Supplement of Off B.Bauer #000340 on 07/30/2015 01:12

On 07/29/2015 I was working marked Squad 412 (76678) as squad 410 along with my partner Officer Carlson. I was the driver as my partner was the passenger during the following incident. We were involved in a Flee see supplement from( 15-283056).

While attempting to stay behind the vehicle going westbound on 16th Ave N towards Logan Ave N, the vehicle made an evasive maneuver and turned southbound on Logan Ave N from 16th Ave N going approximately 47 Miles per hour. I was unable to make the turn southbound and continued westbound through the yard at 1531 Logan Ave N.

As I was going westbound through the yard I stuck a small tree with the front driver side of the squad causing damage to the front passenger side.. I was able to drive around the tree and make a U-turn southbound on Logan Ave N getting back in the pursuit. The vehicle crashed at 1527 Logan Ave N. The occupants of the vehicle were placed into custody.

After the scene was code 4, I made contact with the home owner at 1531 Logan Ave N, who was later ID'd as V1. V1 was given a blue case card.

Squad 9980( Sgt. Schmidt) responded to the scene, because of the city vehicle accident. Squad 9980 completed the state accident report for officers. Pictures were taken of the vehicle. The squad was later brought down to the Minneapolis Shop, where a work order was placed on it.

It should be noted that the squad MVR was running the entire incident.

Supplement of Sgt K.Schmidt #006371 on 07/30/2015 01:32

On July 29, 2015 I was assigned to the Minneapolis Police Departments Traffic Investigations Unit. I was assigned to Unit 9980 when I was contacted by Sgt. W. Liotta regarding a vehicle pursuit (CCN: 15-283056), which ended in a collision in the area of Logan Avenue North and 16th Avenue North. Sgt. Liotta requested I respond to the scene. I responded to the scene at approximately 2225 hours from the Traffic Units office.

Upon arrival I was advised by Officer Baur that while driving marked squad 412 and in pursuit of a confirmed MPLS stolen vehicle it made an abrupt turn on to Logan Ave N. Officer Bauer was unable to make the turn and corrected his steering and which caused him to jump the west curb of Logan Avenue N and travel through the yard of 1531 Logan Avenue N.

The suspect vehicle of 15-283056 also crashed at a different location just south of the intersection.

The squad struck a small 2 inch tree in the yard causing damage to the tree and the front left side of the squad.

Neither Officer Bauer or Officer Carlson (passenger) reported injury.
