HENNEPIN COUNTY

Trees and forests learning series

Hennepin County forestry is offering free monthly learning opportunities about trees and forests for residents. These sessions require no previous knowledge and are open to the public.

Find out details and register to attend a session: **hennepin.us/trees#learning**

Tree seed art

Monday, October 20 from 5:15 to 7:15 p.m. at Augsburg Park Library

Join us for this all-ages workshop to create seed art using seeds collected from trees across Hennepin County! Materials will be provided, and community members can optionally bring additional art supplies. Hennepin County foresters will provide instruction and guidance. This will be an opportunity to create artwork to bring home and to get to know what trees and plants these seeds come from! This workshop will be held at the Augsburg Park Library in the large meeting room and fully indoors.

Story time with trees

Thursday, November 20 from 3:30 to 4:45 p.m. at Augsburg Park Library

Join Hennepin County foresters for a kid focused story time with trees! Foresters will have a selection of books about trees to share as well as a story using puppets. Drop-ins are welcome and there will be multiple stations where you can find stories for youth of different ages. Story time will be held at the Augsburg Park Library in the large meeting room and fully indoors.

Nature writing for urban ecosystems

Saturday, December 6 from 1 to 3 p.m. at Hosmer Library

This nature writing workshop for community members is hosted by Hennepin County foresters. Participants will learn about and share in the tradition of nature writing with a focus on urban ecosystems. Hennepin County staff will have examples of nature writing in urban environments to share as well as writing prompts. Bring a notepad, paper or journal to write on. We will meet in Room L19.
