If no settlement is reached, the DEPARTMENT Head or their designated representative shall give written answer to the EMPLOYEE and the UNION representative within fourteen (14) calendar days following their meeting.

Section 2. The standard in-range salary rate adjustment for each year 2025, 2026, and 2027 will be three percent (3%). The EMPLOYER shall not reduce the salary rate of an EMPLOYEE except for just cause. Prior to an employee receiving a Needs Improvement annual rating, that employee shall receive specific feedback on the duties which require improvement. Such feedback shall normally be provided with sufficient time for an employee to attempt to correct the duties that need improvement.

Section 3. Any salary adjustment provided for in this AGREEMENT shall commence on the beginning of the first payroll period after which the EMPLOYEE(s) become qualified and authorized to receive the adjustment.

Section 4. Salary payments shall be made on a bi-weekly basis.

Such leave shall be subject to approval by the EMPLOYER and shall not exceed forty-eight (48) hours in any payroll year.

ARTICLE 17 - INSURANCE

A. Health Insurance Plan Design and contributions

The EMPLOYER shall provide group health insurance coverage for benefit-earning EMPLOYEES. Such coverage and providers shall be selected by the EMPLOYER. The Health Insurance coverage shall be known as the "Standard Plan."

Employee contributions to the plan will be based on the percentage of the total premium per shown below for 2025, 2026, and 2027.

Employee only	3%
Employee + spouse	17%
Employee + child/ren	17%
Family	15%

B. Health Insurance Premium and Plan Design Changes, 2026, 2027, and 2028

The parties agree to a consensus decision making model within the context of the existing Labor Management Health Care Committee (LMHCC) for the purpose of setting plan design and premium for the years 2026, 2027, and 2028 as described below, and subject to the consensus parameters agreed to by the parties and incorporated by reference as an extension to this AGREEMENT.

The LMHCC's consensus recommendations will be advisory to the EMPLOYER. If a consensus decision is reached by 8/31 of any given year of the contract, both the UNION and the EMPLOYER agree to be bound by the decision, pending County Administration approval. The consensus recommendation will be submitted to County Administration for final approval.

If a consensus decision is not reached by the LMHCC by 8/31 in any given year of the contract, the EMPLOYER will, in its sole discretion, set the health insurance premiums for each plan and implement plan design changes, if any, for that particular year, after consulting with the third party administrator, benefits consultants, and based on the discussions with and input from LMHCC.

During the last year of the contract, if a consensus decision on plan design and premium or continuation of the consensus model is not reached by the LMHCC by 8/31 of that year, the parties shall revert to the negotiation process as it has in the past. The EMPLOYER shall present their proposal for changes to plan design and premium in the traditional contract negotiation format, after consulting with the third party administrator, benefits consultants, and based on discussions with and input from the LMHCC. Employee contributions for the subsequent AGREEMENT will continue to be subject to negotiations between the parties.

The consensus model described herein will expire on 8/31 of the last year of this AGREEMENT, unless the LMHCC provides a consensus recommendation that it should be continued into the subsequent AGREEMENT.

C. Health Insurance Provider Tiers for the Standard Plan, 2026, 2027, and 2028

As agreed to in prior contracts, the EMPLOYER will, in its sole authority, determine how many tiers and which providers are included in which tier for the Standard Plan. Any such changes will be shared with the LMHCC group with the driving reason for such change and the financial impact initiating the change.

NOTE: Consistent with previous rounds of bargaining, the health insurance plan design and the provider networks / tiers shall not appear in the labor agreement(s), but rather shall reside on the provider's website

D. Health Care Plan Reserves Fund

The EMPLOYER, in its sole discretion, will determine if and how many dollars from the Reserves Fund will be utilized.

Subd. 1 Benefit. The EMPLOYER shall provide access to the County's group health insurance program for eligible employees until the end of the month in which the employee turns age 65. An eligible employee shall receive the same County contribution towards the health insurance continuation benefit provided for in the ERHIP although the employee is actively working and has elected single coverage in the County's group health insurance program. An eligible employee may elect to continue coverage under the County's group health insurance program for dependents provided the employee pays 100% of the cost of dependent coverage in addition to any required share of the single premium. The EMPLOYER may establish appropriate policies and procedures to implement and administer the ERHIP that are not inconsistent with the requirements of this section. These include, but are not limited to, the application process and the time period required to apply for ERHIP benefits, the process for remitting premium payments, adding or deleting dependents from coverage or the termination of coverage for the non-payment of premiums.

