

Become an Apartment Recycling Champion

Become a recycling leader in your building as an Apartment Recycling Champion!

Champions help educate neighbors about recycling and composting and motivate everyone to reduce waste.

As a champion, you will do activities such as distributing educational materials and answering questions, monitoring trash and recycling areas for contamination, conducting educational sessions, and setting up recycling bins and signage in common areas.

Champions will be paid \$187.50 per month for a three- to six-month term based on the size of your property. The time commitment is approximately six hours per month.

Who can participate?

No prior recycling knowledge is needed to apply, just enthusiasm for waste reduction and recycling! You will receive training and have regular contact with Hennepin County staff for help.

You must be 18 years or older and live in an apartment or other multifamily building with five or more units in Hennepin County. Your property manager must agree to your participation.

Apply now!

1. Learn more at hennepin.us/apartment-recycling-champions
2. Complete your application by April 8
3. Accepted champions will begin work on May 1

If you have any questions, please email apartmentrecycling@hennepin.us.
