FOOD FUND DRIVE & TOOLKIT

SUPPORT NORTHPOINT'S FOOD SHELF

Help make food more accessible in our community.

OUR IMPACT

NorthPoint's mission is **Partnering to Create a Healthier Community**, and meeting basic food needs is the first step towards health for all. For over fifty years, NorthPoint's Food Shelf has provided access to healthy food – including fruits, vegetables, and fresh protein, as well as hygiene and household items.

WHAT IS A FOOD & FUND DRIVE?

NorthPoint relies on food and fund drives to support food security in our community. Food and fund drives are a great way for schools, businesses, neighborhoods, families, and other organizations and groups to engage and contribute positively to our community!

We have posters along with returnable collection bins and donation envelopes available. We also have a most needed items list to help your collection efforts.

Your healthy food donations will go directly to NorthPoint's Food Shelf and provide a place for community members to access groceries and other everyday needs.

EASY STEPS FOR A SUCCESSFUL FOOD & FUND DRIVE

1. Set your Goals

Create a goal for food and financial contributions.

2. Organize and Schedule Dates

Determine the length of your drive—it's up to you. Give your participants enough time to prepare to participate. Do you want to have a theme or a kickoff event? Would someone be willing to match your cash donations? Where will you put the bins?

3. Register your Food Drive

Contact us before your event. We can provide you with food bins or totes, collection envelopes and schedule a pick-up or delivery.

4. Promote your Drive

Don't forget to promote the drive once it has started! Keep enthusiasm high, send reminders, hold a contest, award prizes – have FUN!

6. Celebrate

Send a thank you to participants and celebrate the impact you've made together! NorthPoint will tell you the results of your Food & Fund Drive, which you can share with your participants.

CREATIVE IDEAS FOR YOUR FOOD AND FUND DRIVE

To make your food and fund drive easier and successful, here are a few fun ways to solicit donations and encourage participation.

Kick Off Party

Host an event or charge "admission" with a donation.

Single Item Collection

Focus your drive on just one most needed item. This can be visually exciting and makes our job sorting easier!

Competitions

Organize a friendly competition between groups, departments, or teams to see who can collect the most donations.

Jeans Days

Allow participants to wear jeans in return for their donations.

Brown Bag It

Ask participants to bring a packed lunch and donate what they would have spent buying from a restaurant.

Matching Gifts

Ask your company to match donations.

Host a FOOD & FUND DRIVE

NorthPoint is committed to providing nutritious, high quality food, including fresh fruits and vegetables to families in need.
