Supplement of Off S.Buck #000854 on 07/29/2015 14:16

On 07/29/2015, I was dispatched to recover some items at 2318 Aldrich Av N. There, I met with a CHERYL BOOKER [REDACTED]. She brought me the items which consisted of a childs booster seat, an owners manual for a vehicle, a gray shirt, a childs cup and a package of wet wipes.

BOOKER told me her daughter actually discovered the items among her flowers planted in the boulevard between the street and the sidewalk. This was about 7 pm the previous day. She said today she called 311 and using the vin from the insurance card in the manual, was able to determine the connection to this case.

I inventoried all items and held the black vinyl owners manual for evidence should finger print work be requested.
