told me he did not.

I then communicated this information to Sgt Campbell at the scene, because I was unable to get ahold of Sgt McBride. Sgt Campbell informed me he would get ahold of Sgt McBride and pass on the information. This information was then later communicated to Lt Zimmerman of the Homicide Unit as well.

I then stayed at the 4th Pct, where both Off Ringgenberg and Off Schwarze were kept separate. I stayed with them until: Homicide, IAU, Off Fitch of the Federation, Sgt Hagel of the Peer Debriefing Team, Car 21, the nurse and Off Kelly of the Range came and spoke with both of them. I spoke with Off Fitch of the Federation, and informed him they will want to have Car 21 collect Off Ringgenbergs gun belt and weapon, for processing from the event for DNA. This was then collected by Car 21 after both officers were photographed.

After the officers were spoken to, they asked if their squad was back at the station so they could grab their gear and leave for the night. Off Fitch and I, went out to the scene and grabbed their possessions for them. Their squad car was being photographed and video recorded by Car 21. When we were able to, Off Fitch gathered their property and we brought it back to the 4th Pct and gave it to each of them. Both officers were then allowed to leave the precinct for the night.

When the officers left the precinct, I was then able to clear the station and complete my report.

On 11/15/2015 at about 0050 hours I was working a marked MPD squad call sign 331 with my partner Officer Trebesch. We were in full MPD uniform. We responded to 1611 Plymouth Av N on the report of officers need help. The remarks in the call stated 1 HOUR AGO CLR BROKE UP A FIGHT IN LOBBY, CLRS ANKLE NOW HURTING A LOT, ALL PERSON THAT WERE INV'D ARE NOT LONGER ON SITE, CLR NOT ABLE TO WALK ON ANKLE...WILL SEND SON OTS TO LOOK FOR RESPONDERS, EMS REQ SQUADS CODE 3, ASSAILANT IS 30 FT IN FRONT OF AMBULANCE, ASSAILANT IS NOW AT AMB DOOR, EMS REPORTING SHOTS FIRED.

While going to the call I heard a fourth precinct sergeant get on the radio saying every available officer was needed to the scene for crowd control.

Upon arrival I heard someone request on the radio for officers to retrieve their riot control chemical spry. I retrieved my riot control chemical spry from my duty bag and held it in my left hand as I stood in a line of officers guarding the north end of the crime scene.

A large crowd had gathered and people were yelling and screaming. Many were using foul language towards officers and were recording with their cell phones.

I learned the crime scene needed to be made larger so I assisted in ordering the crowd back as I and other officers walked forward clearing the area as crime scene tape was put up.

After the crime scene had been made larger I assisted in guarding the scene until I cleared to handle other priority calls in the city.

I was on scene for about fifteen minutes.

On the above date and time I was working squad 111 able. I responded to the area of Plymouth Av and Knox Av on an Officer Needs Help call.

Upon arrival there were several other squads already on scene. There was also a large crowd gathering and they were becoming unruly. I saw that a black male, later ID'd as Jamar Clark was being worked on by HCMC paramedics. I stood near the paramedics and provided them with security while they attended to Clark. The paramedics loaded Clark into the ambulances and requested assistance in leaving the area. I escorted them about two blocks away from the scene where they pulled over and continued to attend to Clark. I then followed the ambulances to HCMC.

Once at HCMC I provided security inside the stab room. Once Clark was stabilized I transported HCMC paramedic Hill to room 108 where she was interviewed by car 710. It should be noted that Hill was one of the paramedics that transported Clark to the hospital from the scene.

I then cleared.

On 11-15-15 I was working marked squad 331(P#76704) with my partner Officer Stewart. Around 0054 hours we were at the 3rd Precinct on lunch break when I heard over my portable radio that an Officer needs help at 1611 Plymouth Av N and that there were shots fired.

My partner and I ran to our squad car and I started driving to that location code 3 with lights and siren. I heard over the radio on the way there that a large crowd was gathering on Plymouth Av N, so responding squads were being requested for crowd control.

When we arrived I saw a large unruly crowd on the north side of Plymouth Av N standing behind Police tape that had been put up. I saw several Officers standing in a line formation along the Police tape because the entire crowd appeared to be screaming and yelling. The crowd was pushing against the Police tape as they were screaming and creating a very hostile environment.

I heard orders to start pushing the crowd back to expand the crime scene, so I assisted other Officers in ordering the crowd to step back. I remained at the scene until the majority of the crowd left the area. I signed the crime scene log and returned to my Precinct.

On 11/15/2015 I was working marked squad 361, with my partner, Officer Cushenbery. We responded to an officer(s) needs help call, where all available on duty Minneapolis Police Officers were requested to assist. The address for the incident was 1611 Plymouth AV N. Remarks advised responding officers that it was updated to an officer involved shooting, and there was one suspect down, with EMS responding CODE 3.

Upon arrival, I assisted with putting up outer perimeter crime scene tape. The scene was CODE 4. I later responded to NMMC to assist with standing by the fight/assault victim from the original 911 call. This victim was in room #19 waiting to be treated for a fractured right ankle, a injured lip, and an injured finger. The victim was going to need surgery on her ankle, she received stitches for her lip, and it was to be determined on her finger. The victim was identified verbally as RAYANN FRANCINE HAYES [REDACTED]. The listed victim said that she did not currently have a working phone number, but gave me [REDACTED], and [REDACTED] as numbers that list to her friends. These friends would have the means to get in contact with Mrs. Hayes. She also gave me the listed email address, however, she said that it is not checked often [REDACTED].

The victim, Mrs. Hayes, was transported to room #610 for the in-patient trauma center. This is where I stood by with her until a homicide investigator was able to respond and interview her. I was then released and responded back to the third precinct for reports.

I heard an alert tone of an officer needs help call with shots fired and officers requesting assistance. I drove marked squad 164 to the scene. I exited and walked to the scene. Officers were establishing a perimeter at the time to protect the scene.

I observed medics working on a male near the sidewalk on the south side of Plymouth Ave. The crowd seemed hostile, and there were no officers directly with medics. I walked over to them and asked if they need anything from me other than their security. They asked me to provide them security. I stood guard for the medics so they could continue providing medical care for the male who appeared to have a head wound.

Several minutes later, one of the medics asked if I could check the male for any weapons. I did a quick pat down of his waist area and clothing for weapons. I did not locate any weapons and advised medics. The medics then picked him up to place him on the stretcher. When they picked the male up, I saw a pair of handcuffs on the ground under the male. The male was loaded up in the ambulance and they left the scene. I continued to provide scene security until the scene was secure and then cleared to go back downtown for bar close.

On 11/15/2015 at approximately 0050 hours while working marked squad 505 in my capacity as a 5th precinct dogwatch supervisor, I heard dispatch tone an "Officer Needs Help" call at 1611 Plymouth AV N and then air that shots had been fired. I then heard squads on scene asking for all available units to respond due to a large unruly group on scene. At that point I responded to that location to assist.

When I arrived I observed multiple groups of people on the apartment balconies, street corners, in the entryway of the apartment building, and on their porches. Many of these parties were screaming obscenities at officers and appeared to me to be very upset. I spoke with officers who were standing on the sidewalk in front of 1611 Plymouth AV N, who informed me that the scene was in the grassy boulevard directly in front of the building.

At that point I was approached by Sgt T Campbell, who requested that I handle the scene in front of the apartment building and ensure that its integrity was maintained. I then directed the officers who were in the immediate area to spread out down the sidewalk between James AV N and Knox AV N and make sure that no one enters the crime scene or otherwise tries to interfere.

