Tips

Check with organizations before donating

- Each organization has a specific list of items they will accept. Check their website or call before bringing your items.
- Check what days and hours they are open to take donations. Never leave items outside organizations after hours.
- Some organizations offer pick-up services. Check for availability and fees.

Donate items in good condition

- Items should be safe to use.
- No recalled items, cracked helmets, etc. Check safety issues listed by the Consumers' Product Safety Commission, cpsc.gov
- Clothing should be washed or dry-cleaned.
- Furniture should be structurally sound and have no stains or tears.
- Electrical items should work.
- Electrical cords should have no exposed wiring.

Seasonal items

- Donate them during the appropriate season.
- Donate snowsuits in the fall, golf clubs in the spring, for example.

Good to know

- Determine Fair Market Value for your donated goods at the IRS publication 561: irs.gov/uac/About-Publication-561

Choose to reuse it

Tips

Do not donate household hazardous waste

Household hazardous waste includes cleaners, paint, fluorescent light bulbs.

Check the Green Disposal Guide for proper disposal options:
hennepin.us/greendisposalguide

It is very expensive for non-profits to properly discard of unusable or hazardous items, so please be careful about what you donate.