Subd. 2 Eligibility. Only employees that have County group health insurance coverage in force on the date of employment termination and who were hired by the EMPLOYER before January 1, 2008, are eligible to participate in the ERHIP. Employees newly hired, re-hired on or after January 1, 2008, are ineligible to participate in the ERHIP. To receive the health insurance continuation benefit provided for in the ERHIP, the employee must meet at least one of the following three eligibility requirements:

A. The eligible employee meets one of the following age and years of service requirements:

<u>Age</u>	<u>Non-Continuous Years of Service</u>

Employees desiring to opt-out elected in writing prior to July 1, 2008, whether they would maintain their current retiree insurance benefit, or opt out of the ERHIP and participate in the Health Care Savings Plan (HCSP) option. This was a one-time, irrevocable election. Employees who did not make an election in writing prior to July 1, 2008, are deemed to have elected to retain their current retiree insurance benefit under the ERHIP. If an employee who is eligible for ERHIP based on hire date becomes part of the bargaining unit and has not previously had the opportunity to opt-out, such employee shall be given the opportunity at a time which is mutually agreed upon by the EMPLOYER and the UNION.

- Subd. 4. No Guarantee of Future Benefit. Nothing in this section shall be construed to be a guarantee of future retiree health insurance benefits beyond the expiration date of this AGREEMENT. The EMPLOYER and the Union (or in the case of an unit of essential employees, an interest arbitrator) reserve the right during subsequent negotiations to modify, amend, or terminate, in whole or in part, this ERHIP. In the event the union is decertified as the exclusive representative, the EMPLOYER may, at any time after the expiration of this AGREEMENT, modify, amend, or terminate, in whole or in part, this ERHIP.

Section 6. Health Care Savings Plan (HCSP)

- Subd. 1. Establishment of HCSP. Section 2. In the event the EMPLOYER finds it necessary to subcontract out work now being performed by existing EMPLOYEES that will result in the layoff of EMPLOYEES, the UNION will be notified no less than ninety (90) calendar days in advance of the date the EMPLOYEES will be laid off as a result of the decision to subcontract. During the ninety (90) day period, the EMPLOYER will meet with the UNION and discuss ways and means of minimizing any impact subcontracting may have on EMPLOYEES.

In the event that existing EMPLOYEES are laid off as a result of the EMPLOYER engaging in a contract for service, the EMPLOYER agrees to make reasonable effort to relocate such EMPLOYEES in other positions for which they are qualified.

The total weekly compensation including leave and workers' compensation benefits shall not exceed the weekly base PAY RATE of an EMPLOYEE.

Section 2. - Section 2.** Any employee who by reason of a work related injury receives worker's compensation benefits, shall receive credit for time spent on such medical leave for purposes of retention pay eligibility.
- Section 3.** Any employee upon retiring from County service shall be paid the retention payment as of the date of his/her retirement. However, such payment shall be prorated on the number of payroll periods worked during the calendar year in which such employee retired.
- Section 4.** Retention pay shall be paid to survivors in the case of death while the individual is an employee of the County. Such payment shall be prorated on the number of payroll periods worked during the calendar year in which death occurred.

ARTICLE 25 - SEVERANCE PAY

- Section 1. Severance pay refers to the cashing out of a combination of accrued but unused sick leave, vacation and paid time off (PTO) under certain conditions subject to the limitations stated in this article.**

For purposes of an employee's contributions to a Health Care Savings Plan (HCSP), "severance" also includes unused sick leave, vacation, and PTO balances subject to the limitations of this article, as well as Articles 11A Vacation and 11B Paid Time Off. See Article 18.

Eligibility. For the purposes of this Article 25, severance pay is only paid to EMPLOYEES who have completely severed their employment with the County in good standing and have completed eight (8) years of continuous service with the County. EMPLOYEES shall provide the EMPLOYER with two (2) weeks notice in advance of the date the EMPLOYEE leaves. If the EMPLOYEE fails to provide the required two (2) week notice, the EMPLOYER shall exclude eighty (80) hours of the severance pay to which the EMPLOYEE is otherwise entitled in accordance with the AGREEMENT. An EMPLOYEE shall not receive in excess of eight hundred (800) hours of severance pay during their lifetime. Such severance pay shall be based upon and measured by the unused accumulated sick leave and unused accumulated vacation leave accruing to such EMPLOYEE during Hennepin County employment, to be paid upon complete separation or retirement of the EMPLOYEE from County employment. Such severance pay shall not exceed eight hundred (800) hours of the unused accumulated sick leave and unused vacation leave which has accrued to the credit of the EMPLOYEE at the date of severance of such employment. Severance pay shall be computed on the basis of the EMPLOYEE's BASE PAY RATE in effect on the date of termination. Note that the "good standing" clause in this Article relates to the cash out of sick leave. In all cases, unused vacation/PTO (up to contractual limits) is paid out.