A short time later I directed Officers W Martin and A Womble to do a canvass of the townhomes that are connected to, but are to the west of the 1611 Plymouth AV N apartment building. They were directed to get names of the occupants of the townhomes and whether or not they witnessed the incident in any way. Once they completed that task Officer Martin told me that one of the females that his partner spoke to (Nekelia Sharp [REDACTED]) reported that she witnessed the incident. I later passed this information along to Sgt Green, who was the investigator on scene.

I then assigned a group of officers to go into 1611 Plymouth AV N and knock on every apartment door to see if there was anyone who had seen what occurred. The officers returned a short time later and informed me that they were unable to find anyone inside who was willing to talk to them about the incident.

I continued to monitor the situation around 1611 Plymouth AV N. At one point a large group of angry people arrived and stood near the east side of the apartment building shouting at officers. The group was very upset and two of the members were attempting to antagonize officers, so I directed Officer Yang to position his squad car so that it was facing the group and to activate the squad MVR. This was done with marked squad 423.

I was later approached by Sgt Green, who requested that Sharp be transported to room 108 to be interviewed. I went with Officer Martin to the townhome where Sharp was when they spoke with her and attempted to make contact with her. We were informed that she had went home to 1611 Plymouth AV N #103. Officer Martin and I made contact with her there. I explained to her that it was important to the investigation that she come with us to room 108 to be interviewed by investigators. She adamantly refused, even after I explained to her that she would be provided with transportation there and back and that we could arrange for someone to take care of her children. She continued to refuse and told me that she was not interested in talking to the police again. She then disappeared into the apartment and refused to talk with me anymore.

I continued to monitor the scene until I was forced to clear to respond to a squad involved PI accident (CCN 15-423516).

Supplement of Sgt S.Mc Bride #004517 on 11/15/2015 09:11

On the above date and time I was driving marked squad 403 (with call sign 407). At approximately 0054 hours, I heard squad 424 air "Shots fired.....one down!". This was followed shortly by other officers airing to the effect, "We need every clear squad in the city to the scene". Officers aired that a large, hostile group had formed and officers needed help to control the crowd.

At the time, I was at 4211 James Av N on a SHOTS call (see CCN 15-423388). I had checked the area and not located any suspects or evidence. I then immediately responded to the HELP call Code 3.

Approximately 5-6 blocks out, I announced on air that I was the Incident Commander and would be arriving. Upon arrival, I observed approximately 15 squad cars on Plymouth Av with groups of people on both sides of the street. The groups appeared extremely hostile as they were yelling "Fuck the police!" and that they hated us. The Ames Elk Lodge at 1614 Plymouth Av N had approximately 50-100 people exiting it. Many from the Lodge joined the hostile groups. When we had enough officers on scene we then began directing the groups to leave.

I asked officers on scene if this was a shots call or an officer involved shooting. Officers informed me they believed it was an officer involved shooting. I then asked where the involved and witness officers were. The officers I spoke to did not know. I then checked with different officers on scene. Officer Sworski informed me that squad 424 was the involved squad and that he had brought the officers to the station as it was too chaotic and a hostile scene. The precinct is only a few blocks from the incident location.

Numerous sergeants were arriving from other precincts. I located Sgt. Suker and asked him to go to the precinct to get the Public Safety Statement from the Involved/Witness Officers. I did so because I was the Incident Commander and could not leave my location with an unsecure, hostile scene. I also asked Sgt. Suker to make sure he had escort sergeants for the Involved and Witness Officers. Sgt. Suker did so as I stayed on scene.

Car 9, Lt. Novak, arrived on scene. I informed him of the Officer Involved Shooting and asked him to send a VIP page out. Lt. Novak did so.

I then asked Sgt. Kris Brown to start getting yellow crime scene tape up to protect the scene. He took a large group of officers and did so. The large number of Elks Lodge customers were steadily leaving the club and yelling obscenities at officers. I asked Senior Officer Lewis to try to locate witnesses that may have seen the event. He stated he would try but many were very hostile and were refusing to talk to police.

I then located Sgt. Pucely. I asked him to start checking for witnesses at the apartment complex on the 1601 block side of Plymouth. He stated he would have to take a group of officers due to the fact residents and visitors at this location were very hostile and aggressive to officers. I asked him to knock on every door and document each address.

I then checked the entire perimeter of the scene making sure crime scene tape was up and that we had an adequate number of officers to keep the scene secure and safe. We blocked off over 2 blocks on Plymouth Av N.

I asked Sgt. Rivard to manage street resources (911 calls in the precinct). She did so.

SICM was contacted. There is a street camera at Plymouth Av N/Knox Av N. Officer Krekelberg stated the initial incident does not appear to be captured but the aftermath with the large, hostile groups were.

I was then informed that an assault victim had been transported to NMMC by a HCMC rig. I was also informed that another rig had taken the suspect to HCMC to be treated. I was informed Officer Badowich was in the suspect rig.

I then located Sgt. Campbell and asked him to go to NMMC with some officers and make sure the assault

victim was still there and to secure her. Sgt. Campbell did so. I was later informed the victim had a broken ankle and swollen lip.

I also asked Sgt. Campbell to secure, separate, both HCMC witness paramedics. I asked Sgt. Campbell to make arrangements to transport the HCMC paramedics to be interviewed in Room 108.

I then contacted Officer Badowich. Officer Badowich rode in the ambulance with suspect. I asked for a status update. Officer Badowich stated suspect had been shot once above the eye and was not expected to make it. He stated HCMC bagged up suspect's clothes. I informed him to secure the clothes until it could be given to Car 21.

I was then briefed that a witness was present who on scene when the event happened. This witness was HCMC Deputy Chief of Operations Public Information Officer Mike Trullinger. W/Trullinger then briefed me. He explained to me that HCMC EMS was on scene treating an assault victim when the suspect showed up. He stated the suspect claimed to be the victim's son but they believed he was not. I asked why he did not think the suspect was the victim's son and he explained that the victim had said that she did not know him and that he had assaulted her. He stated that victim was in the EMS rig and that the suspect then began to pound on the exterior of the rig to be let in. He stated that EMS then called for a squad Code 3 fearing for their safety. He stated that EMS felt safe in their rig but needed a squad to deal with suspect. He then stated that the squad arrived and he could hear the officers saying they needed suspect to show his hands. He stated that he could hear the suspect demanding to know why the officers had their guns out. He stated that the officers then had the suspect against the rig (in a frisk type of way) and then suspect began to flail his arms and struggled with officers. He stated that shortly after he heard a gunshot and they (EMS) then tried to cover the victim to protect her and then they took off as soon as they could. He stated that the victim was taken by a HCMC rig to NMMC and the suspect was taken to HCMC by another rig with an officer. He also stated that there is a video camera on the rear of the ambulance and that the event may be captured on video. I then contacted Sgt. Campbell and informed him we needed to secure the EMS rig. He did so.

Throughout this time a hostile group was still on scene yelling profanities at officers. They then broke our crime scene tape. I then asked officers to make the scene bigger. We then escorted the group further back and used a fence to help secure the scene with crime scene tape.

Car 710, Sgt. Green arrived on scene. I walked Sgt. Green through the scene and briefed him. When showing where the event unfolded, Sgt. Green asked if the event was captured on squad video. I then opened squad 424, P#76679, and turned on the MVR. There were no recordings on it. I informed Sgt. Green of this. I also informed him of the EMS rig potential video and suspect's DNA on the outside of it. Sgt. Green asked the EMS rig be towed inside the forensics garage. I then relayed this request to Sgt. Campbell. I also asked Sgt. Campbell to have the officer with victim (Officer Andress) stay with her until interviewed. I was later informed the victim was going to be admitted and that Car 710 was going to NMMC to interview her.

