

HENNEPIN COUNTY

# Trees and forests learning series

Hennepin County forestry is offering free monthly learning opportunities about trees and forests for residents. These sessions require no previous knowledge, are open to the public, and rotate between virtual webinars, in-person trainings, and hybrid webinars and trainings. Recordings from webinars will be available for those who are unable to attend.

## Tree seed art in Spanish and English

**Thursday, September 19 from 5 to 7 p.m.**

Join us for this all-ages workshop to create art using seeds collected from trees across Hennepin County! Materials and guidance from Hennepin County staff and local artists will be provided at no cost. This will be an opportunity to create your own original artwork to bring home and to get to know what trees and plants these seeds come from! This workshop will be held fully outdoors in Spanish and English.

## Winter tree identification

**Saturday, December 14 from noon to 1 p.m.**

Learn from the experts how to identify common tree species in winter. This workshop will be held fully outdoors and will involve walking on paved but potentially snowy and icy trails. Warm beverages will be provided.

## Taking care of fruit trees in the city in Spanish and English

**Thursday, October 24 from 5 to 6:30 p.m.**

This workshop will be an introduction to the basics of fruit tree care in urban environments. Learn about growing trees in small spaces, pruning for best fruit production, and protecting trees from disease and damage. Fresh fall fruits and hot cider will be provided! This workshop will be held fully outdoors in Spanish and English.