For employees who terminate employment after eight (8) years of continuous service with the county and who were hired prior to January 1, 2012.

- Employees described above (hired prior to 1/1/2012 and with 8 years of continuous service) who never convert to PTO will receive severance pay not to exceed eight hundred (800) hours of unused accumulated sick leave and unused vacation leave.

- Employees described above (hired prior to 1/1/2012 and with 8 years of continuous service) who convert to PTO will receive the balance of their PTO hours up to a max of 480 PTO hours and up to a lifetime maximum of 800 hours of frozen sick leave for a maximum total of 1280 hours.
- An employee who has already received the lifetime severance maximum of 800 sick leave hours will receive unused vacation or PTO but is not eligible for additional sick leave hours as severance.

For employees who terminate employment after eight (8) years of continuous service with the county and who were hired on or after January 1, 2012 but before January 1, 2023.

- Employees described above (hired on or after 1/1/2012 but before 1/1/2023) with 8 years of continuous service who never convert to PTO will receive severance pay not to exceed eight hundred (800) hours of unused accumulated sick leave and unused vacation leave.
- Employees described above (hired on or after 1/1/2012 but before 1/1/2023) with 8 years of continuous service) who convert to PTO will receive the balance of their PTO hours up to a max of 480 PTO hours and up to a lifetime maximum of 800 hours of frozen sick leave for a maximum total of 1280 hours.
- An employee who has already received the lifetime severance maximum of 800 sick leave hours will receive unused vacation or PTO but is not eligible for additional sick leave hours as severance.

Employees who do not have sick leave balances and/or who do not meet the requirement of eight (8) years of continuous service consistent with Articles 11A, Section 6, and 11B, Section 7. This process may be informally referred to as “severance pay” but is really the legally-required liquidation of accrued but unused vacation or PTO up to the contractual 280-hour vacation or 480-hour PTO cap, respectively.

	8 years of continuous service	If employee with 8 years of service comes back after terminating	Less than 8 years of continuous service
Employee with only vacation and sick leave balances	Vacation paid first up to 280 Remainder, up to 800 hour total limit, paid in sick leave	No severance unless employee left some excess sick leave on the books up to a lifetime cap of 800	Vacation paid up to 280 hours. No sick leave paid out.
Employees with both sick leave and PTO balances (employees allowed to convert from vacation to PTO)	PTO paid up to 480 hours. Frozen Sick leave paid up to a lifetime cap of 800 hours	No severance unless employee left some excess sick leave on the books up to a lifetime cap of 800	PTO paid up to 480 hours No sick leave paid out.
Employees with only PTO	PTO paid up to 480 hours	PTO paid up to 480 hours	PTO paid up to 480 hours

Severance pay shall be computed on the basis of the employee's BASE PAY RATE in effect on the date of termination. Severance pay of a deceased employee shall be paid to his/her estate or legal representative.

Employees shall provide the EMPLOYER with two (2) weeks written notice in advance of the date the employee leaves. If an employee fails to provide the required two (2) week notice, the EMPLOYER shall exclude eighty (80) hours of sick leave severance pay to which the employee may be otherwise entitled in accordance with this AGREEMENT.

Section 2. The eligibility provisions of this Article regarding years of services, shall not apply to REGULAR EMPLOYEES who die prior to achieving eight (8) years of service with the County.

ARTICLE 26 - FITNESS FOR DUTY

Section 1. EMPLOYEES shall be required to undergo physical or mental evaluations and furnish a report from the appropriate physical or mental authority, selected by the EMPLOYER, that will enable the EMPLOYER to determine the EMPLOYEE's fitness for performance of their duties. If the EMPLOYER requires an evaluation or report from a physical or mental authority other than the EMPLOYEE's personal or treating authority, the EMPLOYER shall pay the fee for such evaluation or report.

Section 2. EMPLOYEES shall notify the EMPLOYER immediately upon expiration of such license, registration, bond or other certification or failure to possess such qualification upon assignment of work requiring such qualification. EMPLOYEES who do not possess the necessary qualifications to perform work assigned by the EMPLOYER and fail to notify the EMPLOYER of the same will be subject to disciplinary action.

ARTICLE 29 - CALL-IN PAY

Section 1. EMPLOYEES called to work by the EMPLOYER shall be compensated for the period worked, but not less than four (4) hours.