IAU Sgts, Prescott and Schmidt, arrived on scene. I briefed them and walked them through the scene.

Car 21 arrived on scene and processed it.

We then drove squad 424 and HCMC's supervisor car to the precinct as he was still down in Room 108.

Once the scene was cleared I went back to the station to do reports. Sgt. Green asked me to double check the MVR of 424. I did so. Again it was operating fine and there were no files on it. Sgt. Green asked me how a MVR gets downloaded. I informed him that there are download servers at the 4th Pct Station. When a squad is at the station it automatically downloads. I checked Visinet to see if squad 424 had just come to the station prior to the assault/EMS call. The squad did so for approximately 10-20 minutes which would download MVR files. I then checked in the "Digital Evidence Series" computer application to review MVR. At 1619 hours it shows both officers following protocol at the beginning of their shift announcing the date, officers, call sign, and p#. At 1827 and 1951 hours, it shows MVR activations. These were saved as 90 Day Retention files. B of I should be notified to change these to Significant Events to save the video and show the MVR was properly working/recording.

On 11/15/15 Lt. Zimmerman contacted me and requested I respond to MPD Headquarters room 108 regarding incident 15-423385 an officer involve shooting. Upon arrival I met with Lt. Zimmerman, Sgt. Villella where I was briefed on the circumstances of this incident.

Sgt. Villella advised me that the Hennepin County Ambulance, #419, involved in this case was towed and transported to the MPD Forensic Garage. I contacted Hennepin County Deputy Chief of Operations, Chad Dotzler, [REDACTED], with regard to obtaining video from the ambulance and Chief Dotzler agreed to meet me at the Forensic Garage where he would pull the hard drive from the recorder and copy the video.

I went to the MPD Forensic Garage and met with Car 21. HCMC Chief Dotzler arrived and retrieved the hard drive from inside the ambulance. HCMC Chief Dotzler then downloaded and copied video footage from Ambulance #419 and Ambulance #443 (male shot - transport ambulance) onto a red flash drive. Cameras from ambulance #419 include the rear outside camera and the inside front camera which displays through the front windshield. Deputy Chief Bruce Folkens was present at the time the video was downloaded and received a copy.

I then requested Car 21 to take overall photos of the ambulance as well as fingerprint and DNA swabs of the rear door areas, side door areas, and passenger door. See Car 21 supplement for details.

I signed an impound release form for Ambulance #419; contacted Laurie at HCMC Operations and requested she send an HCMC employee authorized to retrieve the ambulance. HCMC personnel arrived to the Forensic Garage and took possession of the ambulance and it was driven from the Forensic Garage.

I cleared the MPD Forensic Garage.

I requested Car 21 assist me at Hennepin County Medical Center to obtain photos of the male person shot in this incident. Car 21 met me at Hennepin County Medical Center where we were escorted by hospital security to the male person shot in this incident, hospital room. Car 21 Technicians photographed the hands and wrists of the male person shot in this incident.

I spoke briefly with a female, Edna, who identified herself as the mother of the male person shot in this incident. She inquired as to why photographs would be taken of her son's hands and I advised her that an incident such as this requires this procedure. I gave her my business card for contact information. She advised me that she had already spoken to Lt. Zimmerman regarding this incident.

I cleared Hennepin County Medical Center and returned to the Homicide Unit to enter my supplement into this case.

NAKAYLA SHARP, DOB: [REDACTED], 1911 Plymouth AV N Apt. #103, Phone: [REDACTED] who was also present at 1617 told me, "The guy who got shot was arguing with his girlfriend earlier in the day on the sidewalk. He was trying to talk to paramedics. It looked like the paramedics told him to walk away. He didn't move. The EMS showed up. After that the cops showed up and cuffed him, they threw him on the ground face first and put a knee on his back. The police pulled their gun out and shot him in the back of the head."

The residents of 1615 Plymouth AV N, multiple males in their 20's refused to give their names or any information.

After we interviewed the residents we resumed our position on the perimeter until we were dismissed.

MPD SCENE INVESTIGATION REGARDING MPD CCN: 15-423384

On 11/14/2015, SERGEANT T. VILLELLA and SERGEANT C. GREEN were assigned as Investigators in the MINNEAPOLIS POLICE DEPARTMENT (MPD) VIOLENT CRIMES INVESTIGATION DIVISION (VCID) HOMICIDE UNIT. In this capacity, SERGEANTS' duties include, but are not limited to, investigations involving murders, suspicious deaths, aggravated assaults, kidnapping, robberies and critical incidents.

On 11/14/2015, SERGEANTS were both assigned as on-duty MPD HOMICIDE UNIT ON-CALL INVESTIGATORS. At approximately 0115 hours, SERGEANT VILLELLA was contacted by LT. ZIMMERMAN, who advised SERGEANTS to respond to Plymouth Avenue North & James Avenue North, Minneapolis, Hennepin County, Minnesota, for a Critical Incident, Officer Involved shooting, where a Minneapolis Police Officer fired at a suspect, whose injuries were reported to be life-threatening. (Reference MPD Incident Detail Report in VISINET 15-423384).

On 11/14/2015, at approximately 0151 hours, SERGEANT GREEN responded to Plymouth Avenue North & James Avenue North, and observed MPD marked squads and uniformed personnel in the area. Yellow crime scene tape was used to establish a large perimeter in, and around, the streets and sidewalks on Plymouth Avenue North. SERGEANT GREEN provided OFFICER RODIN with information for the Crime Scene Entry Log.

SERGEANT GREEN met with SERGEANT S. MCBRIDE, the scene Incident Commander, who advised that there was one shot fired, in a downward direction, and there were no suspects at large. Responding Officers conducted a neighborhood canvass for witness(es) to the shooting. SERGEANT GREEN learned from SERGEANT J. PUCELY that a female, identified as NEKELIA SHARP, reported she witnessed the shooting. SERGEANT GREEN requested NEKELIA SHARP be transported to the MPD VCID for a witness interview. SERGEANT PUCELY advised attempts to have NEKELIA SHARP interviewed further for this investigation was not successful.

There was an inner perimeter established approximately mid-block, on the south side of Plymouth Avenue, encompassing an area in the front/north side of 1611 Plymouth Avenue North. Inside the inner perimeter, on the grass boulevard between the east/west sidewalk and the Plymouth Avenue, there were several items of potential evidentiary value.

This area of Minneapolis is primarily mixed residential single family housing and multi-unit housing structures. On the south side of Plymouth Avenue, from James Avenue North-Knox Avenue North, there is a large multi-unit housing complex. On the eastside of the complex there is a 3 story housing structure, identified as 1611 Plymouth Avenue North, with apartments 101-104, 201-204, and 301-304. The common front/north door for 1611 Plymouth Avenue North was secure and there was a working flood light over doorway. On each of the three floors, there are several units on the north side of the structure with north facing windows and balconies. To the west side of the front door at 1611 Plymouth Avenue North, there are individual single family two-story units, identified east to west as 1611, 1617, 1619, 1621, 1623, and 1625. Each of the single family two-story units has north facing front doors and windows.

On the north side of Plymouth Avenue, James Avenue North-Knox Avenue North, there is a one story building occupied by the AMES LODGE #106 MINNEHAHA TEMPLE #129 I.B.P.O ELKS OF WORLD, located at 1614 Plymouth Avenue North. The building has a single glass door on the south side, facing south across Plymouth Avenue. There is a fixed video surveillance camera on the southeast corner of the building, directed northeast, and a rotating video surveillance camera on the northeast corner of corner of the building.

