**Trainings are offered in
person and electronically.**

The trainings are free and open to the public. Community Trainings are offered in person and electronically. Each topic includes specific details.

Long Term Services & Supports

Promoting Choice and Independence

Seniors and persons with disabilities receive help to live in their communities as independently as possible through services offered by aging and disability services. Our professionals help people access available home and community-based services and possible funding sources so that they can remain in their home longer and prevent or delay institutional care.

To make a referral to Hennepin County's "front door".

Call the access and initial consultation phone number at **612-348-4111** and select **option 1 for English then 0 for Front Door.**

- General inquiries and consultation do not need the specific person's information.
- Referrals for in-person assessments require the following:
 - 1) Person's name, birth date, Social Security number, address, phone number and contact information.
 - 2) Income, asset, and health insurance information
 - 3) Summary information on health and functioning level

How to Register for Community Information Sessions (Required)

To register, **register online** CommunityInfoSessions@Hennepin.us
or call **612-596-6631**. Please register early.

Include the title of the training session and your name, phone number and email address, in that order. Please indicate if you prefer an electronic option vs. in person training.

We will verify your registration and will let you know if the session is cancelled.

All sessions are FREE and open to the public.

Funds Available for Person Centered Planning

Funds are available now. Person centered planning is an interactive planning process which helps a person with disabilities prioritize their life goals. Certified facilitators use various person-centered planning tools to document the person's life plans and goals. County funds are available for those not open to home and community-based waiver funds. You may also access planning funds through the service [family training and counseling services](#) if you have waiver services.

County funds are focused on transition age students (18 to 23) with an Individual Education Plan with or without a Hennepin County case manager. Funds are available on a first come first served basis. To enroll contact your case manager or email jerry.mellum@hennepin.us for information or request training information below.

Electronically:

For more information a YouTube video with more information is available.

- When registering include the title Person Centered Planning, your name, your phone number and email address. We will forward you the specific training topic within one week of your registration.

Register by calling 612-596-6631 or email

CommunityInfoSessions@Hennepin.us

It's Working!

It's Working! This flexible, creative and unique, self-directed vocational work program that is county funded. The program is for people with developmental disabilities who have case management and currently aren't open to wavier services. This program enables you to employ your own staff, write your own plan and identify vocational services that will help the person with a disability find and maintain employment. **If you qualify there is currently no waiting list.**

Program criteria

- For those people with disabilities age 14 to adults who don't have waiver services and have DD case management in Hennepin County.
- The program can pay for staff support, vocational assessments, on the job training, goods related to work, job searches and technical assistance and more. It has helped several people start their own business.

Who will benefit from the information? Case managers and interested participants who don't currently have waiver services, are ages 14 through adulthood and have a county or contracted case manager for developmental disabilities, and/or related conditions.

Electronically:

More information is available on a YouTube about this program.

- When registering include the title It's Working, your name, your phone number and email address. We will forward you the specific training topic within one week of your registration.

Register by calling 612-596-6631 or email

CommunityInfoSessions@Hennepin.us

Home and Community Based Waiver Services

An overview of home and community-based waiver programs, including the Community Access for Disability Inclusion Waiver (CADI), Community Alternative Care Waiver (CAC), and Brain Injury Waiver (BI), Developmental Disabilities (DD), Elderly Waiver (EW) and the Alternative Care Program. We will review the service menu for each program, provide examples of how the programs are used. The MN Department of Human Services program "[Waiver Reimagined](#)" will modify the way some waiver services are provided. This session will also provide an overview of Consumer Directed Community Supports (CDCS).

Who will benefit from the information?

Parents, legal representatives and people with disabilities

In Person: Thursday, June 13, 2024, 10 AM to 12 PM

CommunityInfoSessions@Hennepin.us

Adult Housing for People with Disabilities

We will discuss the continuum of housing options for people with disabilities and recent changes. This training will address the questions 1) Where do you want to live? 2) How will you afford the staff support necessary and 3) How will you afford rent and food? The training will help you to determine which services best meet your needs, discuss funding, the process to begin. Hear stories about creative housing options in Hennepin County and what other people did to get started.

Who Should View the Training?

Parents, legal representatives and persons with disabilities seeking housing.

In Person: Thursday, June 13, 2024, 3 PM to 5 PM

Hennepin County – Edina Public Library

5280 Grandview Sq., Edina, MN 55436

Guardianship/Supported Decision Making

At age 18, any person is considered a competent adult unless a petition is filed for guardianship in probate court. It will review recent changes in the guardianship law which increase a person's rights and an option called "supported decision making". The training will also describe the individual powers assigned by the court, outline the responsibilities of the guardian, and offer options to complete the process at no cost. This introductory session will provide basic information on the difference between guardianship and supported decision making and conservatorship.

Who Should View the Training?

Parents, legal representatives and persons with disabilities

Consumer Support Grant (CSG)

CSG is an alternative to Personal Care Assistance (PCA) Services (MA Homecare). It is directed by the person or caregiver/parent. CSG allows people enrolled to access a different set of support services within their CSG budget. Examples are prescribed special diets, art therapy, music therapy, and support staff. Please register for the online training below by calling 612-348-2939 or emailing HSPH.LTSS.CSG@hennepin.us .

Who Should View the Training?

People who attend must have open Medical Assistance and have a current PCA assessment. Please have the individual's medical assistance number and a copy of the most recent PCA Assessment.

How to sign up and attend training? *

To start the Consumer Support Grant training is required and is online.

If you are interested in completing the CSG Training, please email the address below to receive online training materials.

