Fees on this schedule are adopted by County Board approval. The ACF has the ability to waive fees or implement our “sliding fee” scale, based on an individual’s income and household size for Work Release or Work Release Home Monitoring Fees. Fees are based on Minnesota statutes 244.18, 383B.124-128, 609.102, 631.425 and 641.12. The ACF works with the courts to apply reasonable payment expectations on clients with verifiable financial hardships, see pages 22 & 23.