SERGEANT GREEN conferred with a Club Member, identified as JEFFEREY BYRD, # [REDACTED] who showed SERGEANT GREEN the viewing monitor for the video surveillance system. A Club Member, identified as JAMES MARCUS FRIERSON, # [REDACTED], advised SERGEANT GREEN that the video surveillance system was operational; however, the system could not be accessed by him at the time. Arrangements were made with JAMES FRIERSON to have MPD CRIME LAB Personnel attempt to retrieve the video surveillance

at a later time on 11/15/2015.

Plymouth Avenue North, from James Avenue North-Knox Avenue North, is a two lane, east-west roadway with a left turn lane from Plymouth Avenue onto northbound James Avenue North, a one-way north. There is also a left turn lane, from Plymouth Avenue, onto southbound Knox Avenue North. There are three working street lights on the south side of Plymouth Avenue, one streetlight near the southwest corner of Plymouth Avenue/James Avenue North, one streetlight near the southeast corner of Plymouth Avenue/Knox Avenue North, and one streetlight on the boulevard approximately between 1615-1617 Plymouth Avenue. There are three working street lights on the north side of Plymouth Avenue, one streetlight near the northwest corner of Plymouth Avenue/James Avenue North, one streetlight near the northeast corner of Plymouth Avenue/Knox Avenue North, and one street light between the northwest corner of Plymouth Avenue/James Avenue North and the driveway/parking lot on the east side of AMES LODGE #106 MINNEHAHA TEMPLE #129 I.B.P.O ELKS OF WORLD.

SERGEANT GREEN learned the Involved Officer and the Witness Officer were driving MINNEAPOLIS POLICE DEPARTMENT marked squad 424, P#76679. Squad 424 was parked unoccupied on Plymouth Avenue, facing eastbound, in the eastbound lane of traffic. The engine was running, auxiliary equipment was on, the doors and windows were closed, and the headlights were off.

Squad 424 was parked nearly parallel, but in opposite directions, to HENNEPIN COUNTY EMS Command 41035, that driven to the scene by MIKE TRULLINGER, a Deputy Chief with HENNEPIN COUNTY EMS. The EMS vehicle was parked unoccupied on Plymouth Avenue, facing westbound along the south curb, in the bike lane. The EMS vehicle was running and the headlights were on.

MIKE TRULLINGER advised that there were HENNEPIN COUNTY EMS Personnel, who were at the scene but left the scene for transport. MIKE TRULLINGER advised that HENNEPIN COUNTY EMS Ambulance 419, PARAMEDIC WES THOMPSON and PARAMEDIC TYLER HASKELL, transported a female victim from the assault to NORTH MEMORIAL MEDICAL CENTER for medical attention. HENNEPIN COUNTY EMS Ambulance 443, PARAMEDIC MARI HILL and PARAMEDIC TYLER LUPKES, transported the male with the gunshot wound to HCMC for medical attention. SERGEANT GREEN requested MIKE TRULLINGER, WES THOMPSON, TYLER HASKELL, MARI HILL, and TYLER LUPKES be transported to MPD VICID for witness interviews with SERGEANT VILLELLA. SERGEANT GREEN advised SERGEANT MCBRIDE to have Ambulance 419 transported to the MINNEAPOLIS FORENSIC GARAGE for evidence processing.

MINNEAPOLIS POLICE DEPARTMENT CRIME LAB Personnel, FS J. CHRISTENSON and FS N. LENWAY responded to MPD 4th Precinct to document and collect items of evidentiary value from the Involved Officer and the Witness Officer. FS J. CHRISTENSON and FS N. LENWAY then responded to the scene where they were briefed on the Critical Incident and conducted the MPD crime scene response where items of potential evidentiary value were identified, documented, and collected; the MPD crime scene response included photographs and video.

While at the scene, SERGEANT GREEN was approached by an adult female from 1617 Plymouth Avenue North, who advised her 10 year old grandson had witnessed the shooting and was affected by what he witnessed. SERGEANT GREEN conducted a brief screening interview with [REDACTED] dob [REDACTED], [REDACTED] mother, [REDACTED], dob [REDACTED] # [REDACTED] was present for the screening interview. After the screening interview, it was determined that [REDACTED] had witnessed the events that occurred before and during the shooting; however, based on [REDACTED] age, SERGEANT GREEN requested to have [REDACTED] interviewed at CORNERHOUSE as a witness to the shooting. [REDACTED] agreed to bring [REDACTED] to CORNERHOUSE and assured neither she nor her mother would discuss the shooting and/or interview with [REDACTED] prior to the interview. (The screening interview with [REDACTED] was NOT recorded)

SERGEANT GREEN learned from CHRIS HUSNIK, a MINNEAPOLIS FIRE DEPARTMENT FIREFIGHTER from STATION 4, that he had responded to the shooting scene with FIREFIGHTER KELLY BLOCK and FIREFIGHTER GRANT LIMKE.

Dispatch was requested to add the weather conditions to the call: FROM NATIONAL WEATHER SERVICE - INFORMATION FROM 0050 HOURS. TEMP : 48 DEGREES. HUMIDITY: 68%. CLEAR SKIES. WIND FROM THE S AT 3 MPH.

On 11/15/15 at 0051 hours, Officer Knoll and I, working as marked squad 8222, responded to an Officer Needs Help call at 1611 Plymouth Ave. N.

Upon arrival, we assisted with crowd control in the inner perimeter. We then assisted with crowd control along the perimeter on Plymouth Ave. N. While assigned on the north side of Plymouth, I observed several persons (approximately 30) in various small groups. I attempted to locate any witnesses by asking the individuals if they witnessed the incident. No subjects came forward as witnesses to the incident, and most were hostile towards officers presence at the scene.

At approximately 0130 hours, we were relieved off the scene.

On 11-15-2015 at approx. 0051 hrs, while working squad 110 able, I responded to a HELP call at 1611 Plymouth Av N where dispatch had aired that shots had been fired.

When I arrived I was directed to start moving the crowd of people that has started to gather on the north side of Plymouth Av because the police tape needed to be moved. The group that was gather was very hostile; they were yelling things such as "fuck the police", "you are killers" and "You're next". The group was also recording the police and pushing the yellow police tape. I lined up with several officers and we started moving the group North and West of the Elks Lodge. After the group was moved back another line of police tape was placed up creating a safer barrier between the crime scene and the crowd.

I stayed on scene until I was directed by Sgt. Tucker to head back downtown to assist with bar close. I signed the crime scene log and cleared the call.

INTERVIEW WITH TYLER J LUPKES AT VCID INTERVIEW ROOM F AT APPROXIMATELY 0217 HRS ON
11/15/15

On 11/15/15, at approximately 0217 hours, I met with Tyler J. Lupkes at VCID, interview room F. I activated the audio/video equipment for the room. This is a summary of Lupkes interview and should not be considered verbatim without the use of quotation marks:

Lupkes told he was on duty working for Hennepin County Medical Center - EMS. Lupkes told he was working with Mari Hill.

Lupkes told he overheard on his radio that an ambulance crew was requesting help to their location and were in need of police response. Lupkes told he heard ambulance crew state that the assailant was trying to gain entry into the ambulance. Lupkes told their supervisor Trullinger was also responding to assist this ambulance crew. Lupkes told that when the supervisor arrived on the scene that the supervisor asked the ambulance crew if the assailant was the person outside the truck. Lupkes told that the supervisor then got on the air and asked if the police were responding. Lupkes told that he heard over the radio by the ambulance crew that they heard shots fired and they had aired this several times. Lupkes told the ambulance crew currently at that location had aired that they were leaving the area.

