The "Diagnosis info" tab is selected. Below the tabs, there are three radio buttons: "Diagnostic assessment" (selected), "Examiner's statement", and "Reasonable efforts letter". Below these, there is a "Date of diagnosis (required)" field with a calendar icon and the date "04/01/2024". The "Name of primary diagnosis (required)" field is highlighted with a red box and contains the text "Transfer - SPMI". Below this is an "ICD 10 code (required)" field. At the bottom of the form, there are three buttons: "Back", "Next", and "Submit".

4. Complete an [Uncompensated Care request \(Service Authorization for HennPay\) \(hennepin.us\)](#) if needed.

Mentally Ill and Dangerous (MI/D) Petitions and Commitments

The statutory requirements for Mentally Ill and Dangerous to the Public (MI/D) commitments under § 253B.18 and legal processes differ from those that govern Mentally Ill and/or Chemically Dependent commitment types through the District Court. For the purpose of protecting the person's legal rights, it is Hennepin County's policy that all people committed as Mentally Ill and Dangerous are transferred to and managed by the Hennepin County Forensic Case Management Team. Hennepin County's Forensic Case Management Team is specialized in providing case management to individuals who are ordered to indeterminate commitments as Mentally Ill and Dangerous. The Forensic Team is trained to concentrate on the laws and mandates specific to this commitment type.

When a person has a petition for commitment as Mentally Ill and Dangerous

The Forensic Case Management Team - Social Work Unit Supervisor must be notified for all people committed as MI/D. Supervisor: Brenda Bramel (brenda.bramel@hennepin.us)

1. Initial petition - Email the Forensic team supervisor and include:
 - a. Person's name, DOB and court date
 - b. Petition information
2. After the Initial Hearing – Email the Forensic team supervisor with the hearing outcome
3. If a client is committed as MI/D at the initial hearing, the provider must consult the Forensic team supervisor to determine the timing of transfer to the Forensic team.
 - a. Consultation must happen at the point of initial support for the MI/D commitment when the client is on the Warrant.
 - b. This is for the purpose of protecting the person's legal rights and for Hennepin County to help the provider to prepare the individual for the commitment and treatment process.
 - c. At the .18 finalization hearing, if the person is determined to remain in MI/D status, transfer the case to Hennepin County

Case transfer for a person Committed as Mentally Ill and Dangerous

1. All persons ordered to *indeterminate* commitment as Mentally Ill and Dangerous must transfer to the Hennepin County Forensic Case Management Team.
2. Provider notifies the Hennepin County Forensic Supervisor that the person has been supported or finalized for an MI/D commitment.
3. The provider will send the following to the Forensic team supervisor:
 - a. Transfer documents
 - b. Forward the Mentally Ill and Dangerous Commitment Order
 - c. Transfer Summary; including legal and housing history
 - d. Most recent Diagnosis and ICD 10 Code
 - e. Any documentation of the incident leading up to the MI/D commitment
 - f. Guardianship information (if any)
4. The SSIS WG assigned to the contracted provider will be closed by HSPH.OS.BH@hennepin.us.