Please note, much of this training can be completed on a smart phone. Should you have additional questions or need assistance, please reach out to the CSG Team and we would be happy to assist you.

Spanish CSG Electronic Training

Subsidio de respaldo al consumidor hispanohablante (CSG, por sus siglas en inglés)

CSG es una alternativa a los servicios de ayuda del cuidado personal (PCA) y cuidado domiciliario (MA). Este subsidio es administrado por la persona, el cuidador o padre de familia. El subsidio CSG permite a las personas inscritas acceder un grupo de servicios de ayuda con el presupuesto de CSG. Por ejemplo: dietas especiales recetadas, terapia artística, terapia musical y personal de ayuda. La capacitación en línea (por Internet) es en español y explicará como la persona puede tener acceso a este programa y como utilizar los fondos distribuidos.

¿Quién debe asistir?

Las personas que asisten a esta capacitación deberán tener el servicio de asistencia médica y tener una evaluación actual PCA. Favor de tener el número de asistencia médica de la persona y una copia de la evaluación PCA más reciente.

¿Cómo inscribirse y asistir a la capacitación?

Debido a la pandemia del COVID-19, CSG ha cambiado sus capacitaciones a una plataforma digital (por Internet). Para poder iniciarse en CSG, usted tiene que capacitarse.

Si está interesado(a) en hacer la capacitación CSG, se pide que escriba al correo electrónico de abajo, para que reciba los materiales de capacitación. Tenga en cuenta que, la mayoría de esta capacitación se puede hacer con un teléfono inteligente. Si tiene alguna otra pregunta o si necesita ayuda, comuníquese con el personal de CSG y con mucho gusto lo ayudaremos.

Correo electrónico: HSPH.LTSS.CSG@hennepin.us

Family Support Grant (FSG)

The Family Support Grant (FSG) program provides cash grants to families of children with certified disabilities. The goal is to prevent or delay out-of-home placement of children with disabilities and promote family health and social well-being by providing access to family-centered services and supports specific to the child's disability.

This session will explain the basics of the FSG program and how to complete the application to ensure program compliance.

Who Should Attend? Case managers and families who want additional information to apply for their eligible child.

Eligibility Criteria:

- Person must be under age 25.
- Must live in biological or adoptive home, or transitioning home from a temporary licensed residential facility if grant is awarded.
- Family income must not exceed \$125,635 (income verification is required, such as, check stubs, W-2's, tax returns, public assistance approval letters)
 - Except in cases where extreme hardship is demonstrated
- Must be currently disabled through one of the following ways:
 - Social Security Administration (SSI)
 - State Medical Review Team (SMRT)
 - Children who are working with a CMH case manager
 - Individuals that have a Lead Agency Rule 185 DD Case Manager, must still be certified disabled

Note: Families receiving services under the Developmental Disabilities Waiver, Community Alternative Care Waiver, Community Alternative for Disabled Individuals Waiver, Brain Injury Waiver, Consumer Support Grant or Personal Care Assistance are not eligible for the Family Support Grant.

Please reach out to the FSG team to request the electronic training session by emailing hsph.ads.fsg@hennepin.us or calling 612-348-2939.

Community Section—Hennepin County does not explicitly endorse the following organizations but includes their information and training topics as a public service for the general public.

d.a.c Family Center—Serving Spanish families, children, youth with disabilities.

www.dacfamilycenter.org

As elders, advocates, educators and friends, the Ana and Kevin Pérez serve Spanish families, children, youth with disabilities, helping them over the hurdles of the healthcare, public services, schools and community systems. By being a constant source of support, d.a.c. has become a home away from home for the diverse community it serves.

- **Educate** We help you understand your child, youth, adult or family member with disability, and teach you how to get the resources they need, and the support you need. Our training is offered to make sure they understand their rights and responsibilities under IDEA also ADA.
- **Connect** We work closely with each family to bridge the culture and language gap that can be frustrating when dealing with hospitals, clinics, schools, and social services. We also host a weekly support group to help families connect with others who are experiencing disabilities. We also provide different trainings and bring resources from the community.
- **Listen** No two families are the same. By listening to your family's needs we make sure you get personalized support to help you cope with disability. From attending hospital appointments, to visiting with you at your home, we are there for you every step of the way.

Minnesota Independence College and Community

Minnesota Independence College and Community (MICC) is a nonprofit organization dedicated to transforming the lives of autistic and neurodivergent young adults. Since 1996, MICC has been providing comprehensive vocational and life skills training programs designed to help participants achieve independence and self-sufficiency.

Located in the heart of Richfield, just 15 minutes south of Minneapolis, the unique campus provides an experiential learning and apartment-living environment where participants can thrive.

The three-year College Program focuses on independent living skills, holistic healthy living, career skills and employment, and social and emotional learning.

Independent Living Skills and Home Care

- Shopping
- Planning meals
- Cooking
- Personal hygiene
- Managing money
- Public transportation
- Goal setting
- Problem solving

Career Skills and Employment

- Certified Century College certificates:
 - Retail Hospitality
 - Culinary
 - Health and Health Services
- Employment search
- Professionalism
- Maintaining employment

Social-Emotional Learning

- Making and keeping friends
- Personal boundaries
- Self-awareness
- Participant-led clubs
- Evening and weekend social activities
- Off-campus excursions
- Special events

Participants live on-campus in fully furnished three-bedroom apartments with their peers. Skill development is assessed regularly, and instruction is adjusted as participants progress towards greater independence.

MICC believes in the potential for participants to live an independent, vibrant life and offer a variety of programs to support them on their journey.

Call or click to schedule a campus visit and learn more about how MICC can help you or your loved one achieve independence and success.