Lupkes told that it is procedure for a 2nd ambulance to be dispatch when an ambulance crew is requesting assistance. Lupkes told they responded to 1600 block Plymouth Avenue North. Lupkes told while enroute to the location the call was upgraded to a shooting call.

Lupkes told upon his arrival he observed a lot of squad cars and people out on the sidewalks. Lupkes told his supervisor was flagging them down with his flashlight where he was at with the patient. Lupkes told they were on the southside of the road and his supervisor was by himself with the patient. Lupkes told there were officers in the general area forming a perimeter around the scene. Lupkes told their supervisor was administering care to the patient. Lupkes told they were in the grassy area between the sidewalk and the street. Lupkes told at that time it was decided to load the patient up and get him out of the area. Lupkes told that he had a couple of officers do a quick pat down on the patient for weapons and nothing was found on the patient at that time. Lupkes told he noticed a pair of handcuffs lying next to this male and told he believes he had picked them up by the hinge area and had moved them.

Lupkes described this male as a black male, mid 20's, red t-shirt and black jacket. Lupkes told he observed blood on the males face and the injury was somewhere on the top of the males face.

Lupkes told he and his partner loaded the male into ambulance and transported him to Hennepin County Medical Center.

Lupkes told that the ambulance does video record the front outside and inside and the rear outside.

INTERVIEW WITH MARI HILL AT VCID INTERVIEW ROOM F AT APPROXIMATELY 0234 HRS ON 11/15/15

On 11/15/15, at approximately 0234 hours, I met with Mari Hill at VCID, interview room F. I activated the audio/video equipment for the room. This is a summary of Hill's interview and should not be considered verbatim without the use of quotation marks:

Hill told she was on duty working for Hennepin County Medical Center - EMS. Hill told she was working with Lupkes.

Hill told an ambulance crew requested a squad to their location because the assailant was there and approaching their truck. Hill told she heard the duty supervisor had responded to the scene. Hill told she heard the supervisor state that the assailant was outside the door of the ambulance. Shortly after the supervisor had responded to the scene she heard the supervisor state there was shots fired, that EMS was code 4, but they needed to leave the area. Shortly after this was aired Hill told they got dispatched, originally coded as routine and then said they were told it was changed to a shooting and to respond code 3. Hill told all they knew it was shots fired, one down and they didn't know who was shot.

Hill told this crew was out on the scene for a medical call and someone was having ankle pain.

Hill told when they arrived there were squads everywhere and people were yelling and police officers were present. Hill told she heard yelling and heard a males voice stating, "Black Lives Matter" over and over.

Hill told she observed the patient lying on the grass between the sidewalk and the street. Hill told the supervisor was providing the patient medical treatment. Hill told the patient had a gunshot wound to the head.

Hill described the patient as being a black male, a little bit taller than 5'5, thin to lean built, wearing baggy clothing, red plaid boxers on baggy jeans, black zip-up sweatshirt, quilted jacket, possibly a red t-shirt on, but doesn't recall the color, and 24 years of age.

Hill told she did not see any weapons lying by the patient and her partner had asked officers if the patient had been search. Hill told she felt on the patient for weapons and did not find a weapon on him.

Hill described the scene as dark and not well lit.

INTERVIEW WITH TYLER HASKELL AT VCID INTERVIEW ROOM M AT APPROXIMATELY 0254 HRS ON 11/15/15

On 11/15/15, at approximately 0254 hours, I met with Tyler Haskell at VCID, interview room M. I activated the audio/video equipment for the room. This is a summary of Haskell's interview and should not be considered verbatim without the use of quotation marks:

Haskell told he works for Hennepin County - EMS.

Haskell told he was working with Wesley Thompson.

Haskell told they received a call at 0020 hours for one with ankle pain and came out as a medical miscellaneous. Call stated the incident happened about an hour ago. They responded to 1611 Plymouth Avenue North, apartment 204.

Haskell told when they arrived there was a few people standing outside and one of them had a key and let them into the apartment building. Haskell told they went to the apartment and there was a female sitting with her son. This female told she was not able to put weight on her ankle. Haskell describes this female as an African American, 5'6, 120 lbs., and described her as being intoxicated.

Haskell told this female told she hurt her ankle because she had broken up an altercation about an hour prior to calling EMS. Haskell told at that time the female did not tell them who the fight was between.

As they were leaving the building entrance with the female who was in a transport chair, they noticed a male crying and acting kind of odd. Haskell's partner asked this male if he was okay and they male didn't respond and looked away. As they continued walking towards the ambulance the female told them that was the male who had did this to her. Haskell describes this male as being African American, 5'8, long dreads, wearing black sweatshirt, black pants.

Haskell told they continued to walk towards the ambulance with the female. Haskell told his partner got on the radio and requested police officers to respond with lights and sirens because the assailant was on scene.

Haskell told as they were trying to get the female onto their stretcher the male he had previously described walked up to them and was asking where she was going, in case he wanted to come and see her. Haskell's partner told him to back off and to let her be at this time. Haskell describes this male as being about 3 feet away from them and his partner kept telling this male to back up and stay away. Haskell told the female patient told this male to please stop and she didn't say anything else to him.

Haskell told the female claimed that she didn't know him, but the male kept claiming he was her son. The female denied that this male was her son. Haskell told the female told them this male was not related to her.

Haskell described the male as calling his partner "A pussy," "A Little Bitch." Haskell told his partner got on the radio again and asked for police to respond Code 3, that the assailant is standing around them.

Haskell told they got into the ambulance and while doing patient care and waiting for the police to arrive the male this whole time was knocking on the back window and was trying to open the door.

Haskell told that his supervisor arrived and parked behind their ambulance. Haskell heard the supervisor talking to the male, telling the male to relax, that they were just checking things out and making sure everything is okay here. Haskell told he unlocked the doors so the supervisor could get into their ambulance. Haskell told the supervisor got into the ambulance and he asked the supervisor to re-lock the ambulance doors.

Haskell told her never observed the police arrive. As they were talking to the supervisor and were getting ready

to leave the scene that is when they heard the one shot being fired.

Haskell described after hearing the gun shot he hit his emergency help button on. Haskell told the supervisor got on the radio and aired shots fired and they needed help over the radio and they all got down on the floor of the ambulance.

Haskell told the supervisor got out of the ambulance and his partner got out of the ambulance to get into the driver seat to drive out of the scene. Haskell told the supervisor stayed behind.

Haskell told he did not see anything outside between the police and the male outside. Told he did not hear them say anything and all he heard was a gun shot. Haskell told he heard talking outside, but did not hear what was being said and did not hear any screaming until after the gun shot and then heard a bunch of people screaming, but not any words.

Haskell told he does not know who was shot outside besides his partner telling him it was the guy they originally had the altercation with.

Haskell told the lighting in the area was dark, except for the ambulance lighting.

Haskell told there were 5 to 6 people outside and across the street at the bar area had 10 to 12 people outside.

Haskell told he never observed weapons on this male, but told this male had his hands in his pockets a lot.

Haskell told it appeared the female had been hit in the face a few times.

Haskell told they transported this female to North Memorial Hospital and identified the female as Rayann Hayes.

Haskell told they had been parked facing eastbound on Plymouth and the ambulance side door was on the boulevard side. Haskell told he heard the shot coming from that area.

INTERVIEW WITH WESLEY WILLIAM THOMPSON AT VCID INTERVIEW ROOM M AT APPROXIMATELY
0320 HRS ON 11/15/15

On 11/15/15, at approximately 0320 hours, I met with Wesley Thompson at VCID, interview room M. I activated the audio/video equipment for the room. This is a summary of Haskell's interview and should not be considered verbatim without the use of quotation marks:

Thompson told he works for Hennepin County Medical Center - EMS.

