

## Notice of Event

The Housing and Economic Development Department is soliciting proposals, within the Community Engagement Roster Program, for their Lead Poisoning Prevention grant.

Interested proposers must be invited to this event in [Supplier Portal](#) to view documents and submit a proposal. To receive an invitation, please email [engagementroster@hennepin.us](mailto:engagementroster@hennepin.us) no later than 3:00 PM CST on October 8<sup>th</sup>, 2025, with the subject line "Lead Poisoning Prevention - Request for Invitation."

Proposers are advised to request notice at least two business days in advance of proposal deadline for registration and invitations. This precaution is necessary because these processes may require additional work, and any delays could lead to missed opportunities.

Please be advised that to be considered responsive to this Request for Proposals, all proposers must have submitted an application for the Community Engagement Roster prior to the due date. Additionally, to qualify for an award, proposers must execute Hennepin County's Community Engagement Roster principal agreement prior to award.

If you are already on the roster list, you do not need to submit an application. Check the roster list on the program page: [Community engagement roster](#).

This grant is supported by the Centers for Disease Control and Prevention of the U.S. Department of Health and Human Services (HHS) as part of a financial assistance award totaling \$1,559,433.00 with 100 percent funded by CDC/HHS. The contents are those of the author(s) and do not necessarily represent the official views of, nor an endorsement, by CDC/HHS, or the U.S. Government.
