What: We visit businesses in the community and offer Narcan training and present them with resources for patrons who come through the door who need help. We also go out in the community and educate individuals on opioid use disorder services available at Twin Cities Recovery Project. We visit various encampments in the Minneapolis area and pass out harm reduction supplies including but not limited to:

- Narcan, clean needles, tins and cotton, fentanyl test strips, antibiotic ointment, alcohol prep pads, bandages, food, bottled water, and clothing.

Twin Cities Recovery Project is always in need of outreach donations and outreach volunteers.

If you are interested in donating or volunteering, please reach out to us at our Southside office or feel free to stop in and say hello.
