

## Opioid framework: June training and events

This document highlights upcoming opioid response resources. It includes trainings and events that are open to the public, and it is not a complete summary of each organization's work. Contact the organization with any questions. For more information on Hennepin County resources visit [Hennepin.us/opioid](https://hennepin.us/opioid).

### Training

Naloxone comes as an injection or nasal spray (also known as Narcan). Both are safe and effective for reversing opioid overdoses. Contact the organization to learn more about the training and materials provided.
