

Hennepin Waypoint Applications Instructions

www.hennepin.us/Waypoint/

Hennepin Waypoint is a web application that works on a smart phone, computer or tablet. For those experiencing homelessness or financial hardships it provides easy access to services and resources. Just click on a category and sub-category to display a list of services, then pick a service to display important information and the helpful map.

Return to category list. (Arrow points to the home icon)

Display general map. (Arrow points to the Map icon)

Toggle open or all locations. (Arrow points to the Open and Near Me buttons)

Use "Show more" to display all the available information or "Show less" to display only name, phone and address. (Arrows point to the Show more and Show less links)

The Description section includes information on the provider, services and any additional instructions. (Arrow points to the Description section)

Hours along with schedule notes for services that occur only during specific times of the month or year. (Arrow points to the Hours section)

Green markers show open, red closed, and a blue marker indicates check hours within the service listing for more information. (Arrows point to the status markers)

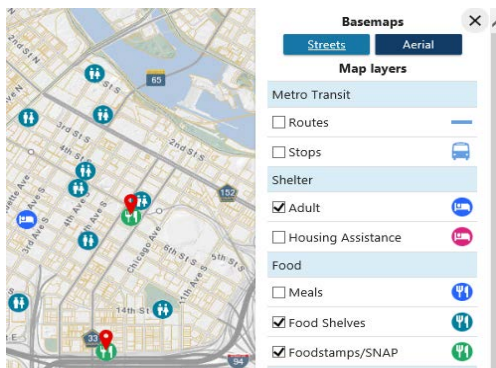

Zoom to the site on map. The mapped service will be highlighted in the list. (Arrow points to the Map link)

These sections list any eligibility requirements such as referrals or age and required documents like ID, driver's license, or proof of residency. (Arrows point to the Eligibility and Required documents sections)

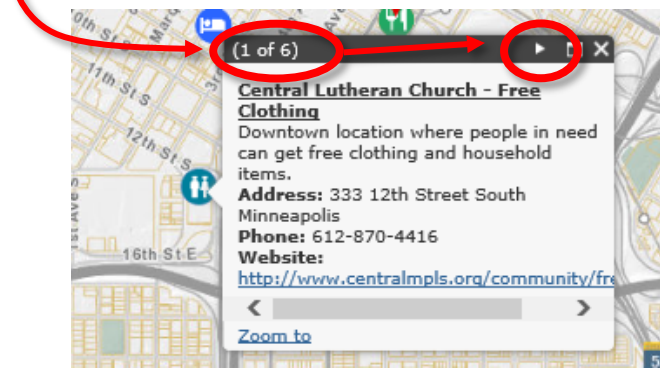

Contact information for the application. (Arrow points to the Website link)

Click on the layers icon in the upper right corner of the map and check other services on, or aerial photos.

Click on a bus stop, route, or service to display information. Note that 6 services are listed at the one site below. Click on the arrow pointing right to scroll through the services.

This application is continuously updated with new services, so it is suggested to check often. Always contact the provider directly during the holidays to confirm limited hours.
