Call Member Services at 612-596-1036 (TTY 711 or 800-627-3529) with questions about a provider. These calls are free.

You must get all of your health care from Hennepin Health network providers. There are some exceptions. Examples of exceptions are: emergency or urgent care, open access services, and other previously authorized services. If you have questions about the providers you should use, please contact Member Services at 612-596-1036 (TTY 711 or 800-627-3529). These calls are free.

Members receive primary care and specialty services. You do not need a referral or authorization to see a provider or specialist in our network. An authorization is required if your health care provider sends you outside of the network. The out-of-network provider must be a provider, accept our rates and be willing to see our members.

Call 911 or go the closest emergency room if you have an emergency that needs treatment right away. You can call the 24/7 nurse line at 1-888-859-0202 (TTY 711) for professional medical advice. These calls are free.

Members with Medicare must use a prescription drug plan for covered drugs. Contact your prescription drug plan if you have questions about how to get drugs.

# IMPORTANT INFORMATION

## Clinics

You can go to any primary care clinic that's listed in this directory or our online provider search at [www.hennepinhealth.org](http://www.hennepinhealth.org). Hennepin Health does not require that you choose a primary care provider (PCP)/primary care clinic (PCC) or care system. Please confirm with Member Services that your clinic is still a provider with our health plan. Call Member Services at 612-596-1036 (TTY 711 or 800-627-3259). These calls are free.

## Cost sharing

You may be required to pay an amount toward some health care services. This is called cost sharing. Some examples of cost sharing are copays or deductibles for certain services. You are responsible to pay your cost sharing amount directly to your pharmacy or health care provider. You can get a Member Handbook with more information about cost sharing.

## Interpreter services

American Sign Language (ASL) and language interpreter services are available to help you get services. Oral interpretation can be given to you in your language. You may be able to get written information in your language. Call Member Services at 612-596-1036 (TTY 711 or 800-627-3259) to get interpreter services. These calls are free.

Call Member Services to request a printed copy or download a copy from <https://www.hennepinhealth.org/>.

## Member identification (ID) cards

You will get a health plan member identification (ID) card. You must show this card whenever you get health care services, including when you get a prescription filled. We will send your member ID card by U.S. mail. If you do not receive your card or need a replacement card, call Member Services at 612-596-1036 (TTY 711 or 800-627-3529). These calls are free.

## Service authorization

Our approval is needed for some services to be covered. You must get our approval before you get certain services or before we pay for them. You do not need a referral or authorization to see a provider or specialist in our network. An authorization is required if your health care provider sends you outside of the network. The out-of-network provider must be a provider, accept our rates and be willing to see our members. You can get a Member Handbook with more information about which services require service authorization.
