

**June 1, 2023**

**SUBJECT**

2023 Q2 drug formulary change notification

**PROVIDERS AFFECTED**

All providers

**KEY POINTS**

- Hennepin Health is making several changes to its drug formulary for Q2 2023.
- The changes apply to all Hennepin Health members.
- The updated full drug formulary is available online. A printed copy can be obtained by calling Provider Services at 612-596-1036 (press 2).

**BACKGROUND**

We have made several changes to the drug formulary. These changes apply to Hennepin Health-PMAP, Hennepin Health-MNCare and Hennepin Health-SNBC members. Members who are directly impacted will receive notification of the changes. The updated full drug formulary is available on the website. A printed copy can be obtained by calling Provider Services at 612-596-1036 (press 2).

**Effective 06/01/2023, these medications were added:**
