### Language Minority Districts

The following districts are designated *language minority districts* per Minnesota Statutes 204B.295 and data provided by partnership between the Minnesota State Demographic Center and the Office of the Secretary of State. Districts are considered language minority districts if 3% of the population in each census tract cited speaking English “less than very well” on the 2020 U.S. Census. Per the requirements of M.S. 204B.295, voting precincts must contain signage and sample ballots in the top individual languages in that census tract.
