

Neighborhood Fix-It Hub in St. Anthony

Learn to fix your broken stuff for free at the library

Neighborhood Fix-It Hub is coming to the St. Anthony Library! Visit the Hub every other week to work with a friendly, skilled volunteer to try to fix your broken household stuff, gain confidence and new repair skills, and incorporate sustainability into your life.

Bring an item that needs repair or come to watch and learn! All items brought to the Hub must be carry-in-sized, such as lamps, vacuum cleaners, small kitchen appliances, clothing, electronics, and other household items. This event is family friendly.

If our volunteers are limited, we may place a limit on the number of items that can be worked on each week.

Volunteers needed

Help establish a neighborhood Fix-It Hub in your community! Volunteers are needed to assist with repair and sewing. If you are interested in lending a hand, contact Nancy Lo at nancy.lo@hennepin.us or 612-348-9195.