Thompson told he and his partner/Haskell responded to 1611 Plymouth Avenue North, apartment 204, on a medical miscellaneous that the patient had been assaulted when breaking up a fight that occurred one hour ago. Thompson told the call came in at 0020 hours on 11/15/15 and arrived at 0025 hours. Thompson told the run number is 15076386.

Thompson told upon arrival they parked facing eastbound on the northside of the building. Thompson told they went to the apartment 204 and located an African American female, 5'6, 100 lbs, in her 40's, last name Hayes. Thompson told the family was sleeping and there were kids in the house and a teenage son.

Thompson told he observed the female had a hurt right ankle, had abrasions to her nose and a cut lip. Thompson told this female told him that her injuries occurred when she was in the hallway and while trying to break up a fight.

Thompson told they used a stair chair to get her down the stairs and down to the ambulance. Thompson told as they got outside of the door of the building. Thompson told a male was crying. Thompson described this male as being African American male, wearing all black clothing, having dreads and is crying. Thompson asked this male if he was okay.

Thompson told the female stated to them that is the guy that did this to me. Thompson told this male later told them that he was the females son.

Thompson told while they were getting the female onto a stretcher, the male was approaching them and because the female had told them that this was the person who had assaulted her Thompson got on the radio and requested a squad to respond Code 3.

Thompson told as they were loading her up on the stretcher the male approached saying he was her son and the female was telling them that the male was not her son. Thompson told this male that he needed to back up. Thompson told that this male started to call him names, calling him a bitch and saying to him "fuck you pussy." Thompson told this male then told the female that he was going to come down to see her and the female wasn't responding back to him.

Thompson told he was on the radio with dispatch telling them that they need police to arrive now. Thompson told he did not notice if the male had any weapons in his hands. Thompson told he was mainly focusing on getting the female into the ambulance. Once inside they locked the ambulance doors. Thompson described the area around the ambulance as not well lit.

Thompson told that his partner told him that the male had knocked on the back door. Thompson told they were staying inside the ambulance and waiting for help to arrive.

Thompson told the supervisor arrives behind them and parks his vehicle facing westbound and they can see this through their rear door windows. Thompson observes the supervisor have a conversation with the male outside, but he cannot hear what is being said. Thompson told he could hear over his radio that the supervisor had ordered the squads Code 3.

Thompson told that the supervisor came into the ambulance and they have a brief conversation about who the

male is outside and who is he to her.

Thompson told he did not observe the police arrive, but believes they were there because he knows that the supervisor would not have come into the ambulance leaving a strange man outside the ambulance.

At the time they are getting ready to go they heard a loud pop outside. Thompson told he knows its gun fire in a close proximity. Thompson told he heard one shot. Thompson told he called on the main "shots fired" and the supervisor hit his email button.

Thompson told he and his supervisor went out the side door and he observed two officers outside and the assailant who they had been dealing with laying out on the ground on his back. Thompson told as he coming around the front he observed a large crowd gathering outside. Thompson told he got into the ambulance and took off Code 3. Thompson told he heard the crowd yelling from the bar side.

Thompson did not hear any arguing outside the ambulance before he heard the shot-being fired.

Thompson told he didn't look to see if the male had any weapons.

INTERVIEW WITH MICHAEL TRULLINGER AT VCID INTERVIEW ROOM M AT APPROXIMATELY 0349
HRS ON 11/15/15

On 11/15/15, at approximately 0349 hours, I met with Michael Trullinger at VCID, interview room M. I activated the audio/video equipment for the room. This is a summary of Trullinger's interview and should not be considered verbatim without the use of quotation marks:

Trullinger told he works for Hennepin County - EMS and is the duty Deputy Chief of Operations.

Trullinger told he was the supervisor on duty and told he heard ambulance truck 419 was asking for squads Code 3, but told they were Code 4 inside their truck. The personnel in truck 419 told that the suspect in the assault was trying to access into the ambulance and interfering with the care. Trullinger told this ambulance crew responded to 1611 Plymouth Avenue North.

Trullinger told that the female had an ankle injury and she had been hit in the face.

Trullinger told that he responded to the call where ambulance truck 419 was located. Trullinger told upon his arrival he observed a male at the back door of the ambulance. Trullinger aired on the radio asking the crew if this was the male they had been calling about and they confirmed that it was. Trullinger told he approached the male and he observed him looking in and tapping on the ambulance door. Trullinger told he got on the radio and asked the dispatch to get the officers to respond Code 3.

Trullinger described this male as being black, short dreads, but not real short, darker outer jacket with possibly a dark red shirt.

Trullinger told he approached this male and asked him what he wanted and the male told him that the female was his mother. Trullinger told that it appeared to him that the male was trying to forcibly make himself cry. Trullinger told the squad arrived and he walked up to one of the officers and told him this is the suspect in the assault and the person who is trying to gain access into the ambulance and he asked that they talk to this male as he wanted to talk to his crew.

Trullinger told that as he and the two officers were approaching the male. Trullinger told that the officer he had spoken to he noticed that he had drew his weapon and was holding the gun at his low ready. Trullinger told that the officer asked if the male had any weapons on him and the male responded no. Trullinger told that he heard the male ask the officer why he had his gun out and it sounded like the male was getting a little uppity. Trullinger could tell that this male was getting verbal and there were people yelling stuff.

Trullinger told there were people coming out of the Elks approximately 6 to 10 and from the apartments there were quite a number of people out there.

Trullinger told he did not see the male with any weapons, but he noticed that he would have his hands in his shirt or pockets.

Trullinger told as he approached the side door of the ambulance he looked back and it appeared that one of the officers were trying to get control of him and observed one of the officers doing an escort hold on the male.

Trullinger told he got into the ambulance and began asking the crew how everything was going and then asked the patient who the male was as he was claiming to be her son. Trullinger asked the female if this was the man that had hit her and she told him yes. Trullinger told he heard a single gun shot. Trullinger told the medics and him got down around the patient waiting to see if there were going to be any more shots, but there wasn't. Trullinger told he announced on the radio shots fired. They decided they needed to get out of there. Trullinger told he opened the door and observed two officers facing the crowd and the suspect lying on the ground and bleeding from his head.

Trullinger told his ambulance crew to get out of there and they were going to transport the female to North.

Trullinger told he went up to the male on the ground and saw that he wasn't breathing, but had a pulse. Trullinger told he went to his truck to get medical equipment and started to provide life saving measures on this male.

Trullinger told he called for a truck right away and requested fire to respond.

Trullinger told the male had a gunshot wound to his left side of his head on the temple area. While the crew arrived to assist they loaded the male into the ambulance and left the scene as a crowd was gathering. Trullinger told no weapons at that time was found on the male. Trullinger told the male was transported to HCMC.

Trullinger told he only noticed one officer with their weapon out. Trullinger told this officer was a white male, possibly blonde hair or no hair, 5'11, medium to bigger built.

Trullinger told that he did observed a pair of handcuffs lying next to the patient on the right side of him. Trullinger told the handcuffs were lying on the grass and were not on the male.

INTERVIEW WITH RAYANN FRANCINE HAYES AT NMMC ON 11/15/15

On 11/15/15, in the early morning hours, I went to North Memorial Medical Center, to conduct an in-person interview Rayann Francine Hayes. I took an audio recorded statement from her. This is a summary of Hayes interview and should not be considered verbatim without the use of quotation marks:

I introduced myself to Rayann Hayes and told her I was there to take a statement from her.

Rayann Hayes she lives at 1223 Morgan Avenue North and was over at her daughters house at 1611 Plymouth Avenue North, apartment 204. Rayann Hayes told that her daughter is Shamirra Finn and her daughter has a 2 year old.

