

Nicollet Avenue reconstruction

County Road 52 in Richfield

Project overview

Hennepin County plans to reconstruct Nicollet Avenue between 66th and 77th streets in Richfield. This project will improve safety and mobility for people walking, biking, rolling, driving and taking transit along the corridor. Community engagement is underway now and construction is anticipated to begin in 2026.

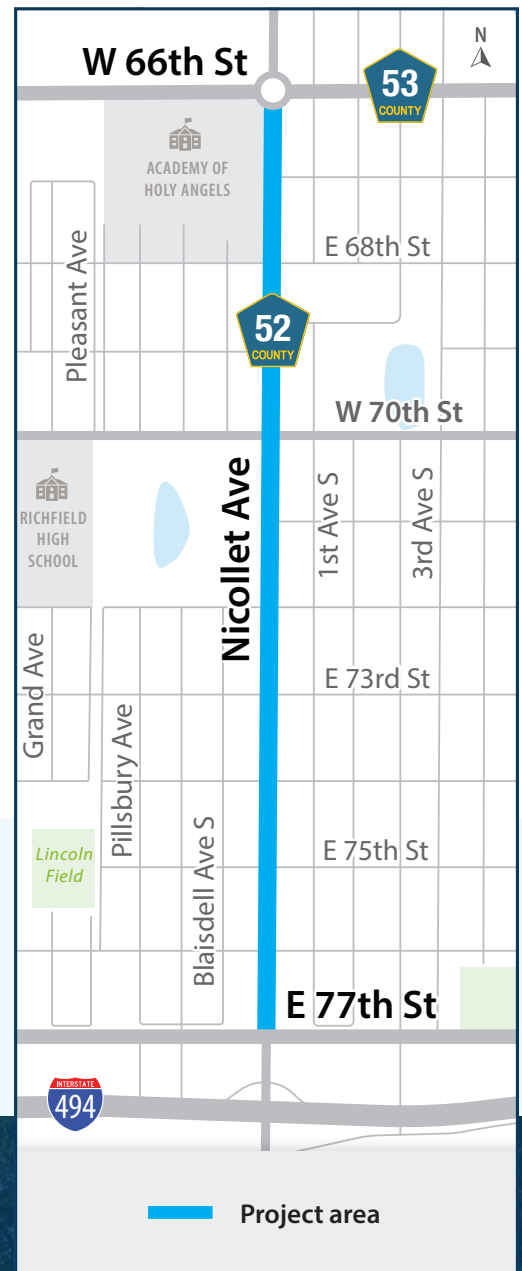

Project goals

-  Create safe, secure and comfortable places for everyone to travel, regardless of their age or ability.
-  Provide safer facilities and crossing opportunities for people walking, rolling and biking.
-  Improve bus travel by creating comfortable stops and reliable travel experiences.
-  Provide quality experiences for all types of travel - driving, walking, rolling, biking and using transit.

Help shape the future of Nicollet Avenue