ARTICLE 30 - LEAVE FOR HAZARDOUS DUTY INJURY

Section 1. Such disabling injury shall be reported to the appointing authority immediately. Request for such leave shall be presented to the EMPLOYER together with supporting documentation including appropriate physician(s) report. Such leave, if granted, shall not be charged to normal sick leave and shall be subject to the provisions of the Article herein titled "Leave Benefits and Worker's Compensation Benefits."

Section 2. EMPLOYEES shall submit a request for tool allowance reimbursement that will include the original receipt. The tool allowance period shall run for the term of the AGREEMENT. Unused tool balances may carry over from year to year for the duration of this contract. Unused tool allowance balances shall not be carried over from term of the AGREEMENT to the next. Employees on probation are not eligible for tool allowance. Employees passing probation shall be eligible for a prorated tool allowance measured by the number of whole months remaining in the year after passing probation.

ARTICLE 32 - DISCIPLINE

Section 1. The EMPLOYER will discipline EMPLOYEES who have completed the required PROBATIONARY PERIOD only for just cause.

Section 2. A written reprimand and an oral reprimand shall be considered "expired" for purposes of progressive discipline if no further disciplinary action has been taken against the EMPLOYEE within two (2) years following the date of the reprimand, or if no disciplinary action has been taken against the EMPLOYEE for the same or related offenses within three (3) years following the date of the reprimand. Time Off for Taking ASE Test Letter

December 18, 2015

To *Ron Boesel*
I.U.O.E. Local No. 49
2829 Anthony Lane South
Minneapolis, MN 55418-3285

Re: Time off for taking ASE tests

Dear Mr. *Boesel*:

This letter states the County's position regarding time off for taking the ASE test. The CMED management will be flexible regarding the use of flex time, vacation, comp time, PTO or leave without pay in order to allow CMED staff to take these tests.

Sincerely,
Rita Vorpahl
Labor Relations Representative

Letter of Understanding

The parties agree in principal that EMPLOYEES who hold a regular position in the class of work to be performed shall receive preference over EMPLOYEES on the intermittent appointment list for assignment, and such assignment shall be by seniority within job classification. However, due to the many variables that we must take into consideration when making overtime assignments, there must be some flexibility.

Scheduled overtime assignments for established crews will be made within crew. Failure to accept scheduled overtime assignments within one's established crew precludes an EMPLOYEE's eligibility for overtime for another crew. Failing to obtain the necessary personnel within the crew, the assignments will be offered to all *present and* qualified EMPLOYEES by seniority within job classification. Seasonal EMPLOYEES will be replaced by regular operators for weekend work.

Unscheduled overtime to complete a daily assignment will be offered to qualified EMPLOYEES already assigned to the established crew. When current EMPLOYEES are unable to continue, the assignments will be offered to qualified EMPLOYEES by seniority within job classification by Division (the divisions are subject to change but are currently: Road, Bridge, Traffic, Asset Management, Fleet, Construction, Design). Notwithstanding this language, the Transportation Operations Department Snow and Ice Control Program, Section 1.6 Call-outs, applies.

Unscheduled weekend work shall be offered based on seniority within the job classification needed to complete the work. When Operators are assigned to the truck stations during the winter or summer operations, seniority within truck station shall be used to fill the positions.

It is understood that when management calls to offer overtime, if an EMPLOYEE does not answer, the overtime will be offered to the next person on the seniority list.

Work requests from outside of the two Transportation Departments will be offered to the most senior qualified EMPLOYEES within job classification, who have volunteered prior to the established deadline. Failure to accept scheduled overtime assignments within one's established crew precludes an EMPLOYEE's eligibility for such a work request.

Letter – Bad Weather

December 18, 2015

Mr. **Ron Boesel**
I.U.O.E.
2829 Anthony Lane South
Minneapolis, MN 55418

RE: Bad Weather Pay

It has been the Employer's practice that when EMPLOYEES report for their regularly scheduled shift and are sent home due to bad weather the Employer pays EMPLOYEES for two (2) hours for coming to work. The EMPLOYEE then uses comp time, vacation, or PTO time for the rest of their scheduled shift. This practice shall continue but shall not be increased the three (3) hours pursuant to Article 30 of the Labor Agreement. Article 30 of the Labor Agreement is applicable to non-scheduled hours.