Rayann Hayes told she had been drinking and had two shots and a cosmopolitan drink and had smoked marijuana today.

Hayes told she went to a birthday party at Alfred and Keylontra (sp?) apartment 103. Hayes told others were also present and they had played cards Sharice Clark, Jamar Clark who is Sharice brother and Ronnie Powell.

Hayes told that Sharice Clark lives in apartment 104 with her husband Jerome Powell.

Hayes told she has known the people that live in 103 and 104 for approximately 1 year.

Hayes told that something popped off and Alfred and Keylontra had got into an argument. Hayes wasn't sure exactly what happened and while they were inside playing cards with Alfred and Key Key.

Hayes was asked what happened to her face and leg and she told everything happened so fast. Hayes told when Alfred and Keylontra were fighting she got in between the two.

I asked Hayes about calling the paramedics for her injuries and when they were bringing her outside to the ambulance she pointed out the male responsible for causing her injuries. Hayes acknowledges telling the paramedics this. I asked her who she told was responsible for causing her injuries and she stated she told them the guy standing in front of the building. Hayes first responds that she doesn't know his name and really doesn't know him like that. Hayes then describes the male throwing her to the ground and bagging her against the floor.

I asked Hayes to describe the male and she told he is black and the one with the dread locks, short in height, dark complexion and then told it was Jamar Clark, age is middle 20's. I told her that he is saying that he is her mother. Hayes told that is not true. Hayes told that the suspect is Sharice brother, who is Jamar Clark.

Hayes told she doesn't know why Jamar did this to her. Hayes told that Jamar shoved her to the ground and said beat, but then stopped describing this. Hayes told when she got up Jamar apologized and stated he thought she was someone else.

Hayes told that when her ankle was injured it happened outside in the hallway of the building on the 1st floor. Hayes told this happen approximately 830. Hayes denied calling the police and someone else called the police.

Hayes told that when she was inside the ambulance that Jamar tried to get inside the ambulance. Hayes told that Jamar never gained access into the ambulance. I asked her what happened when she was in the ambulance and she told that the drove her to the hospital. I asked Hayes if she heard any shots outside of the ambulance and she told me no.

Hayes was asked if she saw Jamar with a weapon and she told me no. I asked her if she ever saw Jamar with

a weapon and she told me no.

Hayes told Jamar grabbed her and he did a leg swipe on her and she fell backwards to the ground. Hayes told Jamar was trying to get her attention in the wrong way. Hayes told that Jamar had head butted her and caused the cut to the inside of her lip that needed stitches. Hayes then showed me the injury/stitches to the inside upper lip.

Hayes told Jamar is a normally a calm person and has never seen him like this in the past.

Hayes told that Sharice, Ronnie Powell, Alfred and Keylondra and the kids would have witnessed Jamar do this to her.

After turning off my audio recorder I was told by Hayes that she suffered a fractured right ankle and she may need surgery.

Statement of Sgt. Karakostas #3636 on 11/15/15- Initial response

On 11/15/15, LT Zimmerman called me and asked that I respond to the area of 1611 Plymouth Ave N. Lt Zimmerman told me that there was an officer involved shooting and officers were still on the scene.

I responded to the scene and arrived at approximately 0245 hrs. I talked to Commander Grander at the scene. I was told officers were involved in a shooting and a person was at HCMC and was still alive however he was in serious condition and may not survive his injuries.

While at the scene DC Fowlkes stated he was going to go to HCMC and meet with family members. I was asked to go to HCMC and attempt to swab the victim's hands.

I left the scene and arrived at HCMC at approximately 0315 hrs. While at HCMC I talked with HCMC nurse Val Rozenson. I asked the nurse if it would be possible to swab Jamar Clark's hands. I was told his hands had been cleaned with Chlorhexidine when he arrived at HCMC. Val Rozenson handed me sterile swabs and I swabbed the victim's right hand and fingernails. Another nurse was attending Jamar Clark's left arm. Val Rozenson swabbed Jamar Clark's left hand. The swabs were put in the in plastic bags and labeled "right" and "Left."

I took the swabs from the plastic bags and placed the swabs and in envelopes. The swabs were property inventoried.

I cleared HCMC a short time later.

Offense: Critical Incident
Date/Time Notified: 11/15/2015 02:30:00 AM
Location: 1611 Plymouth Av N
Briefed By: Sgt. C. Green
Responded: FS J. Christenson, FS N. Lenway

We were requested to first respond to 1925 Plymouth Av N (Minneapolis Police Department 4th Precinct) to take photographs of the involved officers, as well as collect their pistols.

Officer Photographs Completed By: FS J. Christenson
- Ofc. D. Schwarze (#6422)
- Ofc. M. Ringgenberg (#6030)

The following items were collected by FS N. Lenway:
- Pistol with magazine from Ofc. D. Schwarze (#6422)
- (2) magazines with live cartridges from Ofc. D. Schwarze (#6422)
- Pistol with magazine from Ofc. M. Ringgenberg (#6030)
- (2) magazines with live cartridges from Ofc. M. Ringgenberg (#6030)
- Duty belt with holsters, handcuffs, mace and other accessories from Ofc. M. Ringgenberg (#6030)

We then responded to the scene located at 1611 Plymouth Av N. Upon arrival, Sgt. Green briefed us on the incident.

Scene Summary:

We were informed that HCMC ambulance #419 responded to the area of 1611 Plymouth Av N to render aid to a female assault victim. While doing so, EMS personnel requested police presence, as a male was causing a disturbance, hindering their medical intervention.

Upon arrival of officers, a physical altercation occurred with the male when trying to take him into custody. During the altercation, a shot was fired by a responding officer, striking the male.

Both the female and the male were transported by EMS from the scene.

On the boulevard in front of 1611 Plymouth Av N, a discharged cartridge casing (DCC), set of handcuffs (both cuffs open), and a green EMS bag with medical supplies was observed. An area of blood-like substance (BLS) was also observed on the above mentioned boulevard/sidewalk.

HCMC EMS command vehicle #41035 was parked facing east along the south curb of Plymouth Av N, west of 1611 Plymouth Av N.

Squad 424 (involved officers) was parked facing southeast in the eastbound lane of Plymouth Av N, just east of the above mentioned EMS command vehicle.

Surveillance cameras were observed on the east side of 1614 Plymouth Av N (I.B.P.O. Elks of World). It is unknown if the footage from these cameras captured the incident, as we were not able to view the footage while on scene.

Evidence markers (EMs) A-C were placed by FS N. Lenway next to the DCC, handcuffs and EMS bag.

Crime Scene Documentation:

Photographed By: FS J. Christenson
Sketch Completed By: FS J. Christenson
Video Completed By: FS N. Lenway

A secondary search for evidence was conducted and a possible squad key was located near the handcuffs on the boulevard in front of 1611 Plymouth Av N. This was marked with EM: D. Additional photographs and measurements were taken.

The following items were collected by FS N. Lenway:

- DCC (EM: A) from boulevard in front of 1611 Plymouth Av N
- Handcuffs (EM: B) from boulevard in front of 1611 Plymouth Av N
- Green EMS bag with medical supplies (EM: C) from boulevard in front of 1611 Plymouth Av N
- Possible squad key (EM: D) from boulevard in front of 1611 Plymouth Av N

After collection, an additional search for evidence was conducted with negative results.

After clearing the scene, we responded to the Forensic Garage, where we met a tow truck carrying HCMC ambulance #419. Ambulance #419 was placed inside the Forensic Garage. Sgt. J. Moore also responded, along with a supervisor from HCMC, to the Forensic Garage to view video footage captured on the cameras of the ambulance.

