## Human Services Has a New Address!

Beginning December 4, 2023, Human Services has re-located to 2220 Plymouth Ave. N. Minneapolis, MN 55411.

Human Services programs include individualized coaching, social support groups, job search, housing resources, education and skill support, parent support, MNsure and SNAP application support, a Food Shelf, and more.

This places all major NorthPoint services - medical, dental, behavioral health, and human services - under one roof in our new expanded facility. We have satellite locations throughout North Minneapolis for some services. See our [Locations page](#) for more info.

Check out our [Campus Expansion page](#) for the latest on NorthPoint's new facility.

We thank our guests, neighbors, and partners for your patience during our expansion over the last few years!

## We Are Thankful to Dr. Erickson

After serving the Northside community for 28 years, Dr. Paul Erickson retired from NorthPoint in December 2023.

"Partnering with patients and their families on their path to a healthy and happy life is my goal," Dr. Erickson said. "Seeking to understand, being respectful and compassionate, applying the best of medical care, educating and connecting with patients are important to me."

Dr. Erickson created a legacy of care here at NorthPoint from 1995 to 2023. He served as Medical Director from 2006 to 2022. Congratulations on a beautiful career and best wishes for your retirement!

## Did You Receive a Good Faith Estimate for your Upcoming Visit?

If you received a Good Faith Estimate (GFE) recently, it may not reflect your newest benefits. Your insurance or Medicaid coverage may have changed or expired.

A GFE **is not a bill**. You may or may not be charged the full amount listed on the GFE. It lists the items or services that can be reasonably expected for your health care needs, and it shows you how much the items and services will cost. This is based on what we know at the time we make the estimate.

If you have new benefits information or questions, please call us at **612-543-2500** to update us over the phone. You may also update your benefits information on [MyChart](#) or bring your newest information to your next visit.