Sincerely,

Rita Vorpahl

Consensus Model and LMHCC Structure

1. For the term of this contract, the scope of the current LMHCC will expand to include consensus decision-making on the topics of plan design and premium, consistent with the consensus parameters established by the parties below.
 2. It is understood that the LMHCC will continue to operate as an educational and conversation vehicle year-round, with the consensus process only utilized for decisions related to plan design and premium. While these decisions may come up at any time during the year, it is expected that most of the decisions requiring a consensus will occur late in the summer each year.
 3. The parties will engage in a good faith effort to reach a consensus decision on premiums and plan design and realize that this may take several additional meetings in late summer of each year.
 4. Attendance at the LMHCC remains available to all current attendees, but each bargaining unit will identify one “consensus representative” (and an alternate) who will be responsible to speak for their bargaining unit on the two consensus issues of premium and plan design. The consensus representative will be polled and must indicate whether or not his/his bargaining unit can support consensus on a plan design or premium issue (or, in the last year of the contract, the continuation of the consensus model into the future contract). In all cases, if a consensus decision is reached, both the union and the county agree to be bound by the decision, pending County Administration approval.
 5. There will be a total of 17 eligible “consensus representatives,” one representing each bargaining unit, and 8 management members from County Benefits and Labor Relations staff who will also be considered eligible “consensus representatives”.
 6. One Business Agent or Field Representative/ attorney representative from each unit, as well as a Council 5 staff member may attend LMHCC meetings and may be the consensus representative/ alternate for a particular local if that is the desire of the particular union/local.
 7. Representatives (or alternates) to LMHCC must be present at multiple meetings, particularly during July/August of each year, to provide their bargaining unit’s opinion on any consensus decision. If a representative/ alternate is not present, the LMHCC will proceed without their input.
 8. Early in each year if determined necessary by the parties, a mediator will be asked to train the LMHCC on the concepts of facilitation and to explain how the consensus process differs from a negotiations or a voting process. The parties may also choose to continue to call upon the mediator as a facilitator if needed.
 9. All Union representatives and County representatives must be in consensus to reach a decision. The parties understand that a representative’s consent to a decision indicates a willingness to accept the decision, not necessarily full endorsement.
 10. A consensus decision must be reached by August 31st to allow for appropriate timing of open enrollment.
 - i. If full consensus on premium amount and plan design is reached by August 31st of any year 2025, 2026, or 2027 the consensus plan will be submitted to County Administration for final approval.
 - ii. If full consensus on premium amount and plan design is not reached by 8/31 of any year 2025, 2026, or 2027, the decision on premium and plan design for that year will revert back exclusively to County Administration. The Labor Relations Director will present to the County any potential items/topics on which consensus was reached as well as the items/topics in dispute.
 11. In addition, during the last year of the contract, the LMHCC will attempt to reach a consensus recommendation regarding the premium amount and plan design for the first year of the new contract, as well as a consensus decision regarding whether or not to recommend continuation of the LMHCC consensus model.
 - i. If consensus on plan design and premium amount is not reached by 8/31 of the negotiations year, the parties shall revert to the negotiation process as they have in the past. The employer shall present their proposal for changes to plan design and premium in the traditional contract negotiation format.
-

- ii. If a consensus on whether or not to continue the consensus model is not reached by 8/31 of the negotiations year, the parties will revert to the negotiation process as they have in the past.
 - iii. In all cases the amount of employee contribution under the new contract remains subject to negotiations.
- 12. It is understood that the County's recommended rate need for the health plan, as well as the County's assessment of the plan's status vis-a-vis the Cadillac tax is determined in consultation with actuaries and is not subject to the consensus process outlined below.
- 13. Use of the County's reserves or other financial assets is not an appropriate topic for the consensus discussions. The LMHCC is charged with finding a consensus recommendation regarding premium and plan design that does not include the use of reserves. The LMHCC may choose to submit a separate recommendation (or not) regarding the reserves, which County Administration may consider with no obligation to agree. In all cases, the County Administration retains sole discretion on any decision regarding the reserves. Any decision by the County to use reserves in the future will be timely shared with the LMHCC in order to incorporate such information into discussions leading to consensus. For plan years 2022 and 2023, the parties have agreed there will be no consideration of a premium holiday.
- 14. Neither the consensus process nor a negotiations process will be used for changes mandated by law or a vendor. However, the parties will negotiate the effects of any such changes.
- 15. The county reserves any and all rights with regard to benefit plan administration and policy unless specifically identified in this document or in the collective bargaining agreement. Nothing herein waives, expressly or implied, the Union's right to negotiate any mandatory subject of bargaining.
- 16. There is no implied commitment by either party to the consensus process beyond the term of this contract. Prior to August 31 of the last year of the contract, the LMHCC will determine any continuation terms as described above.