The collected items were brought to the Crime Lab Unit; They were sealed and placed into secured storage for transfer to the BCA.

The photographs, sketch, and video will be retained in the Crime Lab Unit.

We hereby certify that this is a report of the conclusions of an examination performed by us.

This sample was obtained because I had briefly touched the weapon of Officer Schwarze #6422. In addition to my original statement, I briefly held the weapon as I walked Officer Schwarze back to my squad. Once in the squad I placed the handgun on the dash as I drove both officers involved back to the 4th Pct. Once at the 4th Pct., I gave Officer Schwarze his firearm back and it was holstered.

It should further be noted that I informed BCA Agent Doug Henning that my partner (Conner) had his hat on the dash and I believed that the firearm could of touched it.

Prior to doing this supplement I informed Sgt. McBride of the DNA sample and that I would be completing an additional supplement.

12-17-2015

CASE SUMMARY:

On December 14, 2015 the Minneapolis Digital Forensics Lab received a work request from Sergeant Twila Vilella to examine a cell phone. The specific stipulation of the request was to retrieve or document specific text messages and contacts list information stored on the phone. The examiner began the examination process on Monday, December 14, 2015.

LOCATION OF EXAMINATION:

Minneapolis Police Crime Lab
350 5th Street South, Room 102
Minneapolis, MN 55415

EVIDENCE ASSESSMENT:

1. Documentation was retrieved from the Minneapolis Police Departments records management system and reviewed. Digital Forensic Lab employees took custody of the evidence item. Legal authority was established by owner consent specifically for the examination of the evidence item[s] in a laboratory setting. The evidence media was photographed and entered into the Forensic Computer Laboratory Case Management System (FCLCMS). The resulting images were added to the case file. Upon completion of the examination the original evidence was returned to the owner. An evidence transfer form and a search authorization form was completed and added to the case file.

GENERAL PROCEDURES:

1. The Minneapolis Police Digital Forensics Unit strives to provide service in a timely manner. Due to the complexity and the required attention to detail it may take up to 24 hours to complete a standard cell phone examination. Often the owner of the phone is unable to relinquish the evidence long enough for a full examination to be completed. In situations like this the Digital Forensics Lab will perform a limited examination referred to as a, "Technical Report". The case agent and owner will be advised of the differences between this methodology and a standard examination.

2. Details about the evidence media such as the make, model, and serial number were entered in the forensic laboratory management database. Each evidence item is given a unique number in the database software. The assigned media numbers and corresponding information are included in this report and can be viewed below:

DIGITAL MEDIA EXAMINED:

Apple - Cellular Phone
a. Model: iPhone 5s (A1533)
b. S/N: [REDACTED]
c. IMEI: 013852006084957

d. FCC ID: BCG-E2642A

e. Number: [REDACTED]

f. Lab#: 2015-351-1

FORENSIC TOOLS AND ANALYSIS:

1. The examiner used a laboratory computer to complete the analysis and report. All forensic software and equipment used during this examination is licensed to or authorized for use by the examiner and/or the Minneapolis Police Department. Various hardware and software solutions were used to protect the integrity of the data contained on the original media. A search of the evidence item[s] was completed with emphases placed on areas listed below:

Analysis Software

a. Fernico ZRT2 (version 2.0.93.0)

Areas of Focus

a. Contacts

b. Text Message (SMS)

CONCLUSIONS:

Based on the information revealed by the forensic examination, as well as the examiners experience and training, the following findings have been reported:

1. Due to the specificity and time sensitive nature of the request the examiner had to use the Fernico ZRT2 software and a Canon Rebel T3 digital camera to catalog one contacts list entry and two text message entries stored on the evidence item (Lab# 2015-351-1). The examiner also used the Fernico ZRT2 device to document the general information about the phone. The examiner recorded the display screen of the evidence item while manually navigating the menu system of the phone to the desired location. The Fernico software was utilized to correlate the resulting images into a report. The report was added to the case examination DVD and can be found under the title, "Fernico ZRT2 Report". It should be mentioned that Sargent Villella requested the documentation of the contact information related to the contact, "C Green". There were four phone numbers listed under that contact. Sergeant Villella requested that only two of the numbers be documented. There other two undocumented numbers were phone numbers belonging to personal phones.

The examiners role is to extract or document the information contained on the evidence in a consistent reliable manner. Question related to context and pertinence should be directed to the investigator that requested the examination. Any questions regarding the above procedures or additional information can be provided by the examiner upon request. One copy of the case examination DVD was created and given to Sergeant Villella. A second copy of the case examination was created and given to Director Johnson. A third copy of the case examination DVD was created and property inventoried in the Minneapolis Police Property Room.

GENERAL PROCEDURES:

1. The Minneapolis Police Digital Forensics Unit strives to provide service in a timely manner. Due to the complexity and the required attention to detail it may take up to 24 hours to complete a standard cell phone examination. Often the owner of the phone is unable to relinquish the evidence long enough for a full examination to be completed. In situations like this the Digital Forensics Lab will perform a limited examination referred to as a "Technical Report". The case agent and owner will be advised of the differences between this methodology and a standard examination.
2. Details about the evidence media such as the make, model, and serial number were entered in the forensic laboratory management database. Each evidence item is given a unique number in the database software. The assigned media numbers and corresponding information are included in this report and can be viewed below:

DIGITAL MEDIA EXAMINED:

Apple - Cellular Phone
a. Model: iPhone 5 (A1428)
b. S/N: [REDACTED]
c. IMEI: 013432005585401

d. FCC ID: BCG-E2599A

e. Number: [REDACTED]

f. Lab#: 2015-351-2

FORENSIC TOOLS AND ANALYSIS:

1. The examiner used a laboratory computer to complete the analysis and report. All forensic software and equipment used during this examination is licensed to or authorized for use by the examiner and/or the Minneapolis Police Department. Various hardware and software solutions were used to protect the integrity of the data contained on the original media. A search of the evidence item[s] was completed with emphases placed on areas listed below:

Analysis Software

a. Fernico ZRT2 (version 2.0.93.0)

Areas of Focus

a. Contacts

b. Text Message (SMS)

CONCLUSIONS:

Based on the information revealed by the forensic examination, as well as the examiners experience and training, the following findings have been reported:

1. Due to the specificity and time sensitive nature of the request the examiner had to use the Fernico ZRT2 software and a Canon Rebel T3 digital camera to catalog one text message entry stored on the evidence item (Lab# 2015-351-2). The examiner also used the Fernico ZRT2 device to document the general information about the phone. The examiner recorded the display screen of the evidence item while manually navigating the menu system of the phone to the desired location. The Fernico software was utilized to correlate the resulting images into a report. The report was added to the case examination DVD and can be found under the title, "Fernico ZRT2 Report".

The examiners role is to extract or document the information contained on the evidence in a consistent reliable manner. Question related to context and pertinence should be directed to the investigator that requested the examination. Any questions regarding the above procedures or additional information can be provided by the examiner upon request. One copy of the case examination DVD was created and given to Sergeant Moore. A second copy of the case examination was created and given to Director Johnson. A third copy of the case examination DVD was created and property inventoried in the Minneapolis Police Property Room.

Statement of Sgt. Karakostas #3636 on 12/17/15-RE photographs

On 11/15/15, when I went to HCMC and swabed Jamar Clarks hands I also attempted to take photographs of his hands. I used my department issued phone and took several photogrpahs. After returning to HQ I felt that Crime Lab should reposnd to HCMC and take better pictures of Clarks hands. Sgt. More later met the Crime Lab at HCMC.

A DVD of the photogrpahs will be property inventoried.
